*We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential*

### Message from our Headteacher

“Feeling gratitude and not expressing it is like wrapping a present and not giving it.”

William Arthur Ward

Dear Families,

As I was drafting this week's letter, I found myself reflecting on what a wonderful term we have had in school and the number of different people and organisations who have contributed to making this a reality. It really has been a team effort so, with it being the season of giving, I wanted to give thanks to our school community by acknowledging how grateful we are for the help, encouragement and support our community shares with us so selflessly.

Firstly, a huge thank you to everyone involved in the organisation and running of this year's brilliant Christmas Fair. These events really do not run themselves - there is a lot of work that goes on behind the scenes just to make them possible. However, the team spirit and sense of collaboration that ran through the event from planning, to set-up and decorating and manning stalls (and not forgetting the clearing up) pulled our community even closer together and contributed to making the whole experience a joyful one. I am looking forward to drawing the raffle winners after school today – if you keep your fingers crossed I might just pick your numbers!

Thank you to everyone who was able to join our singing assembly yesterday. Singing Assembly is an absolute highlight of each and every week and it was lovely to be able to share this experience with you – I hope you enjoyed it as much as me. I love listening to the children singing together. We will definitely make this event a regular in the school calendar and I have already put in a special request for Mr McLeish to play his trombone next time so that we can all sing along to 'Dancing Queen'.

Thank you to the children and teachers for all the hard work they have put in to preparing for Christmas performances. We enjoyed an absolute cracker with the Key Stage 1 nativity this morning. It was a delight to see the children conquering the stage with their acting, dancing and singing. I can't wait for the Early Years performance next week as well as the Key Stage 2 Christmas Singalong. I look forward to seeing lots of you there.

Finally, I know you will all want to join me in thanking the Parent Association at Kew House School for their incredibly generous Christmas gift towards our playground fund-raising. The team at Kew House have raised £9,000 towards our playground refurbishment works, which has super-charged our fund-raising efforts.

Have a wonderful weekend

Miss Stockley

## **Attendance News**

Attendance this year has been steadily improving and currently stands at 93.2%. The national target is 96% - so we still have some way to go. Excitingly, we have 27 children who are in line to visit the '100% Attendance Shop' at the end of next week to claim their attendance prize for this half term.

A reminder that school finishes on Thursday the 21st December at 1:30pm and we are back on Tuesday 9th January from 8:45am (soft start) registers closing at 9am.

This time of year children are starting to get coughs and colds and I would like to remind parents that it's fine to send your child to school with a minor cough or common cold but if they have a fever, keep them off school until the fever goes.

If you are thinking in the new year of taking a term time holiday it's important to note that there are 190 school days a year and the expectation of

schools and the Local Authority is that children of statutory school age who are on a school roll, attend school every day the school is open. That means there are 175 days remaining, for you to use for appointments, celebrations, birthday treats, events, and family holidays.

I wish you and your family a happy Christmas and a prosperous New Year.

Miss Rees

## Stars of the week - WB 11.12.23

### Together

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	The whole class	This week, Year 1 had worked really hard together, learning their lines and songs for the nativity. They put on an amazing show with the rest of KS1 and were all able to show off their brilliant talent. They also worked together with children in Year 6 on travelling safely to the Waterman's theatre. Thank you all, and well done, everyone!
Matisse	Eden	Eden is such a kind and considerate person. He is a wonderful team player and always encourages his friends to join in, work together and play together. Thank you Eden for being a wonderful role model and member of Matisse Class.
Picasso	Evie	Evie is a brilliant team player. She is very happy when encouraging and helping her friends. Evie has been setting a high standard for everyone when practicing our Christmas songs and when we go on trips. Everyone is very grateful to have Evie.
Blake	Ricky	Ricky is a model student. He displays each and every William Hogarth value on a weekly basis. He works incredibly hard, and often shares his knowledge with his classmates. On the playground, he is helpful and kind to others, particularly during football as he routinely ensures other players are OK when they fall or get hurt. Everyone, including myself, is extremely grateful to have Ricky in our class.
Shonibare	Aliyane	Is a great team player. She takes an active role in encouraging her teammates to stay on task and listen to each other's ideas. This week she collaborated well with others to produce some great research in RE.
Riley	Suheyla	Suheyla is an absolute joy to teach. It is so lovely to have such a kind-hearted child in my class. Suheyla works well with all of her peers and is inclusive of everyone. In the playground, Suheyla plays with children from any class and exhibits the behaviour that makes her a great play leader and lunch helper. Well done!

## Financial Help

### Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

**Tax-Free Childcare** which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!  
This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.
