Dear Parent/Carers

It has been another challenging term and school staff have played an important role in keeping children in school and responding to cases of Covid-19.

You will be aware from the media that cases of covid are again rising and this increase comes at the same time as new cases are emerging of the new Omicron variant, which spreads rapidly, and cases of this variant are doubling every 3 days.

In response to this new variant the Government put in place its Plan B guidance, and yesterday it was announced that the Covid booster vaccination programme will widen to offer a booster vaccination to anyone over 18 years of age before the end of December.

As schools break for the Christmas holiday, we know many of you will be meeting up with those you care about to celebrate Christmas and the New Year and I ask that you act on the following guidance to keep you, your friends and your family safe.

### **Get vaccinated.**

Vaccination is the best form of defence against Covid-19. You can find out more about Covid vaccines and where to access a vaccination locally by clicking on this link: [COVID-19 vaccine - NHS](#)

From the 15th December specified venues and events will legally be required to check that all visitors aged 18 years or over are fully vaccinated or have proof of a negative test in the last 48 hours unless they have a vaccination exemption.

### **Testing**

Test using a lateral flow rapid test (LFD) before going out to events or meeting up with friends and family. Lateral flow tests can be ordered online or collected from a local pharmacy: <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

If you have any Covid-19 symptoms you should book a PCR test <https://www.gov.uk/get-coronavirus-test>

If you are a close contact of someone who has tested positive for Covid-19:

- If you are aged 18 years and 6 months and not fully vaccinated, you will need to isolate for 10 days
- If you are over 18 years 6 months and have had 2 doses of the vaccine you do not need to isolate but it is strongly recommended you take daily lateral flow tests for 7 days
- Children do not need to isolate but if they are aged over 5 years they are strongly encouraged to take part in daily lateral flow testing for 7 days.

### **Face Masks**

From the 10th December, face coverings will be required by law in most indoor settings (unless exempt such as hospitality venues). It is now mandatory for anyone over the age of 11 to wear a face covering when travelling on public transport (unless exempt).

### **Good Hand Hygiene**

Wash your hands with soap and water or use hand sanitiser regularly throughout the day. Regular hand washing is an effective way to reduce your risk of catching illnesses, including COVID-19.

### **Socialising**

If a member of your household tests positive, we recommend that the family limits social or non-essential activity (outside of the school day) for 10 days from the date of the first positive test, or the day symptoms started in the household. This will help to reduce ongoing transmission across the borough.

This is an important time. We have increasing covid case numbers, and more people hospitalised with severe Covid symptoms at a time of year when the NHS already has a huge amount of activity. Please help by playing your part. If we are to make the impact we need, and keep people safe and the able to access care when they are very unwell, we need everyone to help. Let's protect the NHS and have a safe and happy Christmas and New Year. Thank you for your continued support in tackling Covid-19.

## SHOP & SUPPORT

You can raise free donations to the school, without costing you a penny! Major retailers can donate to our school while you do your usual online shopping. The Friends of William Hogarth is registered as a charity in both AmazonSmile and EasyFundraising.

Here is how it works:

**easyfundraising**  
feel good shopping

**1 Sign Up**  
Head to <https://www.easyfundraising.org.uk/causes/williamhogarthschool/>. Add to your browser to never miss an opportunity to donate.

**2. Shop**  
There are over 4,000 retailers on board who donate

**3. Support**  
After you've made your purchase, the retailer will make a donation to the school at no extra cost.

**smile.amazon.co.uk**

You shop. Amazon gives.

Amazon donates 0.5% of the price of your purchases to the charitable organization of your choice.

AmazonSmile is the same Amazon you know. Same products, same prices, same service.

Support the school by starting your shopping at [smile.amazon.co.uk](https://smile.amazon.co.uk) (instead of Amazon.co.uk), search for **The William Hogarth School** and add it as your charity. Donations will be automatically made.
