Have a lovely Christmas Break and we look forward to seeing you all on Tuesday 5th January 2021

Chair's Note

Dear all

We had our second full governors' meeting of the term this week and I was pleased to welcome our new parent governor (Pierre Kremer) to the team. There was a lot to cover. Miss Stockley took us through the good progress the children have made this year, staff wellbeing and some of the school's priorities for 2021. I'm particularly excited that the school will be placing increased focus on encouraging a love of writing – do look out for more on that next term.

As we approach the Christmas break, I've been reflecting on what the school and the community have achieved in 2020. It has been an incredibly challenging year, but one in which we've pulled together and achieved a lot. We've come through a partial closure and home learning, seen a phased return to school before summer and successfully completed the autumn term. I never thought I'd spend so much time discussing 'bubbles'!

It's been lovely to see the children settling in to what is a more normal routine this term, especially the new nursery and reception children. I've enjoyed following the school's twitter feed, and I've been watching the Christmas shows on the school website this week. The shows are all fantastic, but I hope you won't mind me admitting that the Early Years video is my favourite!

It goes without saying that we all owe a lot to the school staff this year. Without exception, they have gone above and beyond. They have put the children first, and delivered teaching that puts values at its heart. As Aristotle once said: *'Educating the mind without educating the heart is no education at all.'* I'm sure you will agree that the William Hogarth team have really brought this to life in 2020.

I also know that many parents and carers (and some local businesses) have donated time, energy and support to the school this year. That does not go unnoticed and we are continually grateful.

So as 2020 draws to a close, on behalf of the governing body I want to wish you all a merry Christmas and a happy New Year.

Stars of the Week

Star of the Week this week is someone who has shown outstanding progress this term. It could be academically, in their behaviours for learning, in their attitude or perhaps someone that has improved their attendance and become much more conscientious. It's been a really successful term and we have seen the highest attendance across the borough. We have seen children regain their stamina and resilience and improve their learning and become more independent. We are proud of each and every child in our school for all that they have achieved this term. Well done and thank you!

Rothko	Stanley	For showing good progress in handwriting and phonics.
Mondrian	Aiden and Phoenix	They have both improved in confidence and developed their behaviours for learning. We wish them well as they move to their new school.
Matisse	Nils	Nils has made phenomenal progress this term. He has a great thirst for knowledge and shows great resilience. You have especially made progress in your writing and spelling this term! Well done.
Picasso	Lucas	For overcoming the challenge of learning EVERYTHING in a new language and for making super progress! Well done Mr Lucero!
Blake	Milly	Sometimes Milly finds it tricky to focus but the progress she has made is astounding. Keep it up Milly and make your class proud.
Shonibare	Markos	Markos has been on my 'Star of the Week' radar for some time now so I'm delighted to finally be able to give it to him. There are many reasons why Markos is my star this week but, what stands out the most, is what an amazing learning partner he is. Not only is Markos patient but he is also considerate with the way he deals with questions, always making sure his partner is on task and knows what they are supposed to be doing. Markos is a valued member of our class who always comes to school with a smile, will rise to any challenge and his bubbly personality is simply infectious. Well done Markos!
Riley	Kaitlyn	For outstanding progress in every area: academic, social, effort and attendance - we couldn't be prouder!

Times Table Challenge

We are delighted to announce that Dante D and Maya S in Year 5 Shonibare have completed our Times Tables Challenge. We are all incredibly impressed with their dedication, hard work and resilience. Congratulations on your achievement Dante and Maya, this is well deserved.

Pod Cast

Year 5 have been creating podcasts in their computing lessons. Please use the link the have a listen to what the children have to say about their school. [William-Hogarth-School-Podcast-enrbc7](http://www.williamhogarthschool.co.uk/podcast)

The William Hogarth Amazon Wish List

The Amazon Wish List has been a huge success this term with the school receiving vital resources and equipment that we would not otherwise have been able to afford. For that reason, we are going to keep the wish list going long term. You will see that as a new term starts there will be requests for resources not previously seen. Please keep checking the wish list to see what your child's class may need to enhance their learning and please consider donating anything large or small. Every little helps as they say!

You can either click on the link above, or alternatively, when you are shopping on Amazon, search for The William Hogarth Wish List and it will show you all items that we would like as a school. We may have multiple items of the same thing, so please only purchase what you can afford.

If you have had problems trying to order something and a message is displayed 'Marketplace items cannot be sent to Gift Registry addresses' you will need to add the school address in as a new address: The William Hogarth School, Duke Road, W4 2JR.

School Uniform at The William Hogarth School

Our school uniform colours are grey, white, yellow and black. Our official uniform can be purchased on-line at www.stevensons.co.uk where we have a school page set up showing our school uniform. All non-logo'd items are cheaply available at many high street stores and supermarkets. We expect every child to wear school uniform when attending school and when participating in school organised events outside normal school hours. We expect children to be wearing the correct footwear for sports and games and for all items of uniform to be labelled clearly with your child's name.

White short or long-sleeved
logo'd polo shirt

Grey logo'd 'V' neck cardigan
or jumper with double gold
stripe

Plain grey trousers, shorts,
