Messages and Updates

Reception class 2024 – This is a reminder that the deadline for September 2024 Reception Class applications is Monday 15th January 2024. Submitting a late application greatly reduces the chance of a child getting a place at the preferred school. Online applications must be made online at: www.hounslow.gov.uk/primaryadmissions

Let's Leap - Please be advised that Let's Leap have a new booking system; if you haven't done so already and need to make a booking please register again using this link;- <https://letsleapsportsacademy.magicbooking.co.uk>

Fundraising - Please copy/type in the link below on your internet browser if you would like to make a donation towards our playground. Please also share with your friends and family and those you know in the local community.

We need an extra push to make it happen!

Children's Mental Health Week - A Message from The Anti-Bullying Ambassadors On Monday 5th February - Friday 9th February it is Children's Mental Health Week! We hope you will all join us in supporting Place2Be as our chosen charity for this week.

We have created this Just Giving Page and would be thrilled if you could share this on your Google Classroom pages: <https://www.justgiving.com/page/whscmhv>

During the course of the week, we invite our peers to take part in daily mindfulness activities, stretches and class compliments. We have also picked an activity for each year group to do over the course of the week.

Last but not least, Friday 9th February will be Dress To Express Day! We want you to dress in a way that best expresses who they are. This could be a perfect princess dress or a sleepy pair of pyjamas. We are happy to see everyone in their personal dress. We are asking for a £1 donation to Place2Be (either via the Just Giving Link or in cash).

Stars of the week - WB 08.01.24

Hard-working

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Oskar	Oskar has returned from the holidays with a joyful spirit by engaging in singing. He has shown the value of hard working this week by setting good commands on the Beet-Bots for his peers to solve and using connectives in his writing. Well done, Oskar, and keep it up!
Matisse	Arla	I am so proud of the way Arla has returned to school after the holiday break. She has made some really fantastic contributions to our lessons and has helped her peers with their ideas. Well done Arla.
Picasso	Francisco Soroush	Francisco has joined our class this week and despite not speaking English fully he has tried his hardest to join in with everything we do. Well done Francisco! Soroush has joined our class this week and has been such a positive influence on us all. He has worked hard in all subjects and he made good contributions to the class. Congratulations!
Blake	Usman	Usman has returned to school after his break with a very positive attitude towards his learning. He finished last half-term very strongly and I'm delighted to see he's continued with this attitude. He is a very positive person and this is reflected in his learning. Particularly in maths, where he is doing very well and I can see how proud he is of this. His positivity is fantastic to see and it's helping himself improve!
Shonibare	Blake	This week, I have been very impressed with Blake's attitude during learning. In lessons he has shown enthusiasm to contribute to class discussions. He has made a notable effort to finish assigned tasks as well as taking on feedback to make corrections to his work. Fantastic work!
Riley	Ibrahim	This week I have noticed Ibrahim has been working so efficiently! He has really been working hard to contribute to class discussions and I have been blown away by the advanced vocabulary he has been using in his explanations. Ibrahim has been showing up ready to learn and has really inspired me this week with his desire to achieve.

SATURDAY CODING CLUBS - LATYMER UPPER SCHOOL – 13TH JANUARY 2024 – AGE 7-14+

We are happy to announce that our club at Latymer, starting January 13th, is now accepting bookings for a 4-week block for just £72! Does your child love Minecraft? Do they enjoy coding? Do they crave time at the computer? If so, join us at our Code Cadets Saturday clubs where they will meet like-minded children and allow their tech passion to flourish! We have children as young as 7 coding in text-based programming languages such as Python, HTML and JavaScript.

We are offering coding & robotics clubs in partnership with Latymer Upper School, Hammersmith. Managed by a GTC registered Computing Science teacher, sessions are led by Computer Science students from Imperial College London and UCL, who are passionate about their subject. Our children are developing advanced coding skills at a much younger age than ever before and having the time of their lives doing so.

BEYOND SCRATCH
At Code Cadets, we go beyond block coding to text-based languages such as Python and JavaScript, for children who we believe are capable and ready for the challenge. We're revolutionising the landscape of children's coding, and the outcomes have been remarkable! With our student tutors from London's top universities, we are uniquely positioned to recognise, foster, and cultivate talent at an earlier stage than ever before. Join us on this exciting journey!

- The learning pathways crafted by Code Cadets are tailored to meet the requirements of all levels of ability
- We surpass the limitations of Scratch and block coding, introducing children (some as young as 7) to the world of Python, HTML, and JavaScript
- Our tutors are Computer Science students from top universities with a passion for what they do. All are Enhanced DBS/PVG checked and trained in safeguarding and child protection measures
- Trusted by some of the largest and most respected independent schools in the UK, we also run evening/Saturday clubs and holiday camps for all

In Their Shoes: Understanding Children's Mental Health

Mondays 5.30 - 7.30
22.1.24 - 4.3.24

About the Course

This course will take place in Hounslow House (Room 1)

Parenting courses aim to help parents and carers enhance their relationship with their child, as well as a chance to share ideas with other parents and develop support skills.

On this course you will explore the world from your child's perspective. You will learn how to 'read' your child's emotions and how outside factors can influence your child's wellbeing. You will also explore how to connect with your child in a way that will support their emotional well-being and resilience.

Course Learning Outcomes

- Understand factors that may influence your child's mental health
- Understand the pressures of society and how to stay connected to your child's needs and wellbeing
- Discuss how to support your child's holistic needs and the importance of building strong attachments/connections

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course?

- To be a parent/carer
- Please collect an enrolment form from Meadowbank or Kingsley Academy or call us on 020 8583 6000

Building Security - Supporting Children's Emotional Development

Childhood Immunisation – Hounslow Public Health Team

Hounslow Public Health Team have created; Hounslow Vaccination High - the school that 'beat the bugs', a fun and friendly animation that explains in simple terms, why it is important for children to get immunised. The animation introduces the topic of herd immunity to share the importance of high overall uptake of vaccination to prevent infections spreading and explains the science behind vaccinations and their role in preventing diseases.

The video is designed to be accessible and educational, making it a valuable tool for both teachers and parents to understand the importance of immunisation.

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax -Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy! This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.
