

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

It might be cold and frosty and a bit of a pain to scrape the car windscreen in the mornings, but sunsets and sunrises have been nothing short of absolutely beautiful this week.

On a COVID front, I am pleased to report that all staff are now back at work, following some COVID related absences at the start of term. At the moment, our staff body is coping well and we are not experiencing too many challenges as a result of COVID. However, the situation is fluid and may change fairly quickly – our priority remains to ensure that as many children as possible continue to enjoy on-site learning during this period. Please do continue to support us by taking sensible precautions at home such as:

- using lateral flow tests regularly
- wearing masks when out and about
- frequent hand-washing

Some of you may remember that just prior to the initial Covid lockdown in March 2020, our Year 4 children took part in a national slam poetry competition, with prize-winners being invited to the Criterion Theatre in London to perform their poem on stage. We had two prize-winning groups who were due to perform, but unfortunately the event was cancelled as a result of lockdown restrictions. This week, one group of children (who are now in Year 6) had the joy of finally going to the Criterion to perform their poems. I am sure you will agree that this is an absolutely tremendous accolade and something that they should be incredibly proud of and will remember for quite some time. If you would like to enjoy their performance, please have a look at the website or the Twitter feed.

This week, saw the formal launch of our Satchel Pulse tool to support effective pupil, parent and staff engagement with school development priorities. I do hope that you have signed up to the platform so that you can provide your invaluable input, helping to steer our school's direction over the coming years. If you have not yet done so, please visit <https://app.satchelpulse.com/parents> and use the school ID 524687 when prompted to join the school to begin your journey.

This half term, as part of our school improvement journey, teachers will begin working on our University of Hogarth programme. This is the tool that we will build to support curriculum enrichment opportunities for every pupil to enjoy as they progress through our school – it sits within our School Development Plan for this year and will ensure that the children's curriculum offer is relevant and outstanding. I look forward to being able to provide you with further details as this is developed.

Wishing you all a wonderful weekend.

Miss Stockley

Uniformd – second hand uniform

Running this online business is such an incredible opportunity for the children, helping them to develop a range of real-life skills including building financial literacy – all whilst supporting recycling. I would definitely encourage you to have a look at the Eco-Committee’s online marketplace and take on board their message of *“Relove your stuff!”*

The online shop can be found by heading to <https://app.uniformd.co.uk/items/40>

The online shop forms part of the Eco-Committee’s strategy and action plan in working towards the internationally recognised Green Flag Award – I know you will be keen to support the children, especially as all funds raised are targeted towards improving the school playground.

As young entrepreneurs, we have the following aims:

- To help families by recycling good quality uniform items at competitive prices
- To reduce the amount of clothing ending up in landfill
- To raise funds to improve our school
- To help families by keeping homes clutter free of outgrown items
- To learn about money and running a business
- To engage children in school development

Year 5

Happy new year to everyone! Year 5, sound like they had a wonderful holiday time and have made a fantastic start to spring term! This half term we have already started to explore multiplication and division in maths and in English have delved into the book 'The Errand' by Leo LaFleur and Adam Oehlers. We have been diving into and analysing the book and even created a short setting description based on the forest.

We are developing our reasoning skills in Maths.

We are becoming gymnasts! Our first balancing lesson.

*We're happy to be inclusive for every child, and really want to help to child to become active and fit. We do have 50% off for siblings.

What you'll need:
1 tbsp olive oil, 1 onion (diced), 2 garlic cloves (chopped), 2 x 400g cans black beans, 2 tsp ground cumin, 1 tsp ground coriander, 2 tsp paprika, 2 tsp chilli powder, 8 taco shells

FOR THE GUACAMOLE:
2 avocados, 1 red chilli, 1 lime, 1 garlic clove, Coriander

FOR THE SALSA:
3 tomatoes, 1 red chilli, 1/2 small red onion, Coriander

OPTIONAL ADDITIONAL TOPPINGS:
Charred sweetcorn, vegan cheese, dairy free sour cream

What to do:
Heat oil in a pan over medium heat. Add the garlic and onion and sauté for 3 minutes. Add the drained beans and seasonings. Stir for 5-8 minutes until warmed, crushing some of the beans with the back of a spoon. Remove from heat and set aside.

TO MAKE THE GUACAMOLE:
Crush the garlic and mix with the coriander and chilli in a bowl. Add the avocados and roughly crush with a fork so that it is still a little chunky. Add the lime juice and stir through. Set aside.

TO CONSTRUCT YOUR TACOS:
Heat the taco shells according to packet instructions, stuff with your fillings and enjoy!

Make 2022 The Year of Creative Confidence For Your Child

**STAGECOACH PERFORMING ARTS CHISWICK
Every Friday & Saturday at The William Hogarth School**

Dear Parent/Carer,

At Stagecoach we teach children how to sing, dance and act, not only to perform on stage and beyond, but more importantly to perform better in life.

For over 30 years Stagecoach has seen young people gain confidence, stretch themselves and build essential life skills whilst learning the tools to sing, dance and act and most have fun! I have personally been running my schools for 22 years in Chiswick (21yrs of those at The William Hogarth School) and witnessed thousands of young people grow and flourish in life. Our schools really do make a difference!

If you are interested in joining our exceptional performing schools then come along and see how much your child can gain through Stagecoach. No experience necessary. All staff members are trained and DBS checked with up to date safeguarding training.

Students are taught in small groups with children of their own age. They will participate in three fun classes of Singing, Dancing and Acting where they will learn the following skills:

Acting, Singing, Dancing, Voice Projection, Stage Craft, Improvisation, Choreography, Memory Training, Presentation Skills, Personal Development, Character Development, Building Confidence, Learning Life Skills (not just for the stage)

Main Schools: Fridays 4.30-7.30 and Saturdays 10.00-1.00 and 2.30-5.30 for 6-16yrs

Early Stages: Fridays 4.30-6.00 and Saturdays 9.30-11.00, 11.30-1.00 & 2.00-3.30 for 4-6yrs

We very much look forward to welcoming your child/ren to Stagecoach.

Kind regards,

Sally
