STARS OF THE WEEK

Stars of the week - WB 06.01.25

Optimistic

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Yalina	Yalina has returned to school with a fantastic, positive attitude towards her learning. She eagerly takes on feedback, participates enthusiastically, and has been completing all her work to a high standard. This week, she's impressed Year 1 by confidently programming the Beetbots in computing by using her excellent sense of direction. I am optimistic Yalina will keep this up for the rest of the year. Well done!
Matisse	Stefan	Stefan has been wonderfully optimistic in his learning this week. He, along with the rest of the class have really enjoyed diving into our learning about the great fire of London. He has shown amazing participation and enthusiasm this week.
Monet	Piotr	This week back, I have been blown away by Piotr's positive attitude. He is working harder than ever before and the results are showing in his improved work. He has written some great answers in his reading work and has grasped the story of Beowulf really well in our lessons! Well done for being a ray of positivity.
Shonibare	Djem	Djem has had an incredible week. He has worked so hard on knowing his boundaries in class and is a better version of himself because of this. However, his most impressive attribute this week has been his optimism. Many times this week, he's expanded on his answers to show his understanding. He's also had his hand up constantly, and patiently waits for his turn to speak.
Riley	Nihal	Well done on such a positive and terrific beginning to the new term. You have worked so hard and contributed in all lessons with confidence. Your ideas and thoughts in our History and R.E. the lessons have been spectacular. I am very proud of you! Well done!
