

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

Thank you to all those parents who have already signed up to **Satchel Pulse** to offer feedback and support our school improvement journey. As mentioned in last week’s newsletter, **Satchel Pulse** is the powerful tool that we have launched to provide staff, parents and pupils with the opportunity of having an increasingly meaningful say on school improvement priorities. I would encourage you all to please become part of the conversation so that we can continue to reflect our community’s priorities and ambitions. I have included highlights from the most recent survey below - the highest and lowest scoring areas. As more families sign up to the feedback mechanism, the information we are able to glean will become increasingly meaningful.

To date, your responses have indicated that school is having a positive impact on how children are feeling. We place a high emphasis in school in ensuring that children’s well-being is paramount because we know that when children feel confident, happy and secure, they are much more effective and successful as learners. We recognise from your feedback that we need to do some work to improve communication with parents. This is something that we will be investigating this half term so that we keep you informed of your children’s learning and progress more effectively.

If you have not yet logged in or signed up, please do so at: <https://app.satchelpulse.com/parents> and use the school ID 524687 when prompted to join the school to begin your journey.

Communication

Parents main school communication channel is through the teachers. Encourage teachers to open the lines of communication. Parents often want to know what's happening in the classroom and how their children are faring. Ensure teachers share information about their classroom activities and projects.
Provide professional development opportunities focused on parent communication. Helping teachers understand different styles of working with parents can help them improve their strategies and skills.

× Have a wonderful weekend.

Miss Stockley

My child's wellbeing

Parents are in the best position to understand how their child is really feeling and how school life is affecting their well being.
The parents view of how they feel the school environment impacts their child is an import external perspective that can be used alongside that of the staff and the students themselves to judge the effectiveness of student well being initiatives.

Stars of the week

Class	Star(s) of the week	Description
Rothko	Sanshiro	Sanshiro is helpful to others and is always willing to listen to his friends. Thank you for being generous with your time, Sanshiro!
Mondrian	Xandria	Xandria, you have shown generosity this week by taking turns to share your thoughts and ideas in class. You have tried really hard to listen to your classmates when it is their turn to talk, and made an effort to put up your hand and wait your turn.
Matisse	Malika	Malika is a wonderful recent addition to our class. She is so kind and helpful. She has a generous heart and wants the best for everybody. Congratulations!
Picasso	Sameeha	Sameeha is generous with her time and her words, offering compliments and kind words to her classmates and teachers. She goes out of her way to make others feel good and happy.
Blake	Trang	Trang is a very generous person and friend. She is such a lovely role model for everyone with her calm nature and she is always willing to work with others and help where she can.
Shonibare	Malika	Malika is a wonderful recent addition to our class. She is so kind and helpful. She has a generous heart and wants the best for everybody. Congratulations!
Riley	Tram-Anh	Tram-Anh is someone who always amazes me with her generosity. Not only is Tram-Anh kind, friendly and lovely but she is supportive too. On many occasions I have witnessed Tram-Anh being very generous with her time and possessions. This is a great quality and we are grateful to have you in our class.

Picasso Class – Year 3

It's been so good to get back into school this term and continue our learning. Miss Rees is back too, teaching us with Ms Luciani.

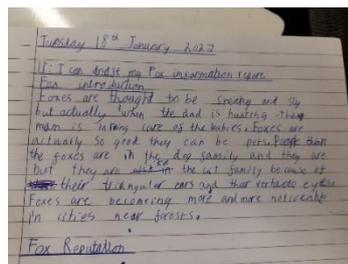

There is so much learning going on in Year 3 - in Maths we have been learning column multiplication and how to be really efficient in our method. It's been tricky but we've really got it now!

I need to work on my 8 times table to be even better

I've really got this now!

Our information reports on foxes are really coming along. We are completing our draft texts ready to edit and publish at the end of the week.

Im loving finding out about foxes-this is really interesting!

In humanities we're learning about the Shang Dynasty. It is really interesting and we can't wait to share everything we have learned about it and The Willow Pattern story, which we are doing in art, in our upcoming assembly.

Year 6

This week, Year 6 have been embracing gymnastics in P.E. Our first session this week, involved creating a routine comprising of balances. We tried to balance on different body parts (using 1-5 at a time). We also created a success criteria for an effective routine and decided it should include:

- ✓ Holding the balance for 5 seconds
- ✓ Using a partner to balance effectively
- ✓ Graceful traveling between moves
- ✓ Straight body lines
- ✓ Different levels and heights

During our English sessions this week, we have been reading 'A Story Like The Wind'. This book is about a boat of refugees fleeing a war torn country. We are really enjoying the story, although it has made us quite emotional at times. One of the areas we chose to focus on this week, was the ocean setting. We have been preparing to write our own ocean setting descriptions this week.

Uniformd – second hand uniform

Running this online business is such an incredible opportunity for the children, helping them to develop a range of real-life skills including building financial literacy – all whilst supporting recycling. I would definitely encourage you to have a look at the Eco-Committee's online marketplace and take on board their message of "*Relove your stuff!*"

The online shop can be found by heading to <https://app.uniformd.co.uk/items/40>

The online shop forms part of the Eco-Committee's strategy and action plan in working towards the internationally recognised Green Flag Award – I know you will be keen to support the children, especially as all funds raised are targeted towards improving the school playground.

As young entrepreneurs, we have the following aims:

- To help families by recycling good quality uniform items at competitive prices
- To reduce the amount of clothing ending up in landfill
- To raise funds to improve our school
- To help families by keeping homes clutter free of outgrown items
- To learn about money and running a business
- To engage children in school development

SHOP & SUPPORT

You can raise free donations to the school, without costing you a penny! Major retailers can donate to our school while you do your usual online shopping. The Friends of William Hogarth is registered as a charity in both AmazonSmile and EasyFundraising.

Here is how it works:

ST JAMES Senior Girls' School

Open Events

"The main factors behind pupils' excellent achievement are the high quality of teaching, which is intellectually rigorous, resulting in enjoyable, but often challenging lessons; and the suitability of the curriculum, which provides sufficient breadth and depth for very able pupils. As a result, pupils have extremely positive attitudes to learning and are highly self-motivated. Pupils' behaviour is impeccable, with a generally calm demeanour; the result, pupils say, of their reflective practices in school."

Independent Schools Inspectorate report 2019: "Excellent" in every area.

Our leavers' 2021 destinations include: Bristol, Cardiff, Durham, ESCP Business School, Exeter, London (King's College and UCL), Manchester, Oxford, Plymouth, Reading, St Andrews, The Art Academy, Warwick and Northwestern University in the US.

Our 2022 School in Action events will offer the opportunity to visit us on a regular school day. They will be held on the mornings of **Tuesday 18th January** and **Wednesday 4th May**. These Open Events will comprise a tour of the school, talks from the Headmistress and current pupils and an optional tour of our Sixth Form Centre.

Veganuary Tacos!

Is your family taking part in Veganuary? Or do you just want to increase veggies in your meals? Try Tacos! Quick & easy for busy parents, and loads of fun for the kids to stuff their own!

SERVES 4

What you'll need:

- 1 tsp olive oil, 1 onion (diced), 2 garlic cloves (diced), 2 x 400g cans black beans, 2 tsp ground cumin, 1 tsp ground coriander, 2 tsp paprika, 2 tsp chilli powder, 5 taco shells

FOR THE GUACAMOLE:

- 2 avocados, 1 red chilli, Lime, 1 garlic clove, Coriander

FOR THE SALSA:

- 3 tomatoes, 1 red chilli, ½ small red onion, Coriander

OPTIONAL ADDITIONAL TOPPINGS:

- Charred sweetcorn, vegan cheese, dairy free sour cream

What to do:

Heat oil in a pan over medium heat. Add the garlic and onion and sauté for 3 minutes. Add the drained beans and seasonings. Stir for 5-8 minutes until warmed, crushing some of the beans with the back of a spoon. Remove from heat and set aside.

TO MAKE THE GUACAMOLE:

Crush the garlic and mix with the coriander and chilli in a bowl. Add the avocados and roughly crush with a fork so that it is still a little chunky. Add the lime juice and stir through. Set aside.

TO MAKE THE SALSA:

Mix all of the salsa ingredients together in a bowl. Set aside.

TO CONSTRUCT YOUR TACOS:

Heat the taco shells according to packet instructions, stuff with your fillings and enjoy!

Make 2022 The Year of Creative Confidence For Your Child

STAGECOACH PERFORMING ARTS CHISWICK Every Friday & Saturday at The William Hogarth School

Dear Parent/Carer,

At Stagecoach we teach children how to sing, dance and act, not only to perform on stage and beyond, but more importantly to perform better in life.

For over 30 years Stagecoach has seen young people gain confidence, stretch themselves and build essential life skills whilst learning the tools to sing, dance and act and most have fun! I have personally been running my schools for 22 years in Chiswick (21yrs of those at The William Hogarth School) and witnessed thousands of young people grow and flourish in life. Our schools really do make a difference!

If you are interested in joining our exceptional performing schools then come along and see how much your child can gain through Stagecoach. No experience necessary. All staff members are trained and DBS checked with up to date safeguarding training.

Students are taught in small groups with children of their own age. They will participate in three fun classes of Singing, Dancing and Acting where they will learn the following skills:

Acting, Singing, Dancing, Voice Projection, Stage Craft, Improvisation, Choreography, Memory Training, Presentation Skills, Personal Development, Character Development, Building Confidence, Learning Life Skills (not just for the stage)

Main Schools: Fridays 4.30-7.30 and Saturdays 10.00-1.00 and 2.30-5.30 for 6-16yrs

Early Stages: Fridays 4.30-6.00 and Saturdays 9.30-11.00, 11.30-1.00 & 2.00-3.30 for 4-6yrs

We very much look forward to welcoming your child/ren to Stagecoach.

Kind regards,

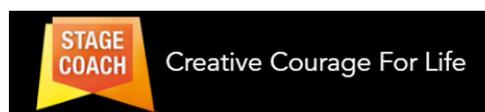

Sally
