

The Small School With The Big Heart

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from Ms Stockley

Dear Families,

The return to school in January always feels a bit of a challenge. Maybe it's because the mornings are still dark, or the weather has turned really dingy and cold. Or maybe it's because the Christmas holidays have been a whirlwind of socialising, catching up with friends and family, shopping, wrapping and celebrating. Whatever the reason, we are all firmly back in the swing of things again and holding onto our hats - believe it or not, there are only 3 weeks until the half term break!

It promises to be another jam-packed half-term with plenty in the diary to motivate even those with particularly bad cases of Januaryitis! (Yes – I did just make that up!) Trips and visits are already underway - Years 2 and 4 were in London this week enriching their History curriculum. The whole school is once again taking part in Design and Technology workshops with the Institute of Imagination – these were so popular with children and teachers last term. And today, we enjoy our first cake sale of 2024 - the Friends have plenty more fun in store for us. My key takeaway is to please keep alert to the diary for this term so that you know what is coming up to put a pep in your step.

Thank you to everyone who has completed the survey on wraparound care – we will be closing it this weekend. This will really help me to determine what childcare you need moving forwards once Let's Leap finish their work with us. If you are a regular user of Let's Leap, I will be in contact directly so that we can find a good solution moving forwards.

In the meantime, wrap up warm and take care this weekend. See you all on Monday,

Miss Stockley

Messages and Updates

Children's Mental Health Week - A Message from The Anti-Bullying Ambassadors On Monday 5th February - Friday 9th February it is Children's Mental Health Week! We hope you will all join us in supporting Place2Be as our chosen charity for this week.

We have created this Just Giving Page and would be thrilled if you could share this on your Google Classroom pages: <https://www.justgiving.com/page/whscmhw>

During the course of the week, we invite our peers to take part in daily mindfulness activities, stretches and class compliments. We have also picked an activity for each year group to do over the course of the week.

Last but not least, Friday 9th February will be Dress To Express Day! We want you to dress in a way that best expresses who they are. This could be a perfect princess dress or a sleepy pair of pyjamas. We are happy to see everyone in their personal dress. We are asking for a £1 donation to Place2Be (either via the Just Giving Link or in cash).

Fundraising

Please copy/type in the link below on your internet browser if you would like to make a donation towards our playground. Please also share with your friends and family and those you know in the local community.

<https://gofund.me/49eab2cb>

We need an extra push to make it happen!

2024 DATES FOR THE DIARY

POLICE VISITS

- ~~27.11.23 ANTI-BULLYING (KS2)~~

5 SHONIBARE	96.2%	2
6 RILEY	87.6%	1

Stars of the week - WB 15.01.24

Happy

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Louis	This week Louis has been excelling in all his learning; he is able to talk about vertebrate and invertebrate animals, accurately retell <i>The Shopping Basket</i> , and place the value of numbers 11–20 on a number line. He has been coming into school much happier and sharing it with his peers. Thank you, Louis, and keep it up!
Matisse	Romey-Mae	You are such a happy, carefree young lady, Romey-Mae that your happiness rubs off on others around you. Well done and thank you for being so involved and happy on our trip on Monday, you really made the adults very happy.
Picasso	Tonirose	Tonirose has an infectious laugh and has been a good friend to others in the playground. She has been trying hard to keep up a happy attitude since the start of the year.
Blake	Mumtas	Mumtas often has a great big smile and likes to share a joke! More often than not, she has a huge grin when I see her on the playground. She is an extremely positive person when it comes to her learning and takes huge pride in completing her work. She is an incredibly hard worker and always shows her appreciation for any help that she receives which makes me (and others) happy!
Shonibare	Haarun	Haarun has been very happy this week, He has been playing well with others. His positive attitude has also been apparent in the effort he has been putting into his work.
Riley	Trey	This week, I have picked someone that has made me very happy! They have been working so hard in a range of subjects. Trey has shown a new found confidence in maths and it is a joy to see him putting his hand up and participating so well in the lessons. Thank you for brightening up my week!

This week in Mondrian:

In reading we have been looking at *The Shopping Basket* by John Burningham. Children have enjoyed completing comprehension questions and performed a retelling in groups to each other.

In Art children were introduced to print work. They painted their hands, using only primary colours to make colourful hand prints as their base for the print work collage they'll make this term.

In science children thought about what it means to be alive, what is alive around us? The features of living things and were introduced to vertebrates and invertebrates which they will continue looking at this term.

In computing children have begun the unit, moving a robot. They have been using the Bee - Bots. to set commands and directions.

Newsletter piece by Mr Hannah – Year 3 Picasso

2024 has started with lots of interesting and fun learning. Take a look at some of our science, computing, PE and Maths lessons. We are also very excited for our upcoming experiences including a Shang Dynasty workshop, DT workshop, trip to the Natural History Museum and our Chinese New Year assembly.

In science we are learning about rocks and the fossilisation process. We really enjoyed trying to make our own fossils to bring this topic to life!

In computing we are using Lego WeDo to create physical systems that we can program using sequencing blocks.

We have been learning badminton and tennis in our PE lessons.

We have been using place value counters in maths to help us learn how to multiply a 2-digit number by a 1-digit number.

Lunch menu for week beginning 22nd January 2023

Autumn Winter Menu 2023/24 – Week One
13 Nov, 04 Dec, 1 Jan, 22 Jan, 12 Feb, 04 Mar, 25 Mar

Additional Information

Deal with dinner time distraction

Jodie Plouws,
BeeZee Bodies Nutritionist

Six quick tips

to help you set boundaries around screen time — for more enjoyable meals together and happier, healthier children:

1. Agree a daily routine with your child, so they know when meals and screen time are.
2. Set timers for screen time and be sure to stick to those boundaries.
3. Give them pre-dinner warnings, like "dinner is in 10 minutes", "5 minutes" etc.
4. Build up time away from screens - start with half the meal without and increase gradually.
5. Try to make dinner engaging - make conversation, play games or do a quiz.
6. Allow movement breaks if needed, to keep them engaged with eating without a screen.

In Their Shoes: Understanding Children's Mental Health

Mondays 5.30 - 7.30
22.1.24 - 4.3.24

About the Course

This course will take place in Hounslow House (Room 1)

Parenting courses aim to help parents and carers enhance their relationship with their child, as well as a chance to share ideas with other parents and develop support skills.

On this course you will explore the world from your child's perspective. You will learn how to 'read' your child's emotions and how outside factors can influence your child's wellbeing. You will also explore how to connect with your child in a way that will support their emotional well-being and resilience.

Course Learning Outcomes

- Understand factors that may influence your child's mental health
- Understand the pressures of society and how to stay connected to your child's needs and wellbeing
- Discuss how to support your child's holistic needs and the importance of building strong attachments/connections

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course?

- To be a parent/carer
- Please collect an enrolment form from Meadowbank or Kingsley Academy or call us on 020 8583 6000

Building Security - Supporting Children's Emotional Development

Wednesdays 5.30 - 7.30pm
24.1.24 - 6.3.24

About the Course

This will be held online.

Parenting courses aim to help parents and carers enhance their relationship with their child, as well as have a chance to share ideas with other parents and develop support skills.

This is a parenting course to support emotional attachment and security within the family.

Course Learning Outcomes

- Understand your child's emotional world by learning to read their emotional needs
- Support your child's ability to successfully manage emotions and enhance the development of their self esteem
- Honour your innate wisdom and desire for your child to be secure

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course?

- To be a parent/carer
- Please collect an enrolment form from Meadowbank or Kingsley Academy or call us on 020 8583 6000

FREE COURSE

HOME START

Richmond, Kingston and Hounslow

Charity No: 1108975

If you have some free time after, and you are a parent or grandparent (or have similar experience), you could help other families with pre-school children. Local charity Home-Start is offering a free course to train you to be a home-visiting volunteer, supporting families with difficulties such as post-natal illness, bereavement or disability. The course will run in Hounslow 9.45am-2.30pm, on Tuesdays from 30 January to 12 March (not half-term 13 Feb). After the course, you would visit and support a family for 2-3 hours a week. For more information, please contact Angie or Erin info@homestart-rkh.org.uk or 07884 536161. Registered charity no: 1108975.

Childhood Immunisation – Hounslow Public Health Team

Hounslow Public Health Team have created; Hounslow Vaccination High - the school that 'beat the bugs', a fun and friendly animation that explains in simple terms, why it is important for children to get immunised. The animation introduces the topic of herd immunity to share the importance of high overall uptake of vaccination to prevent infections spreading and explains the science behind vaccinations and their role in preventing diseases.

The video is designed to be accessible and educational, making it a valuable tool for both teachers and parents to understand the importance of immunisation.

You can watch Hounslow Vaccination High School by copying the following link in your web browser: <https://www.youtube.com/watch?v=bftSs7cIFK4>

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax -Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy! This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.

Nursery and Reception Class Information

Starting in a school nursery class in September 2024

Children born between **1 September 2020** and **31 August 2021** can take up a free, part-time place in a school nursery class from the September before their fourth birthday.

Apply directly to the Hounslow schools you want. You must send a separate application form to each school you want to apply for.

The closing date for applications is **8 March 2024**.

Please read our 'Starting in a Hounslow School Nursery in September 2024' brochure carefully before completing your application.

Download the application form and brochure from our website www.hounslow.gov.uk/nurseryadmissions

Key Dates

1 January 2024

Application forms are available directly from Hounslow schools or www.hounslow.gov.uk/nurseryadmissions

8 March 2024

Closing Date for applications to be submitted to Hounslow schools.

by 3 May 2024

Parents will be sent a letter from the Headteacher with the outcome of their application by 3 May 2024.
