

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

This week, we have seen an increased number of pupils testing positive for COVID-19. Just a few reminders about ways that you can help us ensure that we can maintain consistent on-site learning for all year groups:

- minimise unnecessary contacts
- maintain regular hand-washing / sanitising
- use lateral flow tests regularly

Mr Berriman and myself attended the Sport Impact Conference this week. We were delighted to note that some of the initiatives proposed, such as optimism and mindset, daily exercise benchmarks and gratitude, are already embedded at our school. As you might expect, we did leave full of ideas for where we can make improvements; these include investigating the role that children can play as playground leaders, ensuring that we take a holistic, well-rounded view of health to include nutrition, and extending PE into the home learning projects. Mr Berriman was thrilled to have the opportunity to hear Mo Farah speak about his experience as a Hounslow pupil and how every child deserves to have their inner champion unleashed.

And finally, a quick reminder to sign up for Satchel Pulse if you have not already done so. This really is your way to play an active role in school improvement by providing ongoing feedback.

If you have not yet logged in or signed up, please do so at:

<https://app.satchelpulse.com/parents>

ID: 524687

Based on your responses to date, we are already exploring ways to improve our communication with you, specifically exploring how we can be even more effective at letting you know about your child's learning.

Wishing you all a wonderful weekend.

Miss Stockley

Early Years News

24th January 2022

Early years have been learning about farm animals and exploring related stories.

We watched chicks hatch.

We handled them carefully.

We learned about bridges and designed our own

We explored weight using balancing scales.

We made and compared tower heights.

We explored animals on the farm.

We learned about numbers 6,7 and 8.

We made houses for the three little pigs.

Uniformd – second hand uniform

Running this online business is such an incredible opportunity for the children, helping them to develop a range of real-life skills including building financial literacy – all whilst supporting recycling. I would definitely encourage you to have a look at the Eco-Committee’s online marketplace and take on board their message of *“Relove your stuff!”*

The online shop can be found by heading to <https://app.uniformd.co.uk/items/40>

The online shop forms part of the Eco-Committee’s strategy and action plan in working towards the internationally recognised Green Flag Award – I know you will be keen to support the children, especially as all funds raised are targeted towards improving the school playground.

As young entrepreneurs, we have the following aims:

- To help families by recycling good quality uniform items at competitive prices
- To reduce the amount of clothing ending up in landfill
- To raise funds to improve our school
- To help families by keeping homes clutter free of outgrown items
- To learn about money and running a business
- To engage children in school development

"The main factors behind pupils' excellent achievement are the high quality of teaching, which is intellectually rigorous, resulting in enjoyable, but often challenging lessons; and the suitability of the curriculum, which provides sufficient breadth and depth for very able pupils. As a result, pupils have extremely positive attitudes to learning and are highly self-motivated. Pupils' behaviour is impeccable, with a generally calm demeanour, the result, pupils say, of their reflective practices in school."

Independent Schools Inspectorate report 2019: 'Excellent' in every area.

Our leavers' 2021 destinations include: Bristol, Cardiff, Durham, ESCP Business School, Exeter, London (King's College and UCL), Manchester, Oxford, Plymouth, Reading, St Andrews, The Art Academy, Warwick and Northwestern University in the US.

Make 2022 The Year of Creative Confidence For Your Child

STAGECOACH PERFORMING ARTS CHISWICK Every Friday & Saturday at The William Hogarth School

Dear Parent/Carer,

At Stagecoach we teach children how to sing, dance and act, not only to perform on stage and beyond, but more importantly to perform better in life.

For over 30 years Stagecoach has seen young people gain confidence, stretch themselves and build essential life skills whilst learning the tools to sing, dance and act and most have fun! I have personally been running my schools for 22 years in Chiswick (21yrs of those at The William Hogarth School) and witnessed thousands of young people grow and flourish in life. Our schools really do make a difference!

If you are interested in joining our exceptional performing schools then come along and see how much your child can gain through Stagecoach. No experience necessary. All staff members are trained and DBS checked with up to date safeguarding training.

Students are taught in small groups with children of their own age. They will participate in three fun classes of Singing, Dancing and Acting where they will learn the following skills:

Acting, Singing, Dancing, Voice Projection, Stage Craft, Improvisation, Choreography, Memory Training, Presentation Skills, Personal Development, Character Development, Building Confidence, Learning Life Skills (not just for the stage)

Main Schools: Fridays 4.30-7.30 and Saturdays 10.00-1.00 and 2.30-5.30 for 6-16yrs

Early Stages: Fridays 4.30-6.00 and Saturdays 9.30-11.00, 11.30-1.00 & 2.00-3.30 for 4-6yrs

We very much look forward to welcoming your child/ren to Stagecoach.

Kind regards,

Sally
