Messages and Updates

Children's Mental Health Week - A Message from The Anti-Bullying Ambassadors On Monday 5th February - Friday 9th February it is Children's Mental Health Week! We hope you will all join us in supporting Place2Be as our chosen charity for this week.

We have created this Just Giving Page and would be thrilled if you could share this on your Google Classroom pages: <https://www.justgiving.com/page/whscmhwh>

During the course of the week, we invite our peers to take part in daily mindfulness activities, stretches and class compliments. We have also picked an activity for each year group to do over the course of the week.

Last but not least, Friday 9th February will be Dress To Express Day! We want you to dress in a way that best expresses who they are. This could be a perfect princess dress or a sleepy pair of pyjamas. We are happy to see everyone in their personal dress. We are asking for a £1 donation to Place2Be (either via the Just Giving Link or in cash).

Fundraising

Please copy/type in the link below on your internet browser if you would like to make a donation towards our playground. Please also share with your friends and family and those you know in the local community.

Stars of the week - WB 22.01.24

Optimistic

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Anna	Anna has hugely improved her attitude towards learning this week; she has been opening up and sharing her ideas in poetry writing. She has remained optimistic and resilient despite all the changes. Well done, Anna; you should be proud of yourself!
Matisse	Eden	This week in Year 2, Eden has demonstrated such persistence and tenacity in his learning. He has kept going even when his learning has challenged him and has offered his peers assistance with their learning. You are such a credit to our class. Thank you for all of your hard work.
Picasso	Lucas	Lucas has grown in optimism this week. Especially in writing Lucas has remained positive to complete his work. He has shown lots of interest in our new history learning and he is fantastic to have in my film club!

Blake	Liliana	Liliana has had a very optimistic outlook on her learning recently. Particularly in maths where we are learning division. Although it's been a really tricky topic, Liliana has stuck with it and she is now excelling. I've seen a positive shift in Liliana's optimism recently which is really great to see.
Shonibare	Maryam	I want to celebrate Maryam for her outstanding optimism. Your positive attitude and determination to succeed is evident in the work you are producing and your participation in class discussions. This week I've seen you go from being nervous about division to being a super mathematician who is able to even help others.
Riley	Hidayah	It is so wonderful to have a child like Hidayah in my class. Not only is she full of joy and optimism but she spreads that cheer to others. Her hunger to learn inspires others and she is always positive when encountering new challenges. Well done Hidayah!

Deal with dinner time distraction

Jodie Plows,
BeeZee Bodies Nutritionist

Six quick tips

to help you set boundaries around screen time — for more enjoyable meals together and happier, healthier children:

1. Agree a daily routine with your child, so they know when meals and screen time are.
2. Set timers for screen time and be sure to stick to those boundaries.
3. Give them pre-dinner warnings, like "dinner is in 10 minutes", "5 minutes" etc.
4. Build up time away from screens - start with half the meal without and increase gradually.
5. Try to make dinner engaging - make conversation, play games or do a quiz.
6. Allow movement breaks if needed, to keep them engaged with eating without a screen.

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax -Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!
This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.
