Mondrian Class Newsletter

Spring 1

Our Hogarth value this week is resilience, and in Mondrian class we have been discussing how we can be resilient during lessons by learning from our mistakes and persevering through challenges.

During story time we have listened to some beautiful stories with powerful messages. We spoke about the characters in these stories and how they showed compassion, kindness and resilience through their actions.

In Computing we have been using the Bee-Bots, together identifying what each command does and using our knowledge to predict the outcome of programs. This week we have used left and right commands as well as forwards and backwards commands. We have worked as a group to try and predict the outcome of our sequences.

Year 4

What a great half term it has been so far in year 4. Everyone has put so much effort into their learning and is progressing so well!

This half-term we have had some amazing opportunities to be active and creative. We are very lucky to have Duke's Meadow tennis coaches delivering tennis sessions every week. Also, everyone has taken part in creating Anglo-Saxon houses in art too.

Second Hand Uniform Request

As we are coming to the half term you may be thinking about replacing some of your child's school uniform ready for Spring 2. Please remember that the school would be very grateful to receive any old uniform or PE kits that are in good condition. We would also be glad to receive any dark blue or black tracksuits without the school logo that could be used by children in PE lessons.

Thank you very much!

Miss Rees

Uniformd – second hand uniform

Running this online business is such an incredible opportunity for the children, helping them to develop a range of real-life skills including building financial literacy – all whilst supporting recycling. I would definitely encourage you to have a look at the Eco-Committee's online marketplace and take on board their message of "***Relove your stuff!***"

The online shop can be found by heading to <https://app.uniformd.co.uk/items/40>

The online shop forms part of the Eco-Committee's strategy and action plan in working towards the internationally recognised Green Flag Award – I know you will be keen to support the children, especially as all funds raised are targeted towards improving the school playground.

As young entrepreneurs, we have the following aims:

- To help families by recycling good quality uniform items at competitive prices
- To reduce the amount of clothing ending up in landfill
- To raise funds to improve our school
- To help families by keeping homes clutter free of outgrown items
- To learn about money and running a business
- To engage children in school development

"The main factors behind pupils' excellent achievement are the high quality of teaching, which is intellectually rigorous, resulting in enjoyable, but often challenging lessons, and the suitability of the curriculum, which provides sufficient breadth and depth for very able pupils. As a result, pupils have extremely positive attitudes to learning and are highly self-motivated. Pupils' behaviour is impeccable, with a generally calm demeanour; the result, pupils say, of their reflective practices in school."

Independent Schools Inspectorate report 2019: 'Excellent' in every area.

Our leavers' 2021 destinations include: Bristol, Cardiff, Durham, ESCP Business School, Exeter, London (King's College and UCL), Manchester, Oxford, Plymouth, Reading, St Andrews, The Art Academy, Warwick and Northwestern University in the US.

Make 2022 The Year of Creative Confidence For Your Child

STAGECOACH PERFORMING ARTS CHISWICK Every Friday & Saturday at The William Hogarth School

Dear Parent/Carer,

At Stagecoach we teach children how to sing, dance and act, not only to perform on stage and beyond, but more importantly to perform better in life.

For over 30 years Stagecoach has seen young people gain confidence, stretch themselves and build essential life skills whilst learning the tools to sing, dance and act and most have fun! I have personally been running my schools for 22 years in Chiswick (21yrs of those at The William Hogarth School) and witnessed thousands of young people grow and flourish in life. Our schools really do make a difference!

If you are interested in joining our exceptional performing schools then come along and see how much your child can gain through Stagecoach. No experience necessary. All staff members are trained and DBS checked with up to date safeguarding training.

Students are taught in small groups with children of their own age. They will participate in three fun classes of Singing, Dancing and Acting where they will learn the following skills:

Acting, Singing, Dancing, Voice Projection, Stage Craft, Improvisation, Choreography, Memory Training, Presentation Skills, Personal Development, Character Development, Building Confidence, Learning Life Skills (not just for the stage)

Main Schools: Fridays 4.30-7.30 and Saturdays 10.00-1.00 and 2.30-5.30 for 6-16yrs

Early Stages: Fridays 4.30-6.00 and Saturdays 9.30-11.00, 11.30-1.00 & 2.00-3.30 for 4-6yrs

We very much look forward to welcoming your child/ren to Stagecoach.

Kind regards,

Sally
