*We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential*

### **Messages and Updates**

**Swimming Towels needed** - Do you have any spare towels you could donate to the school to give to children who have forgotten their kit?

Likewise do you have any unused kit for boys and girls suitable for years 4-6?

Finally do you have swimming hats like these in the picture you don't remember buying? We had 10 of each but almost all have been mistakenly taken home. If you do, please send them in to us.

Many thanks  
Peter Harpley

## **Free School Meals "Sign up" Campaign**

Dear Parents

As we are all aware, school budgets are stretched and we are always looking for ways to increase our resources in our school so that we can provide the best possible educational experience for your child. This may include trips and clubs.

One of the easy ways you can help us, every family, is to check if you are eligible for Free School Meals by accessing this link: [https://www.hounslow.gov.uk/info/20025/schools\\_and\\_colleges/61/free\\_school\\_meals](https://www.hounslow.gov.uk/info/20025/schools_and_colleges/61/free_school_meals)

Your child may be able to get free school meals if you get any of the following:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Please note that part of school funding is based on how many families receive free school meals. If we can increase the numbers, we increase our funding eligibility. Simple!!!

If you have any queries, or worries, please contact Mrs Luciani or Mrs Henry in the office. We promise it is a quick and easy process! And your child will benefit!

**Careers Volunteer Opportunity** - Following the success of the Careers Day last year, the William Hogarth School and the PTA are jointly arranging a Careers Day on [Tuesday 5th March, from 1pm - 3.30pm](#).

**Get Involved:** We are looking for parent volunteers for the event in school by speaking to pupils about their experiences of the world of work. If you have other friends, relatives or colleagues who would like to volunteer then they we would love to hear from them too. We would love to have volunteers to represent as many different professions as possible to inspire pupils to explore possible career options they had never considered before!

If you would like to learn more then please contact Paul Carlisle (07981 577886 or [p.b.carlisle@gmail.com](mailto:p.b.carlisle@gmail.com)) and include:

- Your name, email address and phone number
- Job title and Job sector
- Which age groups you would be happy to speak with (Early Years, KS1, KS2, all)

We really appreciate your engagement in our work to inspire our children to aim high.

## **Resilient**

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Sofia	Sofia has been working independently more this week and showed resilience by completing all her work to the best of her ability. She has even been encouraging her peers to try their best. Sofia was extremely well behaved throughout our visit to London Zoo, despite it being such a long and engaging day. Well done!
Matisse	Aniyah	Aniyah has come back from half term with a positive attitude. She has shown resilience in her school life this week as it has been very busy and different, including working hard in her maths lessons.
Picasso	Tonirose	Tonirose has been super resilient this week. She has been able to explain the progress she has made in maths when learning about fractions. She has stayed positive and not given up easily. Well done!
Blake	Usman	I have been really proud of Usman recently. He has shown great resilience in his learning, particularly in maths where he is shining at the moment. He has shown me that he can work efficiently which has helped both him and his partner's progress. He also became the first Guardian of the Wild in our class by completing all of the required tasks at home before anyone else!
Shonibare	Nihal	Having joined the school recently it has been wonderful seeing Nihal settle into life at William Hogarth. She has shown resilience in making and maintaining friendships and also in her school work. This week it has been great to see act on feedback and making the effort to improve her work.
Riley	Lucas	This week, I have been so impressed with Lucas! He has been feeling quite unwell but he has battled to make it to school. He had a day off and came in and caught up on all his missed learning- homework in hand - ready to be marked! Well done Lucas.

**This week in Mondrian:**

KS1 visited London Zoo and attended the 'Vets in Action' workshop. They completed role-play tasks such as how an endangered crocodile's health is checked and learned how to look after an injured lion.

### Deal with dinner time distraction

Jodie Pious, BeeZee Bodies Nutritionist

#### Six quick tips

to help you set boundaries around screen time — for more enjoyable meals together and happier, healthier children:

1. Agree a daily routine with your child, so they know when meals and screen time are.
2. Set timers for screen time and be sure to stick to those boundaries.
3. Give them pre-dinner warnings, like "dinner is in 10 minutes", "5 minutes" etc.
4. Build up time away from screens - start with half the meal without and increase gradually.
5. Try to make dinner engaging - make conversation, play games or do a quiz.
6. Allow movement breaks if needed, to keep them engaged with eating without a screen.

## Financial Help

### **Free Money for Childcare and After-School Clubs and Holiday Camps**

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

**Tax-Free Childcare** which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy! This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.
