We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Well done to everyone! The William Hogarth School recorded 100% attendance on Monday 26th February.

Messages and Updates

KS1 Maths competition

Huge congratulations to the children in Year 1 and 2 who took part in the arithmetic competition on Wednesday.

Our school did so well that we qualified for the final which was held today. KS1 must have been practicing so much to do so well.

Certificates have been handed out and the children should feel so proud of themselves. Well done!

Thank you,

David

Club Sporters

Keep an eye out for the Club Sporters **FREE TRIAL** W/C 11th March.

This will be for new bookings to allow children that have not experienced a session as yet to attend for free. Parents will be able to book a slot online next week.

Swimming Towels needed

Do you have any spare towels you could donate to the school to give to children who have forgotten their kit?

Likewise do you have any unused kit for boys and girls suitable for years 4-6?

Finally do you have swimming hats like these in the picture you don't remember buying? We had 10 of each but almost all have been mistakenly taken home. If you do, please send them in to us.

Dangers of Meningitis and Septicaemia

Last week I was very saddened to hear of a fatal case of meningitis over the February half term of a Year 2 pupil in a school in Ealing.

This is a school that I work closely with and the whole community were deeply shocked and heartbroken by the news.

To raise awareness, please read the poster and familiarise yourself with the symptoms. Your child does not need to be showing all of these symptoms for you to be concerned.

If you are unsure, call 999 and seek professional help.

Miss Rees.

Free School Meals

Free School Meals "Sign up" Campaign

Dear Parents

As we are all aware, school budgets are stretched and we are always looking for ways to increase our resources in our school so that we can provide the best possible educational experience for your child. This may include trips and clubs. One of the easy ways you can help us, every family, is to check if you are eligible for Free School Meals by accessing this link: https://www.hounslow.gov.uk/info/20025/schools_and_colleges/61/free_school_meals

Your child may be able to get free school meals if you get any of the following:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Please note that part of school funding is based on how many families receive free school meals. If we can increase the numbers, we increase our funding eligibility. Simple!!!

If you have any queries, or worries, please contact Mrs Luciani or Mrs Henry in the office. We promise it is a quick and easy process! And your child will benefit!

Fundraising

Please copy/type in the link below on your internet browser if you would like to make a donation towards our playground. Please also share with your friends and family and those you know in the local community.

Stars of the week - WB 26.02.24

Together

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Georgia	<p>Georgia shows togetherness through her enthusiasm for partner or group work. She has worked hard with her group to make moulds of different types of animal teeth. Georgia was also together when trying to gain points for the KS1 arithmetic contest.</p> <p style="text-align: center;">Thank you, and well done, Georgia.</p>
Matisse	Whole Class	I am so proud of Year 2 as they have worked super hard and together in the KS1 Arithmetic competition. Well done to all the children, you have been so fantastic.
Picasso	Muniba	Muniba is an amazing friend to have in the class. She is excellent at sharing and can work well with anybody. This week Muniba shared her interests with the class and was the first to complete the generation's wild activities. Thank you so much for your incredible positive attitude and for making our class a better place!
Blake	Yasmin	Yasmin is a wonderful example of a team player! She works incredibly well with every single person in the class and she is a kind and caring friend. She can take many different roles in group work and also takes pride in including everyone on the playground. She is an important part of the class's close togetherness as a whole.
Shonibare	Nils	Nils is a great team player. No matter who he is working with he always puts his best ideas forward and encourages everyone to come up with something great. This week I've seen him collaborate, listen and share ideas with others particularly on our trip but also in the classroom.
Riley	Bruke	This week, I have been thinking a lot about what makes my class special. One of the many things is a sense of team spirit. Bruke is the epitome of a team player. Nothing brings me more happiness than to see my class working together and at the centre of that you will often find Bruke. Bruke approaches his learning with an enthusiasm that is contagious and whoever is working with Bruke soon develops that 'can do' attitude too! Well done Bruke.

Deal with dinner time distraction

Jodie Pious, BeeZee Bodies Nutritionist

Six quick tips

to help you set boundaries around screen time — for more enjoyable meals together and happier, healthier children:

1. Agree a daily routine with your child, so they know when meals and screen time are.
2. Set timers for screen time and be sure to stick to those boundaries.
3. Give them pre-dinner warnings, like "dinner is in 10 minutes", "5 minutes" etc.
4. Build up time away from screens - start with half the meal without and increase gradually.
5. Try to make dinner engaging - make conversation, play games or do a quiz.
6. Allow movement breaks if needed, to keep them engaged with eating without a screen.

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax-Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy! This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.
