End of term swimming update - Peter Harpley

As we reach the end of the Spring term (where did that one go?) we need to give the children the greatest congratulations for the progress they have made. Two weeks ago, 3 of the 4 groups did their water safety, life-saving and self-rescue introduction which is one of the three elements required by the National Curriculum. Our top swimmers, the Sharks are all progressing with some of them at club level. The Dolphins are following the Sharks very closely behind becoming more and more confident at deep water swimming with Sting Rays having their first experience of deep end swimming with a float, and likewise even our newest swimmers, the Jellyfish all climbing the deep end. All this helps them to gain in confidence with every single child now managing to lift their feet off the ground which is huge step.

Next term we will be thrilled to be starting our year 3 children in their swimming lessons. If you can - in the holidays, please try and take your children to the local swimming pool. It's the best fun ever and tremendous exercise.

Bentley Photographic

Class photos are ready to be ordered. The web link for you to process your orders was sent earlier this week and there is a free delivery offer to school for orders made by 26/03/2024.

If you require any assistance with your orders, please contact Bentley Photographic via email at support@bentleyphoto.com who will be able to help.

Nitty Gritty

Head lice can be incredibly frustrating to deal with especially if it reoccurs. Nitty Gritty is an award winning company and they have kindly given us **20% off ALL PRODUCTS!**

Please take some time to look at their website: <https://www.nittygritty.co.uk/>

The information they provide is incredibly useful and informative. The website explains the 3 stage life cycle and top tips on how to check, treat and prevent head lice and much more.

Dolce Senso Baking Academy

We are hiring!

We're excited to announce that we're expanding our team here at Bake N Play! As our business continues to grow, we're on the lookout for enthusiastic individuals to join us as teachers and assistants.

At Bake N Play, one of our core values is to create opportunities within our community, and that's why we're reaching out to you first. If you have a passion for cooking or baking and enjoy working with children, we'd be thrilled to have you on board! Feel free to reach out to us directly, or even share our details with friends who might be interested.

Our new clubs for the upcoming term will be held in Acton. We can't wait to welcome new faces to our team and continue spreading the joy of baking and creativity with children in our community.

BAG 2 SCHOOL

FREE FUNDRAISING FOR SCHOOLS

In partnership with your school or organisation

William Hogarth Primary School

Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and you will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

By using this paper leaflet we are helping to reduce unnecessary extra plastic. Please use your own bag or bags (there is no limit). The leaflet is FSC accredited, please recycle it.

When the clothes have been removed from the bag the plastic will be packed and sent for recycling.

We are collecting good quality items for RE-USE:

Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories.

(No uniforms, workwear, pillows, duvets or pieces of fabric please)

The more we weigh the more we pay!

Extra bags are welcome - there's no limit

Please return your Bag2School on:

Stars of the week - WB 18.03.24

Optimistic

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Anthony	Anthony has been optimistic this week by doing his best to keep up with his daily reading. He has been sharing how proud he is of what he has been doing! This week, Anthony attended the KS1 dance festival and had a smile throughout the event, really enjoying himself. Well done, Anthony, and keep it up!
Matisse	Runa	Runa, you always have a positive and cheerful attitude, even when faced with difficult or new tasks. I am so proud of how your optimism and enthusiasm ensures that you are successful, especially at the KS1 dance festival. Well done for being so optimistic and working hard.
Picasso	Piotr	Piotr always looks at things in an optimistic light. He is very good at treating mistakes as learning opportunities. Piotr makes an amazing positive impact on the class.
Blake	Elia	Elia could win star of the week every week. She has the most amazing attitude towards her learning and towards others. She remains positive in everything she does and most importantly, she spreads this positivity around the classroom. She walks into the classroom with a smile every day and is ready to learn!
Shonibare	Blake	Blake has shown a lot of optimism this week. During maths, you being unphased when you answered a question wrong, instead you tried again and again because you believed in your abilities to grasp the concepts. Fantastic mindset!
Riley	Harrison	Harrison has been so optimistic this week! He has been to visit a potential secondary school and came back eager to tell us all about it. He has been working so well in his Maths group and supporting his peers. I am optimistic that Harrison will continue to impress!

This week in Mondrian:

In Art, Year 1 have been continuing their exploration of watercolour paint and used the changing season as inspiration for their latest art work.

This week in science, we have been focusing on the sense of sight. Children tested each other's peripheral views by writing three-letter words on different coloured shapes of paper. They tested both their left and right eyes and recorded down what they saw first: the word, colour of paper, or shape.

They then made their own Newton Wheel, tested out if they could still see all the colours when spinning, and explored why. They also had fun looking at optical illusions and describing what they could see.

NFL/American football tournament

Some of the Years 5 and 6 children had the opportunity to take part in an American football tournament on Friday at the Grasshoppers Rugby and FC. They showed great motivation and determination throughout the competition and they came 4th of 10 schools which is excellent!

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax -Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy! This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.

FSM - Free School Meals

Free School Meals "Sign up" Campaign

Dear Parents

As we are all aware, school budgets are stretched and we are always looking for ways to increase our resources in our school so that we can provide the best possible educational experience for your child. This may include trips and clubs.

One of the easy ways you can help us, every family, is to check if you are eligible for Free School Meals by accessing this link: https://www.hounslow.gov.uk/info/20025/schools_and_colleges/61/free_school_meals

Your child may be able to get free school meals if you get any of the following:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Please note that part of school funding is based on how many families receive free school meals. If we can increase the numbers, we increase our funding eligibility. Simple!!!

If you have any queries, or worries, please contact Mrs Luciani or Mrs Henry in the office. We promise it is a quick and easy process! And your child will benefit!

HAF – Holiday Activity Food Programme

Families with children living in the borough who are aged between 5 and 16 years and entitled to benefit related free school meals, can attend the Holiday Activity and Food Programme (HAF) activities for free. When families are registered for benefits related free school meals, they will automatically receive their voucher/s to book (pictured).

Funded by Department for Education, HAF in Easter will be delivered by experienced providers with fun and enriching activities featuring sports and games, cooking, computing coding, music, arts and crafts, circus skills and so much more taking place across the borough. Children can take part in some activities for the celebration of the Easter, Ramadan and Eid. Eligible children can attend four sessions from 2 to 12 April and enjoy a free, nutritious meal every day. Children who are fasting for Ramadan are encouraged to come along and each provision will be able to adapt to the child's needs.

All the HAF activities information for Easter and support for booking can be found on [Hounslow Family Service Directory HAF programme website](#).

Hounslow HAF can be contacted at HAF@hounslow.gov.uk

Lampton Leisure expands HAF programme to all Hounslow leisure centres

Following the success of Lampton Leisure's Holiday Activities and Food (HAF) programme at Brentford Fountain Leisure Centre and Hanworth Air Park Leisure Centre over the past two years, the holiday camp offer is being expanded to all Hounslow leisure centres. The extension of the HAF programme forms part of Lampton Leisure's ongoing commitment to offer the local community improved access to health and wellbeing services.

Lampton Leisure's HAF sessions provide eligible children with access to free and engaging activities including swimming, tennis, dodgeball and fun team challenges such as 'drop the egg'. Sessions last four hours each and attending children also receive a healthy meal.

Lampton Leisure has run 14 weeks worth of HAF sessions since first launching the programme in April 2022 and last year the business was selected as a regular HAF provider. Welcoming 66 participants in its first camp, Lampton Leisure's holiday programmes have grown rapidly with 126 participants attending the sessions over the Christmas holidays. By extending the HAF programme to all six of its leisure centres, Lampton Leisure will improve access to sessions for children across the borough.

Parents of children who have attended previous Lampton Leisure holiday camps have shared overwhelmingly positive feedback about the programme. One said: "Everyone is friendly and I can see a big change in my daughter's confidence and motivation in sports and socially. I really appreciate the coaches and can't wait to bring my daughter back."

Rowland Omamor, Managing Director of, Lampton Leisure, said: "By expanding our HAF programme to all six of our sites, we are helping more children in Hounslow to stay active and develop new skills in line with our commitment to deliver better health and wellbeing outcomes for the community. With a broad range of fun and confidence-building sessions and nutritious meals on offer, we are supporting healthier lifestyles while providing children with the opportunity to participate in activities that they may not otherwise have access to."

Parents in receipt of a qualifying benefit are encouraged to apply for HAF for their children attending reception to year 11 who receive benefit-related free school meals. All claims should be verified by the school or local authority.

To find out more about upcoming holiday camps contact Jonathan Barbour, Sports and Community Development Officer at Lampton Leisure at jonathan.barbour@lampton360.co.uk

New Football for Women in Chiswick. No Experience necessary. MONDAY evenings 7.30-8.30pm.

Chiswick & Kew Swans FC offers women in the area the chance to learn or return to football in a welcoming environment. The sessions are open to women aged 18 to 81+ with no previous experience necessary.

Although the growth of female football continues to accelerate, most females over the age of 25 never had the same chances to play and participate as are available today. Therefore, the aim of the Swans football programme is to provide an opportunity for this age group to play and help reduce the risk of this group becoming a lost generation.

Swans FC was initially piloted in Twickenham and now regularly attracts close to 50 players over its two weekly sessions on Tuesday and Thursday evenings. The sessions attract a broad spectrum of players including women who have never played before and women who have played before but dropped out of the sport due to changes in lifestyle and life stage and parents of youth footballers keen to better understand the game their children play and / or to help support their knowledge of the game as managers and coaches.

The sessions are welcoming and inclusive with the emphasis on keeping fit, meeting friends and having fun. Due to the early success of this, the ambition for Swans FC is to expand to neighbouring areas with the new session in Chiswick now open on Monday evenings. Details:

Childhood Immunisation – Hounslow Public Health Team

Hounslow Public Health Team have created; Hounslow Vaccination High - the school that 'beat the bugs', a fun and friendly animation that explains in simple terms, why it is important for children to get immunised. The animation introduces the topic of herd immunity to share the importance of high overall uptake of vaccination to prevent infections spreading and explains the science behind vaccinations and their role in preventing diseases.

The video is designed to be accessible and educational, making it a valuable tool for both teachers and parents to understand the importance of immunisation.

World Oral Health Day - 20 March 2024

World Oral Health Day

Maintaining good oral health is important at every stage of your life. No matter what age you are, caring for your mouth and looking after your oral health is important. A lesser-known fact is that poor oral health is associated with increasing your risk of developing other serious health conditions such as heart disease or diabetes.

Good oral hygiene habits should be set from a young age. We encourage parents and caregivers to take their children to the dentist and teach them how to care for their teeth and gums.

As you go through life, you should continue to brush your teeth twice a day and floss between your teeth. Cut down on sugar and continue to go for your regular dental check-ups.

The British Society for Paediatric Dentistry has worked with Dr Ranj to produce a series of helpful videos on how to look after your teeth.

Visit: www.bspd.co.uk/Kidsvids

Prevention is key: Brush twice a day with fluoride toothpaste, reduce sugar and don't forget to visit the dentist.

The NHS website has lots of useful information about how to look after your teeth and gums:

Dangers of Meningitis and Septicaemia

Recently, I was very saddened to hear of a fatal case of meningitis over the February half term of a Year 2 pupil in a school in Ealing.

This is a school that I work closely with and the whole community were deeply shocked and heartbroken by the news.

To raise awareness, please read the poster and familiarise yourself with the symptoms. Your child does not need to be showing all of these symptoms for you to be concerned.

If you are unsure, call 999 and seek professional help.

Miss Rees.
