

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

Welcome back everyone! I hope you all enjoyed a wonderful Easter break and managed not to eat too much chocolate.

Easter is the holiest and most important festival for members of our community who are Christian and, as we return to school, I know that our Muslim community will be celebrating what is for them the holiest time of the year– the month of Ramadan. For me, this represents one of the most wonderful things about our school and our community – our diversity is an absolute blessing; we have so much to offer each other and so much to learn from each other. It gives me enormous hope for the future when I watch the children learning and at play, behaving with incredible respect, openness and admiration for each other.

The children have settled back into school again very well this term and are busy with the business of learning. We have had a few challenges to face, with a number of staff being unwell as the term started, but I hope that from your perspective, things have continued seamlessly.

As a school, we are taking part in the Sustrans Big Pedal event which promotes walking, cycling or scooting to school where possible. Elsewhere in the newsletter there is some information about how families can participate in this event. I am proud to say that as of today, we are ranked 4th in London and 40th nationally. Well done! Let’s see if we can improve our rankings next week. At the end of the month, 30th April, we will be enjoying a mufti day to celebrate our Big Pedal efforts and will also be joining the country in completing a daily mile together. We would ask that the children bring in a £1 donation which the school council will use to purchase items for the playground that encourage fit and active playtimes. The school councillors will be asking their classmates for ideas and preferences, before putting together their order.

Wishing you all a lovely weekend.

Miss Stockley

Stars of the week

WB: 19th April 2021

To all our stars, it is great to notice your generosity towards others.

Well done and keep it up.

Class	Star(s) of the week	Description
Rothko	Emilia	For being generous and kind to your friends and always doing your best to help your teachers. Well done Emilia!
Mondrian	Leandra	Leandra is always willing to give her peers a helping hand when needed. She is also a great example to the rest of the class at tidy-up time. Thank you Leandra for being generous and helping out your friends and teachers!
Matisse	Tu Anh	Tu Anh is always extremely kind on the playground and is very aware of how she can make her friends feel happy!
Picasso	Ollie	Ollie treats everyone with respect and in turn receives lots of positive attention. Well done Ollie, you're a great example.
Blake	Sophie	Sophie's poise is admirable! She is always generous when completing her work and with her friends both in the class and outside during playtime. Well done!
Shonibare	Patryk	For always being generous with his time and sharing his knowledge as well as being a great friend to his peers and adults.
Riley	Tommy	Tommy is not only generous with his time and help amongst his classmates but he has also been kind, generous and extremely helpful towards Miss Brophy as she has settled into her new role in a new school.

Year 5

Year 5 have made a creative start to the summer term. All of the children have been engaged and enthusiastic in creating our own garden in the back playground. We have begun by making a compost heap and an insect habitat. The children have brought in so many nice plants, seeds and items for our garden area. We will be continuing to create a space over the term which is colourful and hopefully create a space where we can be calm and enjoy the nice weather.

We have also, already dived into our history topic 'Middle East' which coincides nicely with our Art topic 'Islamic Art'. We are enjoying learning about the Middle East in the past and using our knowledge of shapes to create mosaics in art. We are hoping to use our mosaics in our garden. After confidently developing our abilities in Fractions and Decimals, Year 5 are now looking at Percentages. Our story time book is 'The Pearl Diver' which we will use to develop our writing in English. We will be writing a persuasive text about the Middle East and using our story book to create poems.

Here are a few things that we have been up to so far.

In gardening, we created a compost heap. We used old tyres and waste that we collected while cleaning up the soil. For example, weeds, peel etc. - Kotaro

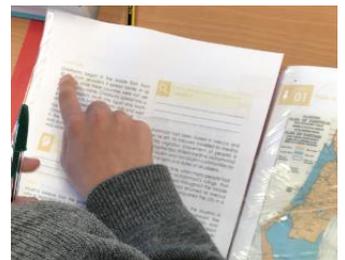

In Art I used my knowledge of 2D shapes and the examples to create my own sketch of how I would like my mosaic design to be replicated - Lujain

We are really enjoying learning about the Middle East and what it was like in the past.

The William Hogarth School is taking part in the Sustrans Big Pedal event.

This morning, we are ranked 4th in London and 40th nationally. Well done everyone for walking, scooting and cycling to school when possible.

Sustrans Big Pedal family competition

The Big Pedal family competition is back for 2021! Snap a photo or take a video of the children walking, cycling, scooting or wheeling to school during 19-30 April and be in for a chance to win some amazing prizes.

The Sustrans #BigPedalWin family competition is back for 2021.

The Big Pedal family photo and video competition is back! And this year it's bigger and better than ever.

This year we're excited to announce that we've got not one, but three amazing prizes up for grabs that the whole family can enjoy. Big thanks to our friends at Micro Scooters, Pedal Threadz and LiteLok.

Remember to enter the family competition – it's really easy to do.

- Take a photo or a short video of you and your child(ren) walking, cycling, scooting or wheeling to school during Big Pedal dates 19-30 April.
- Upload your photo or video to Facebook, Instagram or Twitter.
- Tag @Sustrans on your post and use #BigPedalWin to enter.
 - Don't forget to follow us too. Otherwise, we may not be able to see your posts.
- If your child(ren) are remote learning, you can still take part by showing us how you are getting active in the name of Big Pedal around your local area or at home.

The competition closes 9am Saturday 1 May.

Full terms and conditions can be found when you click the link <https://www.sustrans.org.uk/our-blog/projects/uk-wide/schools/sustrans-big-pedal-family-competition#terms>

Appropriate Hairstyles for School!

After almost over 3 months in lockdown, some of us are desperate for a haircut, while others are embracing their new longer locks.

We would remind you that whatever the style, we expect to see hair brushed and well kept. If hair reaches a child's shoulders, then it must be tied up. This rule applies to both Girls and Boys as long hair being loose can lead to spreading of hair lice, be a distraction and can be unsafe in the playground.

We have been having a quiet word with both boys and girls who have long hair, encouraging them to tie it up. Please support the school in promoting pride in our school uniform.

Travelling to school safely

It is likely that the roads and public transport system will be busier than when students returned in March, given other businesses have reopened.

Please see guidelines below:

If you live a short distance from school, walk, cycle or scoot to and from school wherever it is possible and safe to do so.

Avoid sharing a car with anyone outside of your household or support bubble.

If you are using public transport to get to school, plan ahead and allow more time for your journey

When you are travelling by public or dedicated school transport, don't forget to:

Wear a face covering (unless you are exempt – including if you are aged 11 and under). It is important you wear them for the entirety of your journey, including inside a bus or train station

Social distance where possible

Wash or sanitise your hands regularly

Be considerate to fellow passengers and staff

Further information can be found in our [guidance on transport to school and other places of education](#).

The Department for Transport has also created [resources](#) that can be downloaded and used by education settings to promote safe travel to school.

Travelling into the UK summary – brief summary

Full guidance <https://www.gov.uk/guidance/how-to-quarantine-when-you-arrive-in-england>

There are some jobs that are exempt from the need to quarantine: list of [jobs that are exempt](#).

- quarantine for 10 days
- take a coronavirus (COVID-19) test on day 2 and day 8 of quarantining unless your job permits exemption
- follow the [national lockdown rules](#)

Quarantine for 10 days after arriving in England

When arriving in England, you must travel directly to the place you're staying and not leave until 10 days have passed.

What to do if you get coronavirus symptoms

You should [order a test](#) if you develop one of 3 coronavirus symptoms at any point

After arriving in the UK

Day-2 test

You will need to take a COVID-19 test on or before day 2 of your quarantine period. The day of arrival in England will be treated as day zero. This first test is designed to help identify any potentially harmful variants of COVID-19 at the earliest opportunity. Tests will be taken in your own accommodation.

If you get a positive result from your day-2 test, you must quarantine for 10 days beginning the day after the test is taken. If you get a positive result from your day-2 test, you do not need to take a test on day 8.

Day-8 test

You need to take a COVID-19 test on or after day 8, unless you got a positive result from your day-2 test.

If you get a positive test result from your day-8 test you will need to quarantine until day 19. Your household will also need to quarantine until day 19

Ending your quarantine early: Test to Release

You can still use the [Test to Release for international travel scheme](#). The scheme lets you choose to pay for a private COVID-19 test. If the result is negative, you can stop quarantining.

You cannot take a test to release test until you have been in England for 5 full days.

You cannot use the Test to Release scheme if you have been in or through any country that is on the [travel ban red list](#)

To take part in the scheme you need to:

- book a test with one of these [private test providers](#)
- choose to opt into the scheme on the [passenger locator form](#)

You should book your test before you travel to England.

You will have to pay the private test provider for your test. You will need to book an individual test for each person opting into Test to Release, **including children**.

You cannot use tests provided by NHS Test and Trace under this scheme. Use one of [listed private test providers](#). You can be fined if you use a negative NHS test result to end your self-isolation period early.

You still need to take the coronavirus test on or after day 8.

Dear Parents/ Guardians

Financial help for those who have to self-isolate

If you or someone in your household has tested positive for Covid-19, you will have to self-isolate for 10 days.

If you have been told you've been in close contact with someone who has tested positive for Covid-19, you must self-isolate for up to 10 days.

If you're on a low income and need to self-isolate but can't work from home, you might be able to apply for a Test and Trace – Self Isolation Payment.

How do I qualify?

You can apply if you are 16 years or over and you:

- have been told to stay at home and self-isolate by NHS Test and Trace either because you have tested positive for coronavirus or have recently been in close contact with someone who has tested positive
- are employed or self-employed
- are unable to work from home and will lose income as a result
- are currently receiving Universal Credit, Working Tax Credit, Income-based Employment and Support Allowance, Income-based Jobseeker's Allowance, Income Support, Housing Benefit and/or Pension Credit.

When can I apply?

All applications must be made within two weeks of your period of self-isolation ending.

When will I get the money?

We aim to pay you within **three working days**, once we have received the necessary evidence from you, and checked it.

You will need to:

- agree to comply with the notification from NHS Test and Trace
- provide your notification from NHS Test and Trace

Collect your family's Covid-19 rapid test pack

As part of the roadmap out of lockdown, parents/guardians of school aged children can now collect a FREE pack of Rapid Tests (also known as Lateral Flow Tests) so that they can test themselves twice-weekly at home.

People in childcare bubbles or support bubbles with families that have school aged children are also eligible to receive the packs and are also being encouraged to test themselves twice a week.

Rapid Test packs are available to collect from the following collection sites in Hounslow:

- Padstow Walk car park, Feltham TW14 9XU
- Brabazon Road Sports Courts, Heston TW5 9LT
- Stamford Brook car park, Chiswick W4 1NH

Collection sites are open between 1.00pm-8.00pm, seven days a week. No need to book. To collect your family's pack, you must be over 18 years old and NOT have COVID-19 symptoms. Please walk to the collection sites if you can, as parking is very limited at the sites and nearby. For additional collection site locations and opening times visit: <https://find-covid-19-rapid-test-sites.maps.test-and-trace.nhs.uk/findatestcenter.html>

Did you know...?

- You can also access Rapid Tests via your employer if they are offering testing to employees
- If you cannot get tested at your workplace or are unable to go to a collection site, you can order a home test kit online: [Order rapid lateral flow home test kits](#)
- You should report every result to NHS Test and Trace on the same day you take the test. [Report your test result online](#) or by calling 119.
- If you are unsure about doing your test at home, you can visit one of [Hounslow's community rapid test sites](#) and do a test there. **Note** you cannot collect home test kits from here.

PLEASE NOTE: Secondary school and college students will be receiving their test kits from school/college. Children of primary school age (and below) are not being asked to take a test.

We'll keep you safe

We're making sure that you can travel with us safely by keeping our trains and stations clean. We need you to help by following these simple steps:

Wear a face covering

If you are aged 11+, you must wear a face covering on our trains and stations, unless you are exempt.

Keep your distance

You must maintain social distancing as much as possible, including with your friends. When finding a seat in a carriage, spread out as much as possible.

Wash your hands

You should wash your hands frequently. Some of our stations also have hand sanitiser machines, so you can use these too.

Check your journey

We are running an amended timetable, so some trains may leave or arrive at different times. Check our website or app for the latest info so you're not late for school.

Buy your ticket before you travel

To avoid queuing at the station on your first day back, buy your ticket beforehand on our app or website.

Follow the instructions of our staff

You may see more staff at our stations in the first few weeks of term. They'll be there to make sure you can travel safely, so make sure to follow their instructions.

BE A COMMUNITY CHAMPION!

Do you live or work in Hounslow? We need your help to stop the spread of coronavirus and save lives.

HOW DOES IT WORK? It's simple:

- You sign up to be a community champion
- We give champions the latest information about Covid-19
- Champions share the messages with people in their community, however they want.
- Champions let us know what is or isn't working and help us to dispel myths or concerns
