

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

Dear Families,

Belief without talent can take you further than talent without belief. But when you have both, you're UNSTOPPABLE

Another week has raced past, and we have made the most of the sunshine (even when it's been cold) to spend lots of time learning outdoors.

Thank you to those of you who have already taken some time to complete the parent voice survey on remote learning. If you haven't yet done so and you have a couple of minutes spare, please do help us to better understand how and where we can develop our remote learning package further, so that we can further improve it should remote learning be required once again. To access the survey, just click on the link below:

<https://www.surveymonkey.co.uk/r/LGD357D>

This week, a group of our Year 6 children have taken ownership and responsibility for establishing our school Eco-Committee and helping us work towards achieving our Green Flag. I won't steal their thunder by writing too much about this here, as the children have written a piece for the newsletter to introduce themselves and tell you about their plans. If you are interested in getting involved, or would like further information, you can access the eco-schools website by following this link:

<https://www.eco-schools.org.uk/>

Today, all the children in our school will be taking part in National Daily Mile Day. We have incorporated a fund-raising mufti day into this initiative to help fund some new play equipment for the children to enjoy during break and lunch. Next week, the school councillors will be consulting their classes and working with the office staff to place an order. Watch out for some fun!

Wishing you all a lovely bank holiday weekend – I had almost forgotten and was set to come to work on Monday!

Ms Stockley

Attendance and punctuality

CLASS	W/C 26.04.21	WEEKLY ATTENDANCE %	WEEKLY NUMBER OF LATES
RECEPTION		97.67%	2
1 MONDRIAN		100.00%	2
2 MATISSE		96.53%	2
3 PICASSO		99.08%	0
4 BLAKE		98.28%	1
5 SHONIBARE		95.59%	0
6 RILEY		91.77%	4

Stars of the week

Class	Star(s) of the week	Description
Rothko	Peter	Peter has been trying so hard in all areas of his learning, especially phonics and reading. Well done Peter for your hard work!
Mondrian	Lilly	Lilly has shown great improvements in her reading this week, through her hard work in phonics lessons, and by reading every day at home. Well done Lilly!
Matisse	Katie	Katie has been our shining star this week for her caring nature. She has been spotted going over to others who have been by themselves and cheering them up through her positivity.
Picasso	Harrison	Home reading throughout the holiday, challenging himself in his maths, and remembering previous learning to help current work. Also being very helpful when Mr Harpley forgets to do things!
Blake	Armando	For continuously helping his partner during all lessons, in particular English. Well done Armando!
Shonibare	Mia O	Well done Mia for your continuous hard work in all areas of your learning and improving your resilience when you find some things slightly more challenging. It is wonderful to witness your positivity and your blossoming confidence.
Riley	Lenny	When a member of our class was feeling a bit down in the dumps this week, Lenny did everything in his power to cheer that person up, even rallying other classmates to go and be kind to them.

Lunch Menu for week beginning 3rd May 2021

OPTION		TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
1		Pork Sausage, Mash and Baked Beans	Roast Chicken and Roast Potatoes	Beef Pasta Bolognese	Golden Fish Fingers with Chips and Baked Beans
2		Veggie Sausage, Mash and Baked Beans	Sweet Potato and Chickpea Roast with Roast Potatoes	Quorn Pasta Bolognese	Veggie Soft Taco and Chips
3			Jacket Potato	Jacket Potato	
Dessert		Summer Berry and Peach Oat Crumble and Custard	Banana Oat Bite	Ice Cream	Apricot and Carrot Slice

Eco Committee

At the William Hogarth school some selected students supported by the empowering Miss Stockley have formed an Eco Committee. Our aim is to ensure our school is as environmentally friendly as it can be.

We will be looking at the whole school, inside and outside to see where we can make changes. Some of the children are already working on a presentation which they will present to the whole school.

We will be taking part in the 'Green Flag Competition which is an internationally recognised award for excellence in environmental action and learning. We believe we are well on our way to our first milestone of receiving the bronze award as we already take care of and value our environment.

We will be having regular meetings to discuss the future plans and we will let parents and carers know how they can get involved.....watch this space!

David and Kaliyah

Year 6 students.

Year 2

Matisse have had an exciting and hands on week. In science we went out to the playground with water squirter and investigated how the height in which we squeezed the bottle would affect the distance the water travelled. We displayed our results in bar graphs as we have been learning to improve our recording of data.

In Maths we have been learning about position and direction. Children were very excited to be writing specific instructions for BeeBots. We have learnt what an algorithm is and how it is important to be very clear.

In PE we have looked at how to improve our jumping for height and for distance this week. We have been jumping from a line, over spots and over hurdles. On Wednesday we learnt ball skills and played a game of volleyball.

"I enjoyed science most because we were squirting water. We did three squirts: low from the knee, middle from the chest and high from above the head." - Nils

"I am thankful for science because it was very fun and we learnt a lot." - Leonardo

Tiny Tunes Music & Dance
Classes 3mths – 5yrs

Tuesday
9.30am , 10.25am & 11.20am

London Borough of Hounslow 

Travelling into the UK summary – brief summary

Full guidance <https://www.gov.uk/guidance/how-to-quarantine-when-you-arrive-in-england>

There are some jobs that are exempt from the need to quarantine: list of [jobs that are exempt](#).

- quarantine for 10 days
- take a coronavirus (COVID-19) test on day 2 and day 8 of quarantining unless your job permits exemption
- follow the [national lockdown rules](#)

Quarantine for 10 days after arriving in England

When arriving in England, you must travel directly to the place you're staying and not leave until 10 days have passed.

What to do if you get coronavirus symptoms

You should [order a test](#) if you develop one of 3 coronavirus symptoms at any point

After arriving in the UK

Day-2 test

You will need to take a COVID-19 test on or before day 2 of your quarantine period. The day of arrival in England will be treated as day zero. This first test is designed to help identify any potentially harmful variants of COVID-19 at the earliest opportunity. Tests will be taken in your own accommodation.

If you get a positive result from your day-2 test, you must quarantine for 10 days beginning the day after the test is taken. If you get a positive result from your day-2 test, you do not need to take a test on day 8.

Day-8 test

You need to take a COVID-19 test on or after day 8, unless you got a positive result from your day-2 test.

If you get a positive test result from your day-8 test you will need to quarantine until day 19. Your household will also need to quarantine until day 19

Ending your quarantine early: Test to Release

You can still use the [Test to Release for international travel scheme](#). The scheme lets you choose to pay for a private COVID-19 test. If the result is negative, you can stop quarantining.

You cannot take a test to release test until you have been in England for 5 full days.

You cannot use the Test to Release scheme if you have been in or through any country that is on the [travel ban red list](#)

To take part in the scheme you need to:

- book a test with one of these [private test providers](#)
- choose to opt into the scheme on the [passenger locator form](#)

You should book your test before you travel to England.

You will have to pay the private test provider for your test. You will need to book an individual test for each person opting into Test to Release, **including children**.

You cannot use tests provided by NHS Test and Trace under this scheme. Use one of [listed private test providers](#). You can be fined if you use a negative NHS test result to end your self-isolation period early.

You still need to take the coronavirus test on or after day 8.

We'll all need support when it comes to isolation.

Finance

Worried about money during isolation? Access grants and benefits.

Food

How will you get your food? Get food delivered or for free.

Mental health

Struggling with mental health issues? Get mental health support.

Medical

No one to deliver your prescription? Find health support.

Safety

Not safe at home? Find help here or call 999 in an emergency.

Find out more

Visit our website:

hounslow.gov.uk/hub

We'll keep you safe

We're making sure that you can travel with us safely by keeping our trains and stations clean. We need you to help by following these simple steps:

Wear a face covering

If you are aged 11+, you must wear a face covering on our trains and stations, unless you are exempt.

Keep your distance

You must maintain social distancing as much as possible, including with your friends. When finding a seat in a carriage, spread out as much as possible.

Wash your hands

You should wash your hands frequently. Some of our stations also have hand sanitiser machines, so you can use these too.

Check your journey

We are running an amended timetable, so some trains may leave or arrive at different times. Check our website or app for the latest info so you're not late for school.

Buy your ticket before you travel

To avoid queuing at the station on your first day back, buy your ticket beforehand on our app or website.

Follow the instructions of our staff

You may see more staff at our stations in the first few weeks of term. They'll be there to make sure you can travel safely, so make sure to follow their instructions.

KEEP HOUNSLOW SAFE

London Borough of Hounslow

NHS Test and Trace

BE A COMMUNITY CHAMPION!

Do you live or work in Hounslow? We need your help to stop the spread of coronavirus and save lives.

HOW DOES IT WORK? It's simple:

- You sign up to be a community champion
- We give champions the latest information about Covid-19
- Champions share the messages with people in their community, however they want.
- Champions let us know what is or isn't working and help us to dispel myths or concerns

To sign up and for more information, visit www.hounslow.gov.uk/covidcommunitychampion
