

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

A slightly belated Eid Mubarak to all our Muslim families - I hope you enjoyed a wonderful celebration with your friends and loved ones, marking the end of Ramadan on Sunday and Monday. It was lovely to welcome Year 4 parents into school this morning for their children's Vesak assembly. The children had prepared wonderful lanterns and candle holders to mark the event.

Next week, Year 6 will be showing what they have learned over the course of Key Stage 2 as they undertake their SATs. I know you will join me in wishing them every success; they have made so much progress in spite of disruptions to schooling caused by COVID and deserve to do very well indeed. Everyone in Year 6 is invited in from 8.30am Monday – Thursday mornings next week to enjoy a special SATs breakfast, supporting them in getting prepared for sitting their end of Key Stage 2 exams.

We are very sad today to be saying goodbye to Mrs Manning. Mrs Manning has been at the school for over 20 years, which is a wonderful achievement. During that time, she has supported countless children (and staff) on their educational journey. Mrs Manning is joining the wonderful NHS team at Charing Cross Hospital and our loss is their gain. The children bid her a very emotional farewell in assembly this afternoon and we wish her our very best as she moves to pastures new. Recruitment is underway to find a permanent replacement who can continue her good work.

Do please enjoy your weekends.

Miss Stockley

Ladders at Home – Supporting your Child's Learning at Home

We are excited to tell you that we will be launching our Ladders at Home in the coming weeks. Ladders at Home provides the information and support you need to support your child's learning at home. In addition to our usual communications, teachers will regularly share information about your child's learning through sharing learning goals, home learning tasks and student reports.

We've decided to launch Ladders at Home as part of our whole school approach to parental engagement and with a wealth of research showing the benefits of ongoing, consistent parental engagement, there has never been a better time to embark on this launch.

“The effect of parental engagement over a student's school career is equivalent to adding two or three years to that student's education.”

John Hattie

Look out for your invitation to join Ladders at Home in the coming weeks and the dates of the parent presentations that will be delivered in school.

Stars of the week

Class	Star(s) of the week	Description
Rothko	Hemen	Hemen is very helpful and is always happy to organise and tidy resources. Well done, Hemen!
Mondrian	Zara	Zara comes into school every morning with a warm smile. She is always happy to help her classmates and teachers and does so with a positive attitude. Well done Zara!
Matisse	Artem V and Artem L	We are so grateful as a class to have Artem V and Artem L join us. They have been very polite and kind. They join in with everything we do and make us happier.
Picasso	Sameeha	Sameeha is always happy in class. She puts her all into her learning and ensures her classmates are also happy and content. She lends a helping hand whenever it is needed and never grumbles when being asked to do something. A pleasure to have in class. Well done!
Blake	Hidayah	Hidayah approaches every single day with a smile on her face. She radiates positivity and spreads it to others.
Shonibare	Valentino	Valentino always has a smile on his face and exudes happiness. Well done Valentino, your smile is contagious.
Riley	David	David brings a lot of joy into our classroom. It is lovely to see David every morning, strolling in with a smile. He has an infectious giggle that I can hear from across the playground, which to me is an ever present reminder of happiness!

Swimming Stars

This week

Kotaro has shown our value of HAPPINESS this week with such positive and energetic participation in the swimming lesson. Well Done!

Last week

In her first week at our school, Dariia had her first swimming lesson and joined in with real courage and joy. It's a real pleasure to welcome you to our school. Well Done!

WRITE THAT ESSAY

Congratulations to our top write that essay pupils.

Well done to:

Free school meals

Although every child in Reception, Year 1 and Year 2 will be offered a free school meal at lunch time, families of children in every year group receiving certain benefits are still required to complete an online application form. This includes Reception, Year 1 and Year 2 children. Please click for the [Free school meals eligibility checker](#) to see if you qualify or to make an application for free school meals please click here [Free school meals](#)

This can help the school raise extra funds.

Your children are entitled to free school meals if you receive one of the below benefits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit and have an annual income of no more than £7,400
- Child Tax Credit, but not entitled to a Working Tax Credit and have an annual income (as assessed by the Inland Revenue) of no more than £16,190
- Guaranteed Element of State Pension Credit
- or are being supported by the National Asylum Support Service (NASS)

Applications for free school meals cannot be backdated.

This term looks to be a busy one for Year 3 Picasso class. We have started with enthusiasm and keeness! Ms Rees is so proud of the progress children are making with their Timetables challenge and Maths. Mrs Luciani is seeing some fabulous writing that includes description and detail!

Summer term 1

May 3rd-May 6th 2022

We have a new member in our class, we welcome Yashgin with open arms and friendly thoughts. She has slotted in like she has always been with us!

We love our "reading aloud" class book that Miss Rees is sharing every day! It does have a couple of silly words but the main character is very brave and we admire how he stands up to bullies and believes in himself.

Our history is based on Ancient Greece. And we are learning about the Various Greek Gods and can't wait to learn about the myths of Ancient Greece too.

Year 6

This week Year 6 have been preparing for our SATS. These are important exams, which allow us to show off all the things we've learnt during Key Stage 2! As part of our preparation we have been practicing some 'life skills'. These include tabulation, elimination and concision.

We also spent some time letting off some steam in P.E. During P.E we have been focussing on Athletics. This week, we put our stamina to the test! We had a range of athletic activities set up. We tried to beat our times in some running races. In addition to this, we took part in Long Jump, Hurdles and Ladders.

Free Money for Childcare <https://www.childcarechoices.gov.uk/>

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing. As a new parent I have recently been told about **Tax -Free Childcare** which is a government scheme to help working families with the costs of childcare. What I didn't realise is that it is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2, up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

Uniformd – second hand uniform

Running this online business is such an incredible opportunity for the children, helping them to develop a range of real-life skills including building financial literacy – all whilst supporting recycling. I would definitely encourage you to have a look at the Eco-Committee's online marketplace and take on board their message of **"Relove your stuff!"**

The online shop can be found by heading to <https://app.uniformd.co.uk/items/40>

The online shop forms part of the Eco-Committee's strategy and action plan in working towards the internationally recognised Green Flag Award – I know you will be keen to support the children, especially as all funds raised are targeted towards improving the school playground.

As young entrepreneurs, we have the following aims:

- To help families by recycling good quality uniform items at competitive prices
- To reduce the amount of clothing ending up in landfill
- To raise funds to improve our school
- To help families by keeping homes clutter free of outgrown items
- To learn about money and running a business
- To engage children in school development
