

Reception Newsletter
3rd May 2024

Our focus book for this week is:

We have been:

- listening carefully to the story "Snail Trail"
- observing and labelling pictures of snails.
- making homes for snails with plastic blocks and grass
- collaging and snail together and labelling it
- making snail factfiles
- building snails on the tamac
- talking about the different artists in the snail trail and which one our favourite is
- exploring colour mixing and tints and shades of a colour
- exploring the difference between snails and slugs
- exploring full and empty in the water tray
- counting on within 20 with a number track game
- planting potatoes
- exploring movement and music with shakers and ribbons in the movement area
- looking at different ways to represent our numbers to 20
- learning about the different ways we can arrange 2D shapes on a geoboard

- Even/Odd numbers.
- Talk about colour mixing and the difference between primary and secondary colours
