

The Local School With The Big Heart

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from Ms Stockley

Dear Families,

I have been working closely with the Parent Playground Committee this week - we are absolutely thrilled to let you know that the Local Authority has secured funding to install fixed playground equipment. This is amazing news for our school community and is testament to the advocacy that has been going on behind the scenes on behalf of our children. I have lots of meetings in my diary next week with suppliers and designers and I am anticipating that our playground will look very different indeed before too long.

Our vision of ***Excellence for All*** continues across all aspects of the school's work. A key feature of this is ensuring our classroom team are enabled to maintain momentum in propelling excellence in learning – developing highly skilled leaders and practitioners is foundational to achieving our academic ambitions for the children. As a result, I am pleased to let you know that:

- Mr Hannah continues to develop our school's expertise in Maths Mastery by commencing the formal certification process with the NCETM to become accredited as a National Maths Specialist.
- Last night, myself and Miss Simango joined other headteachers and teachers who have been accepted onto UCL's Cultural Education Leadership programme. This is a very exciting development for our school - it will build on our strengths in music, enabling us to further develop our Arts programme.
- Miss Cowell is commencing her training as a Leader of SEND (NPQ SEN), so that inclusion (a hot topic in the press at the moment) remains an area of strength in our school. This will support the work of Mrs Luciani in this arena.

This week, I have been liaising with the team at Chiswick House and Gardens to investigate how our school can get involved with the 'Letting the Light In' project that they are running. We have scheduled dates in so that the whole school can participate and it will be a wonderful opportunity for the children to get hands-on in the gardens.

As always, the school diary is full of events, trips and visits. Next week, we are supporting the wonderful work of MacMillan on Thursday morning – do please come along and have a cup of tea and a slice of cake. On Friday, we will be holding our first House Challenge of the year and FOWHS are hosting a welcome cake sale. I hope to see you at one (or more) of the events.

Enjoy your weekends.

Miss Stockley and the Team

MacMillan Coffee Morning – Thursday 26th September 8:45am-9:45am

It's nearly time for our annual MacMillan Coffee Morning event that supports MacMillan Cancer Support. We have raised so much money over the last few years and we would appreciate your support in raising even more for this worthy cause.

Our coffee morning this year is on **Thursday 26th September between 8:45am- 9:45am**. Once you have dropped your child off to class you are welcome to come and enjoy some coffee, tea and cake in the dining hall or just pop along to make a donation. It is a great time to also meet the Friends of William Hogarth (FOWHS) who are parents of children in school who help fundraise and put on events for us. You will be able to meet with the Friends and find out what they do and how you can join them in their efforts in the coming year.

In order for us to make as much money as possible for charity, we would love you to either bake or buy cakes that can be sold (not nuts please!) and hand them into the office **by Wednesday 25th September**. Alternatively, you could bring them with you on the morning of the event.

Family and friends are also welcome.

We look forward to seeing you on the **26th**.

The William Hogarth Team

GARDENING MORNING

SUNDAY 6TH OCTOBER

10AM-12 NOON

THE WILLIAM HOGARTH SCHOOL PLAYGROUND
DUKE ROAD ENTRANCE

Please come along and help us with gardening in the School playground.
No experience needed, just a willingness to help replant the flower pots and have a general tidy up.

WE NEED DONATIONS

We need donations of plants and bulbs. Please bring these in the week beginning 30/9. We would welcome cyclamen, heathers, winter pansy, daffodil or tulip bulbs, anything hardy and low maintenance!

WHAT TO BRING?

On the day please bring any gardening equipment, tools etc you have. We have some but not many! Please note your children are your responsibility

We hope this will be the first of many fun gardening days! We also have exciting gardening plans to share with you for a community forest school area in the playground!

STARS OF THE WEEK

Stars of the week - WB 16.09.24

Generous

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Ayla-rome	Ayla consistently demonstrates generosity as a caring and thoughtful member of the class. She is an excellent problem solver, showing great patience and support for her peers during all lessons. This week, she especially stood out in computing by taking turns with her partner and being a fantastic role model. Well done, Ayla– keep up the amazing work!
Matisse	Antosh	Antosh has been super generous to his work partner in maths this week. He has been sharing resources fairly and he loves to share his ideas with everyone else. Antosh is considerate and always loves to volunteer to help. Thank you!
Monet	Charlotte	As I am sure everyone already knows - Charlotte is such a helpful young lady! If anyone drops something Charlotte is the first to help with picking it up. If someone needs a pen Charlotte will be the first to offer to share. It's such a joy to have someone so kind and thoughtful in my class. Thank-you Charlotte for being so generous with your time and belongings.
Shonibare	Leandra	Leandra is a star in every aspect of school life. She has somehow managed to be an even better version of herself than last year (which was a difficult task) but she's shown that it's always possible to improve. Her work ethic and behaviour in class is exemplary and her kindness and generosity is ever present, as displayed when she offered her classmate her snack when she wasn't feeling well.
Riley	Blake & Maryam	This week, Year 6 have been extremely helpful and hard working. Blake & Maryam have been generous with their time, volunteering to help set up the cooking room ready for making Chelsea Buns. They put out equipment and gathered ingredients so that their classmates could get on with the task of cooking. There was a lot to do and as a result they missed much of her lunchtime. Thanks for your generosity this week Blake & Maryam, it was much appreciated.

This week in Mondrian

In art, the children have been studying spirals and how different body movements can influence their designs. They've experimented with drawing spirals while standing, sitting at tables, and even lying on their tummies, noticing how each position affects their artwork.

The class is also working on a harvest-themed spiral project, incorporating various media such as paint, chalk, and pen. This week, they began by creating the background using autumnal colours. We are excited to see their final creations come together!

This half term, the children are exploring the technology around us. This week, we focused on computer technology. The children practised logging into the laptops and learned how to use a mouse or trackpad to click and drag items on the screen. They are becoming more confident in navigating the basic functions of a computer.

PUPIL PREMIUM FUNDING

PUPIL PREMIUM FUNDING WILL SUPPORT YOUR CHILD AND SCHOOL

Please check if you are eligible for the governments Pupil Premium Funding/Free School Meals. This can be a massive help for your child and the school. The more families that are eligible and are in receipt of this will give the school more funding from the Government worth up to £1,300 per year!

Our school can use this extra funding to spend on enrichment activities, teacher development, and targeted support for the children that need it most. This may also entitle you to other benefits like food vouchers, after school clubs and the Holiday Activity Food Programme (HAF).

It may sound complicated, but it's really easy to apply!

If your household receives one of the benefits below, you may be entitled to this funding: -

- *Income Support
- *Income-based Jobseeker's Allowance
- *Income-related Employment and Support Allowance
- *Universal Credit with a household income of less than £7,400 per year after tax and not including any benefit you receive
- *Child Tax Credit, provided you are not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190
- *Guaranteed Element of State Pension Credit
- *Are supported by the National Asylum Support Service (NASS).

COPY THE LINK TO YOUR WEB BROWSER TO GET STARTED

<https://forms.liberata.com/public-services/free-school-meals/hounslow>

What do you need:

- * Your National Insurance Number or National Asylum Support Service Number
- * Names and date of births for each of your children you are applying for and the schools they attend

If you have any questions, concerns or assistance with the online application, please contact the Rachel in the school office.
