

*We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential*

### Message from the Headteacher

Happy Friday everyone!

I am delighted to let you know that work is almost complete on the internal refurbishment of our new Early Years zone for Reception and Nursery. I am so excited about being able to open the doors and welcome you in to this wonderful space – many of you will already know how close to my heart this project is. Refurbishment on the external space is due shortly and once all the work has been completed, the children will have a truly wonderful and remarkable space for learning. I look forward to sharing this with you.

Year 6 are due to return from their week on the farm in the New Forest. They seem to have been having an absolute ball – do have a look at the photographs on Twitter if you get a chance. The Year 6 children will put together a presentation for our Year 5 cohort (parents and children) in preparation for next year's visit.

Generosity is a key attribute of our school community and the focus of our celebration assembly this week. With this in mind, thank you to everyone who has already sent in items for local charity the Upper Room – the annual recipient of our Harvest Assembly donations. Next Friday, we are also hosting our annual MacMillan Coffee event after drop off in the morning and before pick-up in the afternoon. As always, we welcome donations of cakes or biscuits (nut free of course) – please send these in with your children on the Thursday beforehand. You will remember that last week, I mentioned that the Amazon Wishlist will focus on building up of collection of '100 Books' for each class. The wishlist has been updated and the new link for this is: [https://www.amazon.co.uk/hz/wishlist/ls/3DBTVL4NQ9YZ6?ref=wl\\_share](https://www.amazon.co.uk/hz/wishlist/ls/3DBTVL4NQ9YZ6?ref=wl_share)

I know that many of you will be pleased to hear that clubs are restarting after the half term break. These will include: coding, football, art, chess, parours amongst other things. The school office will circulate the details for these as soon as they become available.

Wishing you all a wonderful weekend.

Miss Stockley

## Stars of the week

WB:20th September 2021

To all our stars: Thank you for being generous with your time, deeds and words.

We are proud of you!

Class	Star(s) of the week	Description
Mondrian	Sienna	Sienna is very kind and caring. This week I have noticed her sharing beautifully with her classmates during break time. Well done Sienna.
Matisse	Martin	Martin shows generosity from the bottom of his heart. He helps his peers out and keeps the class tidy without expecting any rewards.
Picasso	Nils	For his generous smile, his generous friendship at breaktime and his generous support for his learning partner and his
Blake	Mu'aahd	For being a generous friend and classmate. He is always so calm and kind to everyone and ensures that people feel included during play times.
Shonibare	Qusai	For your generous behaviour and the way you are so giving and courteous to others. I am so proud of you. Well done!
Riley	Qura	Qura has demonstrated generosity towards her classmates and year 5. She is a wonderful, giving young lady who thinks of others before herself.  Well done Qura, I am so proud of you.

## Year 2

Matisse class have started this school year with such a kind, resilient and hard-working attitude.

This week we learnt all about pirates. Such as the most fearful and dreaded, Pirate Blackbeard, for our topic learning about 'Land Ahoy'.

We are developing a pleasure in reading through our English book 'Grandad's Island' and our hilarious story time book about Mr Gum.

In art, the class have been so excited to create their very own sketchbooks which they are decorating and adding to every week.

Here are some photos from this week to share our wonderful learning with you.

Children sharing their love of reading during our trips to the school library.

Ball control games in PE

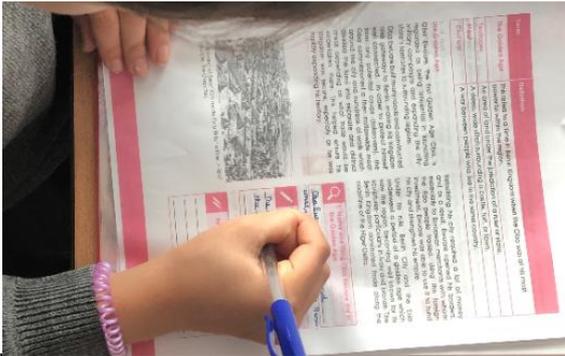

Feeling and describing a range of materials in science.

## Year 5

Shonibare have made a positive start to the autumn term. All of the children have worked hard in their learning and have been supportive of each other as they get back to their daily routines at school. They are determined to embody the school attributes and are beginning to demonstrate their positive mindsets and their determination to develop their learning attitudes.

Here are a few examples of what we have been up to so far.

We have been investigating the Benin Kingdom and have found out lots of information about their culture. I was surprised at how dominate the Oba was and how they treated the lower class people.

We will be completing our learning journey in art by making masks/sculptures based on the Benin Kingdom.

In P.E. we have begun to learn all about invasion games. I really enjoy taken part because you get to learn new skills, exercise and have fun.

By Leyton

We have taken part in the abundance art installation and we really enjoyed designing our individual art pieces, which eventually will be displayed by Turnham Green.
