

*We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential*

### **Message from the Headteacher**

Congratulations to our wonderful Year 6 children who demonstrated great resilience and confidence as they took their SATs this week. It was an absolute pleasure to spend time with them each morning, eating sausage sandwiches or croissants and pancakes. I am convinced they all have hollow legs as they certainly ate me out of house and home!

Next week, we will begin the Key Stage 1 SATs process for our Year 2 children. We take a very calm and measured approach to this, introducing the children to these more formal examinations in small groups. Our aim is for the children to feel safe, secure and comfortable so that they can truly demonstrate what they are capable of without feeling under pressure.

Jubilee preparations are well underway in the school. My office sits right next door to Year 4 so I have been treated to their performance rehearsals throughout the week – if theirs is representative of what we might expect from the rest of the school, we are in for a real treat during the Jubilee Picnic afternoon. Children who usually attend after school care during the afternoon will be able to come to the picnic with the playleader in charge. At the close of festivities, 5pm, they will be returned to the usual play space where they can be collected by parents and carers. If they are going home earlier, they can be collected from the after school care picnic blankets and signed out by the playleader in charge.

Please do have a look at Satchel Pulse if you have not yet signed up. Remember this is the tool we use to collect your feedback and views on how we are doing as a school and what our next steps are. One of the most consistent areas identified for improvement has centred on communication, particularly of how children are doing in their lessons and what can be done to support at home. After the half term break, Miss Rees will be welcoming you into school to introduce our new assessment and reporting platform: Learning Ladders. I would urge you all to attend one of her sessions – I am expecting you to be thrilled with this toolkit which will really help to keep you on top of your children's progress and attainment in an easy to digest format.

Have a great weekend.

Miss Stockley

## **Swimming Stars**

This week's swimming star is Qusai who is always so OPTIMISTIC about soon being in the deep end group and here he is jumping in the deep end with a huge grin.

We also celebrate this week Mia F, David, Geronimo, Logan, Beatriz, Oliver and Qura in year 6 who all reached level 6 in their Swim England certificates. Well done all of you!

## **Ladders at Home – Supporting your Child’s Learning at Home**

We are excited to tell you that we will be launching our Ladders at Home in the coming weeks. Ladders at Home provides the information and support you need to support your child’s learning at home. In addition to our usual communications, teachers will regularly share information about your child’s learning through sharing learning goals, home learning tasks and student reports.

We’ve decided to launch Ladders at Home as part of our whole school approach to parental engagement and with a wealth of research showing the benefits of ongoing, consistent parental engagement, there has never been a better time to embark on this launch.

**“The effect of parental engagement over a student’s school career is equivalent to adding two or three years to that student’s education.”**

John Hattie

Look out for your invitation to join Ladders at Home in the coming weeks and the dates of the parent presentations that will be delivered in school.

## Stars of the week

Class	Stars of the week	Description
Rothko	Aniyah	Aniyah loves school and is always optimistic when drawing or painting. Well done, Aniyah!
Mondrian	Jamila	Jamila has been positive and resilient this week, and she has had an optimistic approach towards her learning. Keep it up Jamila.
Matisse	Lilly	Lilly has had a brilliant, optimistic attitude this week in her learning. She has been in a great mood and is trying to improve her reading.
Picasso	Mohamed	Mohamed is such an optimistic and kind person: Always looking for the best in people and his play! He is working so hard and trying his best too!
Blake	Mia	Mia has such an optimistic approach to everything. She ensures everyone feels included and has even recently started thinking about how she can help people in our wider community!
Shonibare	Leyton	Leyton has shown such an optimistic and engaging attitude this week in his learning. He has sought assistance when he has had difficulty and helped others to understand the learning. Well done, Leyton.
Riley	Riley Class	During this week, I had a magnificent insight into The William Hogarth school values. I saw happiness during a time of stress; I saw optimism when things did not go their way; I saw generosity with equipment and time; I saw ambition when trying to achieve their best; I saw resilience when an answer proved elusive and they moved on to the next; I saw togetherness in the way they supported each other and I saw hardworking children as they have been throughout the year. You've made every member of the school proud this week. Well done!

### Jubilee Celebrations

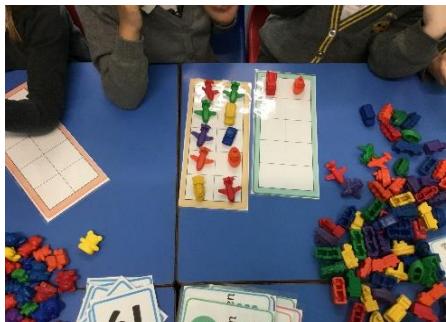

We will be celebrating the Queen's Platinum Jubilee with a school picnic on Monday 23rd May 3-5pm. Families are invited to come and celebrate with us for this special occasion. Please wear red, white and blue; bring in a picnic (no nuts please); something to sit on; and something to toast the Queen with. There will be performances by each class and a competition for the best home-made crown.

Children can wear red, white and blue to school (no football kits please) on Monday 23rd May and will be taking part in a variety of activities during the school day.

Learning about snails, searching for them in the garden and making playdough snails.

Exploring the new climbing frame with friends and enjoying the sunshine!

## Free school meals

Although every child in Reception, Year 1 and Year 2 will be offered a free school meal at lunch time, families of children in every year group receiving certain benefits are still required to complete an online application form. This includes Reception, Year 1 and Year 2 children. Please click for the [Free school meals eligibility checker](#) to see if you qualify or to make an application for free school meals please click here [Free school meals](#)

This can help the school raise extra funds.

Your children are entitled to free school meals if you receive one of the below benefits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit and have an annual income of no more than £7,400
- Child Tax Credit, but not entitled to a Working Tax Credit and have an annual income (as assessed by the Inland Revenue) of no more than £16,190
- Guaranteed Element of State Pension Credit
- or are being supported by the National Asylum Support Service (NASS)

Applications for free school meals cannot be backdated.

## Free Money for Childcare <https://www.childcarechoices.gov.uk/>

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing. As a new parent I have recently been told about **Tax-Free Childcare** which is a government scheme to help working families with the costs of childcare. What I didn't realise is that it is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2, up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

## **Uniformd – second hand uniform**

Running this online business is such an incredible opportunity for the children, helping them to develop a range of real-life skills including building financial literacy – all whilst supporting recycling. I would definitely encourage you to have a look at the Eco-Committee's online marketplace and take on board their message of "***Relove your stuff!***"

The online shop can be found by heading to <https://app.uniformd.co.uk/items/40>

The online shop forms part of the Eco-Committee's strategy and action plan in working towards the internationally recognised Green Flag Award – I know you will be keen to support the children, especially as all funds raised are targeted towards improving the school playground.

As young entrepreneurs, we have the following aims:

- To help families by recycling good quality uniform items at competitive prices
- To reduce the amount of clothing ending up in landfill
- To raise funds to improve our school
- To help families by keeping homes clutter free of outgrown items
- To learn about money and running a business
- To engage children in school development

## **SHOP & SUPPORT**

You can raise free donations to the school, without costing you a penny!  
Major retailers can donate to our school while you do your usual online shopping. The Friends of William Hogarth is registered as a charity in both AmazonSmile and EasyFundraising.

Here is how it works:

**easyfundraising**  
*feel good shopping*

**1. Sign Up**  
Head to <https://www.easyfundraising.org.uk/causes/williamhogarthschool/>. Add to your browser to never miss an opportunity to donate.

**2. Shop**  
There are over 4,000 retailers on board who donate

**3. Support**  
After you've made your purchase, the retailer will make a donation to the school at no extra cost.

**smile amazon.co.uk**

You shop. Amazon gives.

Amazon donates 0.5% of the price of your purchases to the charitable organization of your choice.

AmazonSmile is the same Amazon you know. Same products, same prices, same service.

Support the school by starting your shopping at [smile.amazon.co.uk](https://smile.amazon.co.uk) (instead of Amazon.co.uk), search for The William Hogarth School and add it as your charity. Donations will be automatically made.
