

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Eco Committee

This week, we carried out our environmental audit and used our experience to lead a ‘question and answer’ session with the Eco-Committee members of the younger year groups. As a result, we have decided that litter is a key component to keeping our school environment clean and eco- friendly. We have decided to launch the first annual William Hogarth litter-picking competition! All details will be communicated in assembly to involve all the children and classes. Each class will be responsible for their gardening sections. They will have all week to collect as much litter as they can. At the end of the week the class with the most litter collected will win a golden framed certificate.

Look out for the results!

Appropriate Hairstyles for School!

Please can we remind you that whatever the style, we expect to see hair brushed and well kept. If hair reaches a child’s shoulders, then it must be tied up. This rule applies to both Girls and Boys as long hair being loose can lead to spreading of hair lice, be a distraction and can be unsafe in the playground.

We have been having a quiet word with both boys and girls who have long hair, encouraging them to tie it up. Please support the school in promoting pride in our school uniform.

Stars of the week

WB: 10th May

To all our stars: you are ambitious and continually strive to improve your learning.

We are extremely proud of you!

Class	Starts of the week	Description
Rothko	Asher	Asher has a particular skill at building elaborate structures with his peers and welcomes the challenge of completing a task in this area. Keep it up Asher!
Mondrian	Hassan	Hassan has been working really hard at home. He has been doodling every day to make sure that he stays in his green target zone. Fantastic Hassan, well done!
Matisse	Tiannah	Tiannah has tried extremely hard in her writing this past week. She has challenged herself by using amazing vocabulary and has helped others with their spelling. She also put lots of effort into her STEM poster
Picasso	Vansh	Vansh goes above and beyond with his extra learning at home so that he is in the best position to tackle more challenging work in class. His resilient nature is proving key to his rapid successes.
Blake	Anay	Anay has been challenging herself to learn the 6 times tables and how to use speech marks correctly in her historical narrative.
Shonibare	Liya	Well done Liya for your continued determination and resilience in learning your times tables.
Riley	Larissa	Being this young lady's teacher from Year 5 has been an utter privilege. She has shown the utmost resilience through difficult learning and challenging material and has gone from strength to strength.

Year 4

Year 4 have definitely enjoyed being back at school! This week they explored our outdoor nature areas to inspire their artwork which focuses on typography, did some role-play in English and learned about tectonic plates in science. As well as this, they are excited about creating their own podcast, and this week we decided what our podcasts should be about.

Below are some of our nature-inspired fonts and photos from our acting.

There for parents when they need us most

Being a parent is never easy. Without support, families can feel alone or isolated. Home-Start is a local charity which can offer compassionate and confidential support to families with children under 5 in the Boroughs of Richmond, Kingston and Hounslow.

We are currently offering:

- Regular telephone support through our co-ordinators and volunteers whilst our home-visiting service is on hold.
- Someone to talk to and emotional support during these uncertain and isolating times.
- Support for challenges like financial worries, relationship issues or living in poor housing.
- Guidance on parenting in the early years.
- Ideas and activities to keep children active at home.

"It has been so helpful to be able to talk to you and share my concerns. This is a really valuable service."

BACK TO SCHOOL

Heading back to school on our trains?

We'll keep you safe

We're making sure that you can travel with us safely by keeping our trains and stations clean. We need you to help by following these simple steps.

- Wear a face covering**
 If you are aged 11+, you must wear a face covering on our trains and stations, unless you are exempt.
- Keep your distance**
 You must maintain social distancing as much as possible, including with your friends. When finding a seat in a carriage, spread out as much as possible.
- Wash your hands**
 You should wash your hands frequently. Some of our stations also have hand sanitiser machines, so you can use those too.
- Check your journey**
 We are running an amended timetable, so some trains may leave or arrive at different times. Check our website or app for the latest info so you're not late for school.
- Buy your ticket before you travel**
 To avoid queuing at the station on your first day back, buy your ticket beforehand on our app or website.
- Follow the instructions of our staff**
 You may see more staff at our stations in the first few weeks of term. They'll be there to make sure you can travel safely, so make sure to follow their instructions.

KEEP HOUNSLOW SAFE 

London Borough of Hounslow

BE A COMMUNITY CHAMPION!

Do you live or work in Hounslow? We need your help to stop the spread of coronavirus and save lives.

HOW DOES IT WORK? It's simple:

- You sign up to be a community champion
- We give champions the latest information about Covid-19
- Champions share the messages with people in their community, however they want.
- Champions let us know what is or isn't working and help us to dispel myths or concerns

To sign up and for more information, visit www.hounslow.gov.uk/covidcommunitychampion

Travelling into the UK summary – brief summary

Full guidance <https://www.gov.uk/guidance/how-to-quarantine-when-you-arrive-in-england>

There are some jobs that are exempt from the need to quarantine: list of [jobs that are exempt](#).

- quarantine for 10 days
- take a coronavirus (COVID-19) test on day 2 and day 8 of quarantining unless your job permits exemption
- follow the [national lockdown rules](#)

Quarantine for 10 days after arriving in England

When arriving in England, you must travel directly to the place you're staying and not leave until 10 days have passed.

What to do if you get coronavirus symptoms

You should [order a test](#) if you develop one of 3 coronavirus symptoms at any point

After arriving in the UK

Day-2 test

You will need to take a COVID-19 test on or before day 2 of your quarantine period. The day of arrival in England will be treated as day zero. This first test is designed to help identify any potentially harmful variants of COVID-19 at the earliest opportunity. Tests will be taken in your own accommodation.

If you get a positive result from your day-2 test, you must quarantine for 10 days beginning the day after the test is taken. If you get a positive result from your day-2 test, you do not need to take a test on day 8.

Day-8 test

You need to take a COVID-19 test on or after day 8, unless you got a positive result from your day-2 test.

If you get a positive test result from your day-8 test you will need to quarantine until day 19. Your household will also need to quarantine until day 19

Ending your quarantine early: Test to Release

You can still use the [Test to Release for international travel scheme](#). The scheme lets you choose to pay for a private COVID-19 test. If the result is negative, you can stop quarantining.

You cannot take a test to release test until you have been in England for 5 full days.

You cannot use the Test to Release scheme if you have been in or through any country that is on the [travel ban red list](#)

To take part in the scheme you need to:

- book a test with one of these [private test providers](#)
- choose to opt into the scheme on the [passenger locator form](#)

You should book your test before you travel to England.

You will have to pay the private test provider for your test. You will need to book an individual test for each person opting into Test to Release, **including children**.

You cannot use tests provided by NHS Test and Trace under this scheme. Use one of [listed private test providers](#). You can be fined if you use a negative NHS test result to end your self-isolation period early.

You still need to take the coronavirus test on or after day 8.
