Letter from The William Hogarth Governors

Dear Parents,

This Governor newsletter is a summary of our work over the past few months and is intended to keep you informed of what the Governing Body has been doing.

Our most recent meeting took place on the 8th of May, and we welcomed Rebecca Fitzgerald as our newest Governor, ensuring the Governing Board now has a full complement of members. We also said goodbye to our former Chair of Governors, Debra Kane, who has worked tirelessly for the school for the past seven years. We shared our huge thanks with Debra and wished her well for her future endeavours.

At the meeting, Ms Stockley provided a very promising analysis of the children's achievements at school, especially how well prepared the Year 6 children were for their SATS this week. We hope this preparation pays dividends and the children get the results they deserve. The Governors were also really impressed to hear more about the wide array of extra-curricular activities and trips that are available to the children at William Hogarth School. These experiences add such a valuable element to the children's education.

The school leadership has a robust system of monitoring and evaluating the work of the school. As part of our role as Governors, we check different aspects throughout the year.

We were impressed by the school's Attendance as targets set by the government are high and the school is doing the best it can to support children and their families in achieving these. The safeguarding of pupils continues to be a strength of the school. The lead governor visited the school at the end of April to monitor school processes and compliance and found everything was in order and that the record keeping procedures were a strength.

As with many schools across the country, financial pressures continue to put a strain on the leadership and management at the school. A huge amount of work is going on behind the scenes to address these financial challenges. Despite this, Governors were impressed by the efforts of Ms Stockley and her team to still ensure an impressive educational offering is available to the parents and pupils. This is testament to the dedicated staff that we are fortunate enough to have at William Hogarth.

Lastly, and to end of a very positive note, we are happy to report that budget has been secured from the Local Authority for a full refurbishment of the playground and work has already started as you may have seen. We look forward to seeing the students play with the new equipment.

We hope you and your children have a wonderful summer term, and we look forward to updating you further at the end of the academic year.

All the best,

The William Hogarth Governors

Message from Ms Stockley

Dear Families,

This week, children in Year 6 completed the national SATs assessments – the challenging end of Key Stage 2 tests. As always, the SATs were robust, requiring the children to work carefully, diligently and analytically in order to demonstrate all of their incredible learning from the past four years. I am sure you will have seen numerous posts on X and in the papers, critical of the construction of both the Reading paper and second maths paper. In spite of this, I was unsurprised and very proud of the way our Year 6 pupils rose to the challenge, getting their heads down to the task at hand – an absolute testament to their strength of character, sense of purpose and determination to do themselves and their teachers proud. I know you will join me in commending them.

I hope that many of you are delighted with the results of phase 1 of the Playground regeneration. Although it feels like ‘baby-steps’, it marks a great first step towards helping us achieve our ultimate goals. The children are really enjoying the more open environment in the back playground and even such small steps feel transformational – it has already created some real buzz and momentum around the school. So that we continue to build momentum, Alice (FOWHS Chair) and I met towards the end of last week, and placed an order for ‘loose parts’ to support the children’s technical and imaginative play in the outside. The site team are going to refresh a dedicated storage space for the resources and we are excited to roll this out to the children as soon as possible. I also held a contractor meeting this week to begin the process of tendering the Local Authority foundational works. Huge thanks to everyone involved in making our dreams a reality.

As ever, next week looks to be another busy one for staff, pupils and families! The whole school are taking part in the ‘Walk To School Week’ initiative – do have a look at the wonderful posters the children created if you haven’t already had a chance. We also have the athlete visit to look forward to, plus numeracy day on Wednesday, as well as a Bingo event on Thursday after school, hosted by the FOWHS.

Wishing you all a lovely weekend.

Miss Stockley and Team.

Stars of the week - WB 13.05.24

Happy

To all our stars: It is lovely to see your **happy** faces light up the school.

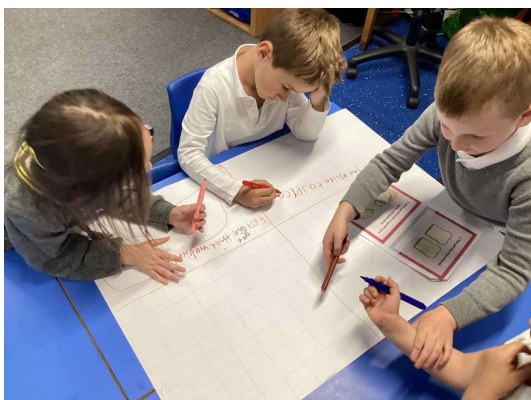

Class	Star(s) of the week	Description
Mondrian	Alba	Every day, Alba comes into school with a smile on her face, which she keeps throughout the day! Alba works amazingly with her table partners; she is patient, fair, and firm with them. It is her kindness that spreads joy and happiness in year 1, and I am so grateful for how lovely Alba's influence does wonders for her peers!
Matisse	Arla	Arla is a kind and caring young lady, who brings sunshine into the classroom with her warm smile. She always tries hard to look at the positive side of things and encourages others to do so as well. Arla is a superstar who brightens everyone's day.
Picasso	Vlad	There are so many reasons why Vlad is a star. He is happy, funny, hard working and determined. This week Vlad has been setting himself high challenges in his learning. He talks to the class so eloquently and cares so much for the other children. He is a deserving star of the week!
Blake	Alex	Alex has almost a permanent smile on his face. He very often spreads joy around the whole classroom, whether this is by telling us an interesting fact or cracking one of his signature jokes. I have also been impressed with how he has applied himself to his learning and improved his attitude to his work.
Shonibare	Nihal	Nihal is always so positive. She has been working hard to embrace a can-do attitude when it comes to school work. Beyond her own achievements, Nihal has also been a beacon of support and encouragement to others. She goes out of her way to make sure everyone feels included and valued .
Riley	Alba	Every day, Alba comes into school with a smile on her face, which she keeps throughout the day! Alba works amazingly with her table partners; she is patient, fair, and firm with them. It is her kindness that spreads joy and happiness in year 1, and I am so grateful for how lovely Alba's influence does wonders for her peers!

This week in Mondrian:

Year 1 have been looking at the external and internal features of different fruits and vegetables. They thought about what types of plants have bulbs and which have seeds.

In Writing for Pleasure, Year 1 have been looking at instruction writing. This week the children enjoyed making jam sandwiches that followed the instructions they had written in groups.

Upper Key Stage 2 River Thames Boat Trip

On Friday 3rd May, Years 4, 5 and 6 went on a geography fieldwork trip to the River Thames. The children completed some work on dry land at Chiswick Pier, which included reading ordnance survey maps; learning how to and using 6-figure grid references; recognising the geographical changes to the landscape around the River Thames in the last 100 years; and how long the River Thames is depending on if it is low or high tide.

Next, the children boarded the Golden Salamander and got to learn more about the River Thames and experience it from the water. One child said that they, 'felt nervous as they had never been on a boat before', and another said 'it was spectacular'.

On the boat the children continued their map work by spotting and naming bridges as well as finding landmarks along the water's edge. Lots of bird spotting took place with the children seeing cormorants, grey herons, Canada geese, mute swans and mallards. The children also found out the importance of the year 1858: the year known as 'The Great Stink', when the River Thames was so polluted that an act in Parliament was passed to clean up the River and to stop industries putting chemicals, rubbish, hot water and human and animal waste into it.

A trip out onto the deck to see some fellow water enthusiasts brought our amazing fieldwork trip to a close.

The children had a fantastic day and were so engaged and enthusiastic. A real credit to the school.

This week in cooking club, children made a pizza pot pie. Dolce Senso Baking Academy have shared the recipe so you can give it a try at home.

PIZZA POT PIE

Snack for Champions
by Dolce Senso Baking Academy

INGREDIENTS

Pie crust:
Self raising flour 250 gr
Oil 80ml
Salt: 1 tsp
Cold Water: 2 to 3 tbsp

Your Favourite Pizza Toppings
We will use:
Tomato Pure
Mozzarella Cheese
Oregano

INSTRUCTIONS

- 1 Place the flour and salt in a bowl and add the oil
- 2 Mix with fork or wooden spoon until all flour get moist.
- 3 Add 1 tbsp of water at the time and mix very well until all flour disappear. Please note you may not need all the water
- 4 Knead the dough until soft and smooth. Shape the dough into a ball and place it in a bowl. For best results leave the dough for 30 min in the fridge to rest.
- 5 Divide the dough into 1 big ball and one smaller.
- 6 Roll out the big dough ball into a thin base. Spread some pizza sauce and add your favourite pizza toppings. From the small ball roll out two thin ropes. Twist the thin ropes and place it on the top of the ball. The small piece of dough roll it again into a small ball and place it on top. See the picture to have a better idea how to shape it. Optionally brush the pizza pot pie with some egg yolk. Preheat the oven to 200C fan. Bake for 30 min

Baby Massage

A 5 week course to learn how to use nurturing touch to help you and your baby feel more relaxed together. This is a 5 week course with a maximum of 6 families per group, suitable for parents/carers with babies from 6 weeks to 6 months. Booking is required by emailing familyhub@hounslow.gov.uk

Baby & Me Coffee Morning

We know that being new parents has its ups and downs. If you want to meet other parents, come along to our friendly coffee morning. This session is for parents with babies under 6 months.

Baby TLC

Delivered by the Parent & Infant Relationship Service (PAIRS) Team
A drop-in baby group for non-walkers and their parents/carers to play together, talk, listen and connect. Contact: familyhub@hounslow.gov.uk for further information.

Dad's Play

A stay and play for dads/male carers with a baby or child aged under 4. No booking required. Contact familyhub@hounslow.gov.uk for further information.

Family Store

Donations from one family to another. This includes clothes, toys and equipment. Collections and drop offs are welcome.

Gardening Club

Garden activities for children from 18 Months to 5 years to encourage eating. Being outdoors is great for children and gardening offers lots of fun and learning opportunities that support their development.

Further Information

- Please note spaces are limited at all sessions. If the session is at full capacity, you will not be able to enter.
- If you wish to attend one of these sessions, please ensure you are registered with Hounslow's Children's Centres & Family Hubs. If you are unsure about being registered or if your details need to be updated, please speak to a member of staff.
- Services for families with Children 0 - 19 Years, or up to 25 years old if they have special educational needs and disabilities (SEND). Age ranges are specified against each session. During school holidays, siblings up to 8 years old are allowed to 'Stay & Play' sessions.
- Sessions may be cancelled at short notice due to training or staff absence. We will try to inform you 24 hours in advance if possible. Please check the latest version of the timetable on the Children's Centre pages of the FSD: www.hounslow.gov.uk/fsd

Infant feeding drop-in

Infant feeding clinic run by West Middlesex Maternity Department.

Non Walkers

A relaxed and welcoming space to meet other families, ask questions about your babies: development, weaning, breastfeeding and play together. Each session ends with a short song or story time.

Toddler TLC

Delivered by the Parent & Infant Relationship Service (PAIRS) Team
Referral to this group is strictly via health visiting or the Parent & Infant Relationship Service (PAIRS) team. For information contact familyhub@hounslow.gov.uk

Parent Carer Panel

We are looking for mums, dads, grandparents and carers to come along and hear about Family Hub services, share their experiences and help shape Family Hub services. The groups are friendly and informal and we always provide refreshments and a creche. Please email Clare.McKenzie@ReachFoundation.org.uk if you want to attend or have any questions.

Perinatal Appointments by referrals only

Please speak to your Health Visitor or Midwife to book a session.

Rhythm & Rhyme

A fun music session; singing a mixture of traditional and new rhymes for children using Makaton.

Sensory Room Bookings

For children with SEND or additional needs
A space that provides multi-sensory resources to support a Child's sensory needs, to enable them to engage in learning. This session is not facilitated by staff, however staff are available if needed.

Stay and Play

A fun, stimulating and safe environment for parents and children (0-5 years) to take part in together. If you have concerns regarding your child's development, please speak to a member of staff.

Meet a Speech and Language Therapist

By referral for families of children who are not already referred to the NHS Speech and Language Therapy Service. This is an opportunity for families to meet and understand the role of a Speech and Language Therapist, and get advice on how to support their child's communication. Referral is strictly via the Family Hub and Children's Centre teams. For information contact familyhub@hounslow.gov.uk
