### **Jubilee Celebrations**

We will be celebrating the Queen's Platinum Jubilee with a school picnic on Monday 23rd May 3-5pm. Families are invited to come and celebrate with us for this special occasion. Please wear red, white and blue; bring in a picnic (no nuts please); something to sit on; and something to toast the Queen with. There will be performances by each class and a competition for the best home-made crown.

Children can wear red, white and blue to school (no football kits please) on Monday 23rd May and will be taking part in a variety of activities during the school day.

### **Survey Monkey**

This year we have had a real focus on collecting your views about our school to help us make it an even better place for your children to learn. Thank you to everyone who has been using Satchel Pulse to give us regular feedback. The governors have asked that we also collect your feedback in line with Ofsted's Parent View. To help us please complete the Survey Monkey questionnaire via the link.

## Stars of the week

Class	Star of the week	Description
Rothko	Eden	You are always ready to help your friends and adults. Well done, Eden!
Mondrian	Muniba	Muniba has been so generous this week. She has been looking out for her classmates throughout the day, giving up her chair for her friends and helping tidy up inside and outside. Thank you for your generosity this week Muniba.
Matisse	Yujiro	Yujiro has been very generous with his time this week. He spent our library session kindly tidying up and putting books into the correct place. He also supported other children with their books.
Picasso	Yashgin	Yashgin has shown so much growth and development in the areas of sharing and generosity. We are very proud of her. She is trying very hard in all areas of learning but it is her sharing and working with others that has really grown. Well done.
Blake	Kai	Kai is such a generous friend/ classmate. He is always willing to help anyone out and is so eager to make people happy.
Shonibare	Sophie	Sophie has such a generous personality. She is always supportive towards others and is willing to help anyone who is in need. Well done Sophie, I am so proud of you.
Riley	Mia F	Mia is one of the more generous children in my class. For homework this week, Mia wrote her own recipe for baking delicious cookies! Not only that but she brought in enough for the whole class to share. We arrived back from our trip to a batch of freshly baked cookies. I think everyone would agree that Mia was incredibly generous this week.

## Mondrian Class Newsletter

Recently we have made the most of the beautiful weather! We are so lucky to have an amazing outdoor area right outside our classroom. We have explored volume and capacity using practical resources.

We have also practiced counting in 10s using bead strings.

In Computing we have been learning about grouping data. We discussed how we can describe objects and compare different groups of objects. This week we investigated how we can organise shapes into groups. We found out that we can put some into more than one group and create sub-groups. Then, we labelled all of our groups!

## Year 4

What a half-term year 4 are having. It is so clear to see the progress both academically and in maturity!

This half-term, Blake class have had so much fun taking part in tennis sessions, athletics and even learning our own version of Queen's 'We Will Rock You' for the platinum jubilee celebrations next week!

### Free Money for Childcare <https://www.childcarechoices.gov.uk/>

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing. As a new parent I have recently been told about **Tax -Free Childcare** which is a government scheme to help working families with the costs of childcare. What I didn't realise is that it is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2, up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

### **Uniformd – second hand uniform**

Running this online business is such an incredible opportunity for the children, helping them to develop a range of real-life skills including building financial literacy – all whilst supporting recycling. I would definitely encourage you to have a look at the Eco-Committee’s online marketplace and take on board their message of *“Relove your stuff!”*

The online shop can be found by heading to <https://app.uniformd.co.uk/items/40>

The online shop forms part of the Eco-Committee’s strategy and action plan in working towards the internationally recognised Green Flag Award – I know you will be keen to support the children, especially as all funds raised are targeted towards improving the school playground.

As young entrepreneurs, we have the following aims:

- To help families by recycling good quality uniform items at competitive prices
- To reduce the amount of clothing ending up in landfill
- To raise funds to improve our school
- To help families by keeping homes clutter free of outgrown items
- To learn about money and running a business
- To engage children in school development
