Message from The William Hogarth Team

HAVE A WONDERFUL HALF TERM BREAK AND WE LOOK FORWARD TO SEEING CHILDREN RETURN ON TUESDAY 4TH JUNE

Messages and updates

Bushcraft Residential Trip Y4 & Y5 - The deadline to secure your child's place for the Bushcraft Residential Trip is on Friday 31st May 2024.

Miss Trickey - PE Leader - Thank you so much for all of your encouragement and support in raising money for the sponsored fitness circuit, altogether we raised £1,863 which is absolutely amazing, especially considering we are such a small school!

The children had a fantastic time at the event and showed great respect to Pierre throughout the afternoon, representing our school in a great light. They enjoyed completing their sponsored fitness circuits and showed lots of motivation throughout. Also a big thank you to the PTA for providing juicy oranges for the children which they had as a treat after completing their circuit, it was a great hit!

The children who raised over £35 had their photo taken with Pierre who then printed this out and signed it with his autograph. All children will receive a sticker from Sports For Champions once they have arrived in school! The child from each year group that raised the most money will also receive a mini prize.

Thank you again!

The Early Years Team – Donations of Resources

Thank you all for your generous donations so far, children have been enjoying the new and improved mud kitchen!

There are a few items still on our wish list and the half term break is a great opportunity to have a clear out. If you are able to donate any of the items below please bring them to the school office from Tuesday 4th June.

Thank you for your continued support!

Stars of the week - WB 20.05.24

Optimistic

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Yahya	Yahya has hugely improved his attitude towards learning this term; he has been opening up and sharing his ideas in all lessons. He has remained optimistic and resilient when sharing his home learning project. Well done, Yahya; keep it up!
Matisse	Romey-Mae	Romey-Mae, you always have a positive and cheerful attitude, even when faced with difficult or new tasks. I am so proud of how your optimism and enthusiasm ensures that you are successful. Well done for being so optimistic and working hard.
Picasso	Xandria	Xandria has displayed incredible optimism this week. She has shown a very positive attitude towards beginning swimming lessons. She really enjoyed the visit from the basketballer, Pierre, on Wednesday and was very keen to introduce herself. I am so proud of her confidence this week!
Blake	Usman	I am beyond impressed with Usman recently. He has strived to be the best version of himself which has been apparent in both his behaviour and his attitude towards his learning. He has instilled a belief in himself that was the only little thing holding him back from greatness across the board. He's become a happier, more optimistic version of himself and I'm excited to see him keep this up!
Shonibare	Nils	Nils really embodies the value of optimism, his can-do attitude means he's always undeterred when it comes to any challenges in his school work. His positive energy draws his friends to him and is felt by all in the classroom. His optimism is particularly noticeable during class discussions where he is always eager to answer questions passionately.
Riley	Suheyla	Mr Harpley has been blown away by how Suheyla always has a smile on her face. Suheyla has come so far in her optimism. She used to find it hard to pick herself up again after disappointment but she has grown so much and is now able to support herself and others. Your teachers are very proud!

Visit from Pierre Henry-Fontaine

The children thoroughly enjoyed our visit from Pierre on Wednesday. They showed great motivation in their sponsored fitness circuit and demonstrated respect to Pierre throughout the event. Thank you for all of your support and encouragement in raising money for the event!
