

*We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential*

**Message from the Headteacher**

Those of you who know me well, and particularly the children, will be aware that I am a committed animal lover with a houseful of pets ranging from cats and dogs, to lizards and frogs! This week I had to make the very hard decision to put down my beloved dog, Coco, as she was very unwell. Despite the sense of grief and loss, I have taken heart in all the wonderful things she brought into my life: fun, companionship and a warm welcome home in the evening. I have been reminded that every single day is important; every single day provides us with an opportunity to connect with our communities and the people around us; every single day offers each one of us the chance to step up and make a positive change in the world. I would encourage all of you to make the absolute most of this weekend, spending time with your friends, families and loved ones.

Ms Stockley

Ladders at Home has now launched. Please read your welcome email.

## Stars of the week

Class	Stars of the week	Description
Rothko	Alyssia	Alyssia is a very friendly girl who always includes other children in her play. She particularly likes role play and imaginative games. Well done Alyssia!
Mondrian	Tonirose	Tonirose has shown togetherness by supporting her friends and her classmates. She plays well with others and has been very helpful towards newer members of the class. Well done Tonirose.
Matisse	Bento	Bento is very supportive when we are playing team games. He has worked really well with others when playing cricket. He also is amazing at speaking to children who are new to English and trying to include them.
Picasso	Tiannahmai	Tiannah you have demonstrated togetherness with your friends and classmates. You have helped new joiners to feel welcome. Thank you Tiannah.
Blake	Eva	Eva has shown wonderful moments of togetherness this year. She is very quick to include somebody who isn't involved in an activity and shows wonderful leadership. Eva is such a lovely classmate!
Shonibare	Valentino	Valentino has a lot of affection for his peers in year 5 and when it comes down to group work, being in the playground, supporting someone, Valentino is the perfect person. He is someone who makes sure that everyone is together and part of the group. Well done Valentino, you are an amazing young man.
Riley	Maram	When thinking about someone who brings people together, my mind went to Maram. Maram is great at working with different groups of people. I know if I have a group task, I can ask Maram to work with anyone and she will try her best to ensure the group works well together. There has been a real confidence boost in Maram during the summer term and it has been such a joy to see!

### Swimming Stars

This weeks' swimming star is Sophia Grant

Sophia always works so hard at her swimming, this week swimming an amazing butterfly stroke, which is very hard to master, even though she said it was easy. Well done!

## **For the attention of parents with children with special education needs and/or disabilities**

Ofsted and the Care Quality Commission (CQC) recently carried out a joint inspection of the effectiveness of special educational needs and/or disabilities (SEND) in the London Borough of Hounslow. As a result of the SEND inspection findings, the Local Area is required to produce a Written Statement of Action (WSOA). The local authority and the area's clinical commissioning group are jointly responsible for submitting the written statement to Ofsted.

The WSOA will need to show how it will tackle the following areas of significant weakness:

1. Poor quality of Education, Health and Care plans, including preparing children and young people for adulthood
2. Poor communication and a lack of co-production with partners, including the workforce, parents, carers, young people and other stakeholders
3. Weak commissioning arrangements for therapies, meaning that some children and young people do not get the help they need early enough. In addition, there are unacceptable waiting times for some therapeutic assessment and support, including speech and language therapy and occupational therapy.
4. Weak quality assurance processes to evaluate the area's work to bring about improvements across education, health and care.

The school effectiveness team at the borough have launched an on-line survey for parents/carers to complete so they can tell the borough about what you think the borough should be focusing on.

As Leader of inclusion, I have been asked to share the link to this survey with our parents/carers of children with SEND in your school. The closing date for the survey is Friday 22<sup>nd</sup> July.

# Year Six Cooking - Chilli Con Carne

This week in Food Technology, we decided to make Chilli Con Carne. To make this we followed a complex recipe and used a lot of new equipment. We are so lucky that The Friends of The William Hogarth School gave us the money to buy such great equipment.

"It was a great experience to create our own lunches. I really enjoyed trying out different herbs and spices!" – *Chloe*

"Cooking is one of the best parts of the curriculum. The food tasted amazing!" – *Dante*

"I learnt a lot about the new equipment and we are so grateful to have such amazing new cooking equipment in our school." *Markos*

## Year 6 Fiver Challenge

Year 6 will be taking part in The Fiver Challenge. The school will be providing £5 per group to inspire them to start their own businesses. Each group will have an after school event and they will be running a stall to try and make more money for a special event. The dates for each group will be:

### Free school meals

Although every child in Reception, Year 1 and Year 2 will be offered a free school meal at lunch time, families of children in every year group receiving certain benefits are still required to complete an online application form. This includes Reception, Year 1 and Year 2 children. Please click for the [Free school meals eligibility checker](#) to see if you qualify or to make an application for free school meals please click here [Free school meals](#)

This can help the school raise extra funds.

Your children are entitled to free school meals if you receive one of the below benefits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit and have an annual income of no more than £7,400
- Child Tax Credit, but not entitled to a Working Tax Credit and have an annual income (as assessed by the Inland Revenue) of no more than £16,190
- Guaranteed Element of State Pension Credit
- or are being supported by the National Asylum Support Service (NASS)

Applications for free school meals cannot be backdated.

## Free Money for Childcare <https://www.childcarechoices.gov.uk/>

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing. As a new parent I have recently been told about **Tax -Free Childcare** which is a government scheme to help working families with the costs of childcare. What I didn't realise is that it is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2, up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

## Uniformd – second hand uniform

Running this online business is such an incredible opportunity for the children, helping them to develop a range of real-life skills including building financial literacy – all whilst supporting recycling. I would definitely encourage you to have a look at the Eco-Committee's online marketplace and take on board their message of **"Relove your stuff!"**

The online shop can be found by heading to <https://app.uniformd.co.uk/items/40>

The online shop forms part of the Eco-Committee's strategy and action plan in working towards the internationally recognised Green Flag Award – I know you will be keen to support the children, especially as all funds raised are targeted towards improving the school playground.

As young entrepreneurs, we have the following aims:

- To help families by recycling good quality uniform items at competitive prices
- To reduce the amount of clothing ending up in landfill
- To raise funds to improve our school
- To help families by keeping homes clutter free of outgrown items
- To learn about money and running a business
- To engage children in school development
