Changes to Attendance Guidance from August 2024

The Department for Education has announced new regulations regarding attendance which are coming into force from August 2024. Much of the non-statutory guidance previously, will now be statutory as the government tries to support families and tackle a worldwide rise in absences since the pandemic. As well as 32 attendance hubs being set up across the country, schools will now share their daily attendance registers across the education sector. There is much evidence to support that the pupils with the highest attainment at the end of key stage 2 are those children with the highest rates of attendance over the key stage compared to those with the lowest.

Going forward, it is vital that parents and carers understand the new policy coming into effect and the expectation placed upon them, the school and the local authority to ensure every child receives an education. As well as absences, there is a particular focus on lateness and tackling the barriers to arriving on time so that valuable learning time is not lost. Parent fines for unauthorised absences and lateness will be brought under a national framework. Fines could be up to a maximum of £160. A combination of 10 absences/or late arrivals over a 10 week period could incur a fine. Although school may issue future fines the money will not be paid to the school but to the Local Authority to support attendance projects.

Please make sure your child is in school every day.

Please arrange appointments outside of the school day where possible and provide evidence when this is not possible.

Please contact the school office (02089944782) in the first instance when you know your child will not be in school.

Only take holidays during the school holidays – your child has 175 days holiday a year.

Please contact the school and speak to your class teacher, Miss Stockley, Miss Rees or Mrs Luciani, if you are struggling or need support.

Click the link to read the [Working Together to Improve School Attendance](#) guidance that applies from 14th August 2024.

Stars of the week - WB 17.06.24

Resilient

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Oskar	Despite facing challenges, Oskar consistently shows determination and resilience, never allowing a rocky start to impact the rest of his day! This week Oskar worked well in his group creating a synonym paper chain to improve writing vocabulary. I was very impressed! Well done Oskar and keep it up!
Matisse	Aniyah	This week has been a tough week for the children in Year 2 as we have been taking our assessments. These can be extremely tricky but I have been so impressed with Aniyah's attitude and how resilient and hard working she has become. Well done and keep it up!
Picasso	Evelyn	I am so proud of the resilience Evie has demonstrated this week. She has told me about how she has put in 100% effort into her assessments. Evie has been getting better at remaining positive when she experiences a setback.
Blake	Eleanor	Eleanor is someone who consistently displays our school values. I have been very impressed with her recently. Particularly this week during our assessment as she admitted she was dreading then a little on Tuesday but she's put her head down and has worked hard throughout the week and I'm sure her results will reflect that.
Shonibare	Malak	Malak is always quietly resilient. She is always motivated to seek feedback or advice on how to improve in her learning and She readily asks for help when she faces a challenge. She has a true growth mindset attitude and I am proud of all the improvements she's made this term.
Riley	Lucas	Lucas has been SO resilient this year - he has grown so much as a learner and made some huge achievements. He has really developed his sense of maturity and his values. He pointed out to me this week that his biggest lesson this year was to keep calm during a test situation and to not let his nerves affect his ability to answer difficult questions. What an important life lesson!

The Polls Are Closed!

Today saw voting at The William Hogarth School open for children in Years 1-6 in the Our Generation, Our Vote, project that has been running for the last 2 weeks. Children voted on the 8 candidates that are asking for your votes in the Hammersmith and Chiswick constituency.

The children entered the polling station and gave their name to receive their ballot paper. Once they had voted they had to fold their paper and put it into the ballot box.

Early exit polls indicate that the Green Party and the Labour Party have done well, although official results will be shared nationally from all the young people that have taken part across England and Wales on Friday 28th June in the media. We look forward to the result.

A Year 2 child said: 'I feel that voting is important because it is essential to have your own voice heard' and another said: 'It was interesting and fascinating to participate in the voting. Now I have an understanding of what it is like to vote.'
