

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

Phew! Summer has hit and it has been glorious to have such sun-filled days (even better if there was a swimming pool involved, but I am happy to just be grateful for some warm weather).

This half of the summer term provides a wonderful opportunity for celebration and reflection as we countdown to the end of the academic year. Assessments are completed, reports are in the process of being written and will be with you at the end of term and we are getting ready for the children to transition to their next year groups. On that note, our transition day this year will be 5th July, in line with the Hounslow secondary school transition day. This is a great opportunity for the children to experience their new classrooms and teachers, so that the learning process for next academic year begins smoothly and swiftly. I am particularly looking forward to the Year 6 production which promises to be a true spectacle and their graduation and awards ceremony.

Year 6 are thoroughly loving the Cooking Curriculum that we have implemented this half term. Last week, chilli con carne was on the menu and this week they have been hard at work preparing butterscotch apple crumble! This amazing curriculum development has only been possible because of the generosity of the Friends of William Hogarth and all their hard work in fund-raising on behalf of the pupils. Next year, the full Cookery Curriculum will be rolled out - Year 6 are our test-pilots, helping us to refine the risk assessments and rules of engagement in the kitchens. There are more curriculum developments on the horizon for next year as we further refine and enrich our offer for the pupil. I am proud of all the teachers and the hard work that they have put in to making our curriculum so relevant and so exciting for the children.

Have a wonderful weekend.

Stars of the week

Class	Star(s) of the week	Description
Rothko	Aleksa	Aleksa has recently joined our class and seems happy to be in school. Well done, Aleksa!
Mondrian	Wateen	Wateen is a happy and smiley girl who is always kind and friendly to her classmates. She tries to stay cheerful and positive, even during hard or challenging times.
Matisse	Oleksandr	Alex is a super happy boy and he loves to make others laugh. Alex gets on really well with other children and he has a good cheekiness. Thank you Alex for your happiness!
Picasso	Yaroslav	We are really proud of the way in which Yarok has settled in this week, working so hard and trying his very best in everything.
Blake	Lorenzo	Lorenzo has put a lot of effort into his learning recently and it shows, as he is making wonderful progress.
Shonibare	Marwa	Marwa has begun her journey at The William Hogarth in such a happy and positive way. She comes into school with a smile on her face and even when faced with challenges she remains happy and positive, eager to learn something new.
Riley	Arina	Towards the end of the year, we have been fortunate enough to have a new arrival. Arina has fully embraced our school in every way. It has been a joy to get to know her and to welcome her into our class. Arina has made some great friends in her short time here and is often seen laughing, smiling and having fun. In addition to this, Arina has worked really hard with her English and is participating as best she can in all lessons. Well done!

Swimming Star

This week's swimming star is: **Harrison**

He showed great courage to join his classmates and even swam a few strokes. Harrison was also a fantastic line leader showing great understanding of hazards on the way to the pool. Well done!

Mondrian Class Newsletter

Our Hogarth value this week is 'happiness'. In PSHE we have discussed what we can do to make sure that we are happy in school, and how we can ensure that our friends and classmates are happy too. We have spoken about traits like honesty and kindness and why these are really important.

In Maths we are learning about numbers up to 100. We have practiced partitioning larger numbers using Base 10.

We have also been enjoying the beautiful sunshine during our playtimes and lunchtimes! 😊

Year 4

As we enter the final parts of year 4, I am still seeing wonderful progress and effort being put in by every single member of Blake Class. Also, I just want to say congratulations to the whole class, because everyone has completed the official times table check!

This half-term we have had a cricket coaching session from Middlesex Cricket Club, which everyone enjoyed. In art, we have been looking at packaging design and focussing on Andy Warhol's famous designs too.

Free school meals

Although every child in Reception, Year 1 and Year 2 will be offered a free school meal at lunch time, families of children in every year group receiving certain benefits are still required to complete an online application form. This includes Reception, Year 1 and Year 2 children. Please click for the [Free school meals eligibility checker](#) to see if you qualify or to make an application for free school meals please click here [Free school meals](#)

This can help the school raise extra funds.

Your children are entitled to free school meals if you receive one of the below benefits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit and have an annual income of no more than £7,400
- Child Tax Credit, but not entitled to a Working Tax Credit and have an annual income (as assessed by the Inland Revenue) of no more than £16,190
- Guaranteed Element of State Pension Credit
- or are being supported by the National Asylum Support Service (NASS)

Applications for free school meals cannot be backdated.

Free Money for Childcare <https://www.childcarechoices.gov.uk/>

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing. As a new parent I have recently been told about **Tax -Free Childcare** which is a government scheme to help working families with the costs of childcare. What I didn't realise is that it is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2, up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

Uniformd – second hand uniform

Running this online business is such an incredible opportunity for the children, helping them to develop a range of real-life skills including building financial literacy – all whilst supporting recycling. I would definitely encourage you to have a look at the Eco-Committee's online marketplace and take on board their message of **"Relove your stuff!"**

The online shop can be found by heading to <https://app.uniformd.co.uk/items/40>

The online shop forms part of the Eco-Committee's strategy and action plan in working towards the internationally recognised Green Flag Award – I know you will be keen to support the children, especially as all funds raised are targeted towards improving the school playground.

As young entrepreneurs, we have the following aims:

- To help families by recycling good quality uniform items at competitive prices
- To reduce the amount of clothing ending up in landfill
- To raise funds to improve our school
- To help families by keeping homes clutter free of outgrown items
- To learn about money and running a business
- To engage children in school development
