*We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential*

### **Message from our Headteacher**

Dear Families,

What a week: sports day, transition day, dance workshops and theatre trips!

I am sure you will agree that sports day on Monday kick-started the week with an absolute triumph of fun, participation and inclusion. It was brilliant to watch the mixed-year teams make their way around the activities, supporting and cheering each other on throughout the morning. Thank you to the team of organisers: Miss Trickey and Mr Howley for bringing it all together so successfully. Congratulations to Yellow House who took the Winner's Trophy this year. Once again, our thanks go to Chiswick School for allowing us to use their playing field and providing some wonderful pupil ambassadors to lead the activities. Well done to all the brave parents and teachers who took part in the running races – I am sure I was not the only one feeling a little bit stiff on Tuesday.

Transition day is one of our annual rituals, and gives children the chance to meet their class teacher for September and spend the day with them. During the day, classes focused on well-being and resilience, writing, mathematics and art & design. We also had an opportunity to welcome in our new Reception families.

Year 4 attended the Hamlet production at The Orange Tree Theatre in Richmond today. A visit by Years 5 & 6 took place earlier this term, part-funded by the Friends. The theatre staff were so impressed with the children's behaviour that they extended an opportunity for other pupils from the school to watch the performance free of charge.

Thank you to Miss Rees for organising Ghost Dancers to come into school for Dance Workshops across the school this morning. Pupil voice at lunchtime today was really enthusiastic and we are hopeful that we will be able to launch an after-school dance club in the new academic year.

Wishing you all a lovely weekend.

Miss Stockley and Team

### **Message from the PTA**

#### **What a year**

Congratulations everyone on all your amazing year making this such a fun and memorable year for the PTA. We raised an awesome £3,500 (approximately) at the summer fair.

This money is spent on enrichment activities for the children. For example this year we have contributed to the Y6 hoodies, visiting workshops for science week, theatre workshops and school trips. We have also bought new small parts playground equipment for use at play time.

Thank you so much for all your support. Looking forward to another exciting year. Please remember you can help out with any of the PTA activities throughout the year, any support big or small makes such a difference and helps enhance your child's primary school experience.

**Congratulations to Daisy Y1 and Ishana Y4 who were joint winners  
for selling the most raffle tickets for the summer fair.  
Both families have received £50 each!**

## Stars of the week - WB 01.07.24

### Hard-working

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Andrii	Andrii has been exceptionally hardworking this week. He loved the street dance workshop this morning and had been an amazing team player on sports day. All week, he has been focusing carefully on his reading and has also been the most engaged and active in our maths lessons. Well done, and keep up the fantastic work, Andrii!
Matisse	Arla	Arla has consistently worked hard this year, across all subjects. She is always willing to offer her opinion or understanding in lessons to help her peers. I am so inspired by her positive attitude and her persistence to improve in all areas. Well done, Arla.
Picasso	Arty	Arty has shown incredible hard work and dedication since joining our class. He brought a positive attitude to sports day, encouraging his team and participating enthusiastically. Throughout the week, Arty has consistently tried his best in all tasks!
Blake	Lucio	Lucio consistently makes the right choices and demonstrates a deep understanding of the importance of hard work in achieving improvement. His ability to work effectively with anyone and everyone is truly commendable. Most impressively, Lucio has shown remarkable dedication to building his resilience. The tremendous progress he has made in this area is something I am particularly proud of.
Shonibare	Ali	Ali has worked very hard all year long. She demonstrates excellent listening skills which is always evident in the execution of her work. To use writing as one example, Ali has made an effort to ensure she's always using the correct tense and elevate her descriptions to use the features we have learnt in lessons.
Riley	Dominic	During sports day, you could not have found a harder working house captain! Dom had only a small team but he led them to a hard earned victory. It was admirable to see Dom cheering on each and every member of his team. He received a personal mention for his leadership from the school senior leadership too. Well done Yellow House and well done Dom!

## Newsletter piece by Mr Hannah – Year 3 Picasso

I was so incredibly proud of Year 3's achievements on Monday during sports day. In our afternoon assembly, Year 3 had the most number of children receive a certification for their teamwork, resilience and support for others. Year 3 were very excited for transition day on Tuesday and supporting each other with changes. On Wednesday, the class looked at a variety of packaging and assessed their suitability. They are making packages to stop biscuits from being broken! The class used nets to make 3D shapes, which they can use as packages. Below are some photos of Year 3 making their packages and from our trip last week to the Judaism exhibit.

## **Ghost Dance Troupe**

We were delighted to welcome Tyrell Paisley, founder and choreographer of Ghost Dance Troupe to The William Hogarth School this morning to run a series of workshops across KS1 & KS2 pupils. Following the fun workshop today, we will look at an opportunity to run an after school club session from September 2024 for the Autumn Term so please keep an eye out with further information on our clubs in the new term.

## **Keeping up to date with how your child is doing**

“The effect of parental engagement over a student’s school career is equivalent to adding two or three years to that student’s education.” John Hattie.

At school we use the award winning platform ‘Learning Ladders’, to share your child’s progress with you. The platform enables you to be involved with your child’s education so that you know what your child is learning about in class and you can discuss this with them. The platform can translate into over 130 languages by pressing the ‘Translate’ icon at the top of the page and other features such as increasing the size of the font, audio or highlighting can also be accessed through this button. Education articles can be found via the tool bar if you are looking at ways to support your child further.

A reminder that end of year reports will be published on Learning Ladders in July. You can access Learning Ladders by clicking <https://laddersathome.co.uk>

If you are having problems accessing the site, please get in touch with Miss Rees who can support you further.
