Message from the Headteacher

Dear Families,

We have almost reached the end of the academic year which is always a slightly bittersweet time; we get to reflect on the achievements of the past 12 months, but are also arriving at the time when it will be necessary to say goodbye to valued friends, colleagues and some of our lovely children.

Year 6 are coming to the end of their time in primary school and marked the occasion magnificently with their performance of Ali Baba and the Bongo Bandits. The children were remarkable, putting on an absolutely incredible show. The singing, jokes and acting were delivered with great style, keeping us all entertained. Particular thanks goes to Miss Cowell and Mrs Gordon for wonderful props and stage management.

I am very sad to let you know that our amazing office team are retiring at the end of the year. It has been my absolute privilege to have had Mel and Alana on my team and I cannot begin to say how much they have helped me in my role as a headteacher. Both of them have asked me not to make a big fuss about their departure, but this is going to be very hard to stick to. Mel is looking forward to an idyllic retirement in the sun; I am pretty sure there is going to be a glass of wine to accompany her in the lounge by the pool and I know you will join me in wishing her a very, very heartfelt farewell. Alana has moved out of London and has been absolutely stellar in making the commute every day. For the ladies amongst you, Alana is leaving us to pursue her dream and passion of building a bikini design business (I am probably at an age where a bikini is no longer appropriate, but I can still live in hope!) Please do pop in and offer them your good wishes over the next few days.

Key Stage 1 and Key Stage 2 SATs results are in – KS2 children will get their personal result letters next week, but I have popped a quick overview below.

KEY STAGE 2 OVERVIEW	Reading	Writing	Maths	GPS
Expected +	80%	76%	68%	84%
Greater Depth	28%	40%	40%	48%
Average scaled score	104.1	NA	105.3	107.7

KEY STAGE 1 OVERVIEW	Reading	Writing	Maths
Expected +	74%	52%	65%
Greater Depth	30%	26%	26%

	Passed	Average score
Year 1 Phonics Screening Check	95%	38.6 / 40
Year 4 Multiplication Check	Not applicable	21 / 25

I am really proud of how well the children have done, overcoming the gaps and barriers created by repeated lockdown learning. They have worked so hard.

Hoping you all have a lovely weekend.

Miss Stockley

Stars of the week

Class	Stars of the week	Description
Mondrian	Edward	<p>As well as showing generosity and kindness towards his friends, Edward has demonstrated a real drive to succeed this week.</p> <p>He has put sustained effort into his learning and his behaviour and tried hard to accomplish tasks by being persistent in the face of challenge. Well done Edward, I feel really proud of you!</p>
Matisse	Liliana	<p>Liliana is one of the most generous people in the school! She is always seen carrying tons of equipment at the end of play time to help put them away. She loves to do jobs for the teacher and she enjoys helping others in the class. You are very kind hearted!</p>
Picasso	Rocky	<p>Rocky-you have shown resilience in your writing over your time in year 3. When you pay attention and take your time, your presentation improves, despite it being challenging for you. Your writing ideas are wonderful.</p>
Blake	Lucas	<p>Lucas is always so willing to help everyone. He is enthusiastic and takes great pleasure in working with others and helping out.</p>
Shonibare	Remi	<p>Remi is a kind and generous girl. She always goes out of her way to help others and make sure that they are ok. It has been a great joy to have Remi in Shonibare this year. Well done Remi.</p>
Riley	Patryk	<p>When thinking about generosity, I always come back to Patryk. He's generous in so many ways. He is generous with his time. It is often commented on around the school how helpful Patryk is. I know next year I will miss that unwavering support! Patryk is generous with his belongings, he shares his resources amongst the children. He's generous with his ideas, he shares his thoughts and articulates himself really well in lessons. Well done Patryk!</p>

Library

As we approach the end of term, and the end of the year, we are chasing outstanding library books. The children have been really good at returning them this year, but we still have around 50 books we want returned. Please can you have a hunt on your shelves and under beds etc - they are easily recognisable as ours as they will have a letter on the spine (for the author) if they are fiction, or a round colour sticker for non-fiction. Thank you very much.

Swimming

This week we are celebrating year 4s first half a term of swimming lessons.

Year 4 Blake class have approached starting swimming lessons with astonishing enthusiasm for which they should all be very proud. As with year 5, they were split into 2 groups 'sharks' and 'dolphins'.

DOLPHINS

This group had a large number of children with little or no experience of swimming, and so were quite anxious at the start, so it is to be really celebrated that within 3 weeks, every single one of them were joyfully getting into the pool and taking full and active part in their lessons. For this not inconsiderable achievement, they have all been awarded Swim England Level 1 certificates.

Well done to Ayman, Bilaal, Harrison, Hidayah, Jahzara, Kai, Lucas, Mia, Mu'aahd, Nza, Suheyla, Trang and Vansh.

SHARKS

In year 4 Blake class there were 9 children who had more experience, and some, quite a lot of experience. They will have detailed assessments in higher levels next year, as some have skills right up to level 6 and some are less confident, so we assessed that they were all comfortably swimming at Swim England level 3, and will no doubt be racing up the levels from September.

Congratulations to Bruke, Dominic, Emile, Eva, Ibrahim, Lorenzo, Nicole, Oliver and Trey.

Free Money for Childcare <https://www.childcarechoices.gov.uk/>

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing. As a new parent I have recently been told about **Tax -Free Childcare** which is a government scheme to help working families with the costs of childcare. What I didn't realise is that it is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2, up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

Uniformd – second hand uniform

Running this online business is such an incredible opportunity for the children, helping them to develop a range of real-life skills including building financial literacy – all whilst supporting recycling. I would definitely encourage you to have a look at the Eco-Committee's online marketplace and take on board their message of ***"Relove your stuff!"***

The online shop can be found by heading to <https://app.uniformd.co.uk/items/40>

The online shop forms part of the Eco-Committee's strategy and action plan in working towards the internationally recognised Green Flag Award – I know you will be keen to support the children, especially as all funds raised are targeted towards improving the school playground.

As young entrepreneurs, we have the following aims:

- To help families by recycling good quality uniform items at competitive prices
- To reduce the amount of clothing ending up in landfill
- To raise funds to improve our school
- To help families by keeping homes clutter free of outgrown items
- To learn about money and running a business
- To engage children in school development
