STARS OF THE WEEK

Stars of the week - WB 23.09.24

Ambitious

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Archie	This week, Archie has demonstrated great ambition by going above and beyond in his learning. He always stays on task, gives his best effort, and encourages his peers. Despite feeling anxious about the upcoming harvest assembly, Archie has shown ambition by striving to be a star performer. Well done, Archie – keep up the fantastic work!
Matisse	Livia	Livia has been so ambitious in her writing. She has used wonderful adjectives to help the reader paint a picture in their mind. This has meant that Livia has created a super letter to the character in our story.
Monet	Stanley	This week, Monet class have been competing in a multiplication cup! Stanley is quite competitive and VERY ambitious when it comes to winning - so this was very much in his ballpark. He really impressed with his resilience. He kept saying 'I can't do this' but then quickly turned it around and went back to try again. He eventually came third place out of hundreds of children! Well done Stanley.
Shonibare	Usman	Usman has been a complete superstar this year. He's become someone that I can always rely on to be listening, contributing and doing his absolute best at all times. He's shown great ambition in both maths and humanities, where he was the first person to complete the entire worksheet and wrote almost three pages of a humanities essay.
Riley	Doga	In the last few weeks, Doga has shown a real flair in her writing and shown that she is ready to use interesting vocabulary and ideas to improve. She is ambitious in her writing which is delightful to see. Doga has demonstrated that she has amazing potential and the talent and capability to become an accomplished writer and author. She is happy to share and support others whilst also taking on what they have to offer so that she continues to improve.
