Nationwide Financial Education Sessions - For Parents.

As a response to the cost of living crisis, we have partnered up with Nationwide to try and support our families with financial education. We have also considered how important financial literacy is for our children. On Friday 6th October there will be two online events one at 9-9.30 and one at 2.30-3.00pm. These two events will be to share the materials that Nationwide will be using in the sessions with the children. The link to the online session will be sent out to parents on Thursday 5th October.

Kerbside and Parking Strategy consultation – Hounslow Transport Team

What's the kerbside? The kerbside is the space that sits on the road next to the pavement. You might currently find cars, trees, cycle parking, or taxi bays here. Well-designed streets and spaces benefit everyone, not just a few. We are considering proposals for other kerbside uses such as more trees, plants, car clubs, seating and outdoor eating areas and deliveries.

Why is parking important? Hounslow requires a progressive car parking strategy to manage and enhance its existing provision to meet emerging trends. The Parking Strategy looks to maximise benefits for users, as well as enhancing parking management by examining a number of key areas. These include parking supply, safety & security, signage, future mobility (e.g. electric charging points), pricing, operations, active travel options (e.g. cycling, walking), accessible and priority parking (e.g. for people with disabilities or parent and toddler bays).

What happens next?

- Have your say now by visiting <https://talk.hounslow.gov.uk/reimagining-our-streets>.
- The consultation will be live for 12 weeks starting from Monday, 18 September until Sunday, 10 December 2023. We will be promoting the consultation during this period.
- Following the consultation, we will publish a report on the consultation and what we've been told. We will make changes to the strategies based on this information, and the final strategies will be submitted to Cabinet for approval.

Stars of the week - WB 25.09.23

Generous

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Livia	This week, Livia has been sharing her generosity with the whole class. She has been patient and resilient in her Harvest song practice. Livia is always willing to help her friends and spread kindness to all. Keep it up!
Matisse	Artiom	Artiom you have been so supportive and helpful to your friends both in the classroom and the playground. I am so proud of you and your natural ability to be generous and kind to others. Well done.
Picasso	Violet	Violet is a very generous child. She has been confident in class to give her ideas. Especially during our workshops, Violet has been answering lots of questions and she brought in a large collection of resources to share.
Blake	Yasmin	Yasmin is incredibly generous in everything she does. She goes out of her way to help others in class no matter who she sits near. She also offers her insight in lessons, and did this amazingly during our Roman Day yesterday. She also generously helped others fixing their costumes.
Shonibare	Taiba	Taiba is always thoughtful and shows kindness to all members of her class, even when she shares stories from home, it is clear that this is a value she demonstrates consistently. She's always happy to help and is particularly fantastic at making sure our classroom is nice and tidy.
Riley	Bruke	It would be easy to give Bruke star of the week every week. He is an all-round superstar. This week, Bruke has shown his generosity by helping classmates in lessons, by supporting people with their workshop projects and by being an excellent team player. Well done!

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax -Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy! This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.

Below these are red arrows pointing to 'Register your child online for FREE school milk today.' and 'Register online now and you can pay straight away!'. The bottom left shows a child in a red school uniform holding a glass of milk. The bottom right has a blue background with 'Register your child for school milk today.
