

The Small School With The Big Heart

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Headteacher for the day

Hello, I am Emile Early. I am a pupil in Year 6 and I had the pleasure of being head teacher for the day on Monday 2nd October 2023. This is what I found out about running a successful school.

Emails and Admin

Like Miss STOCKLEY, I started the day with sending emails. Imagine my horror when I found out that there were *only* four hundred and four emails to go!!! I realised I was not going to be able to get through all of those emails in one day so I delegated them for Miss Stockley to do.

Health & Safety

Then, I monitored the site team, checking with Nathan whether all of the fire extinguishers were in the correct place, full and with tags on. They were – phew - so we went to fix the gates in the back playground. Now they are working perfectly; they used to be closing too fast which meant if your hand got trapped it would hurt a lot. Imagine getting a metal gate getting slammed in your hand. Don't worry though, I've sorted the problem so now they close nice and slowly. You're not going to get hurt because you have more time to take your hand away.

Attendance

Next in my busy diary was attendance analysis with Miss Rees. It was not looking that good for some classes - whole school attendance was under 90% last week! I was shocked! What can we do to make this situation better? Fortunately, I could breathe a sigh of relief because all of the year groups' attendance looked better on Monday, with whole school attendance coming in at over 92%. Today is Friday and the attendance has improved even more. It's amazing: all of the classes had over 96% this afternoon. Everyone started to cheer for their own class. What a proud moment!

Feelings & Summary

I was nervous at first but not anymore! I was worried because I thought that I would have to be in front of the whole school at assembly time and then everyone would be looking at me. I need to practice my public speaking. Once you get used to the teachers you feel more comfortable. I would definitely recommend being the headteacher for the day - it was very good fun. Go ahead and give it a try if you get the chance. I absolutely loved being the headteacher and I recommend you should try to win the auction next time too.

Mr Emile Early

Headteacher for the day

Messages and Updates

Macmillan Coffee Morning - Thank you!

A big thank you to all those who baked cakes, brought cakes and brought themselves to our Macmillan Coffee Morning last week, to raise money for Macmillan Cancer Support. The coffee morning was a huge success. Some cakes were also sold after school, which boosted the funds - making a grand total raised of **£172.87!**

Thank you once again as this will make a huge difference.

Halloween - Our Halloween 🎃 event will take place on Tuesday, October 31st, after school, from 3:30 pm until 5:00 pm in the ball park area and dining hall. There will be spooky 🕸 games, yummy 😊 food and drinks 🍹, and lots of fun for both our children and our families. Everyone is welcome to dress up (children can bring their costumes to school and dress up before the event starts).

Please note: While our school staff provides a safe environment for our children during school hours, they cannot take on the responsibility of accompanying them in activities after 3:30 pm. Therefore, please ensure that a responsible adult picks up your child and stays with them until the end of the event. If your child attends the after-school club and wishes to stay for the event until it finishes, please make sure they are chaperoned by an appointed family member or a fellow parent friend at 4:30 pm. 😊

A message from the Anti-bullying Ambassadors – As part of our duties as Anti-bullying Ambassadors we have created a plan for World Mental Health Day. We would like everyone to wear blue in support of Mind the Mental Health Charity on Tuesday 10th October 2023 and to send in a donation. We will also be running a bake sale after school on Tuesday 10th October 2023. Please send donations for the bake sale in by Monday 9th October.

Fundraising - Over the years, the PTA (Friends of the William Hogarth School, Charity 1104367) has been fundraising furiously to refurbish the playgrounds.

We need an extra push to make it happen!

Please copy/type in the link below on your internet browser to make a donation and please also share with your friends and family and those you know in the local community.

Kerbside and Parking Strategy consultation – Hounslow Transport Team

What's the kerbside? The kerbside is the space that sits on the road next to the pavement. You might currently find cars, trees, cycle parking, or taxi bays here. Well-designed streets and spaces benefit everyone, not just a few. We are considering proposals for other kerbside uses such as more trees, plants, car clubs, seating and outdoor eating areas and deliveries.

Why is parking important? Hounslow requires a progressive car parking strategy to manage and enhance its existing provision to meet emerging trends. The Parking Strategy looks to maximise benefits for users, as well as enhancing parking management by examining a number of key areas. These include parking supply, safety & security, signage, future mobility (e.g. electric charging points), pricing, operations, active travel options (e.g. cycling, walking), accessible and priority parking (e.g. for people with disabilities or parent and toddler bays).

What happens next?

- Have your say now by visiting <https://talk.hounslow.gov.uk/reimagining-our-streets>.
- The consultation will be live for 12 weeks starting from Monday, 18 September until Sunday, 10 December 2023. We will be promoting the consultation during this period.
- Following the consultation, we will publish a report on the consultation and what we've been told. We will make changes to the strategies based on this information, and the final strategies will be submitted to Cabinet for approval.

Mathnasium Month Membership - Unwanted Raffle Prize

An extremely exciting raffle prize was won at the summer fair: one month membership to Mathnasium Chiswick. Unfortunately, the winner is unable to use it for a variety of reasons. It has an expiry date of 31/12/23 and can only be used for new students. There is a maximum number of 13 hours tuition available and has a value of £335. If you are interested and would like to make a sensible offer, please contact the school office (admin@hogarth.hounslow.sch.uk or 0208 994 4782).

Stars of the week - WB 02.10.23

Ambitious

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Saphira	This week, Saphira has shown ambition by going above and beyond in her learning. With her team, she was able to create a strong, waterproof house, and she wrote a lovely poem using all her senses.
Matisse	Arla	Arla has made such an excellent start to this school year. This week she has shown such ambition in class with her whole class and partnered discussions. She has some wonderful ideas that have helped to inspire the other children in the class. Well done, Arla.
Picasso	Stanley	Stanley is a very focused and ambitious individual. He participates in so many activities inside and outside of school. Stanley tries his best in all subjects but he is particularly determined in football.
Blake	Timur	Timur has been extremely ambitious in school, not just this week but for the last few weeks. He's been ambitious in his learning, particularly in maths when he constantly wants to be completing the extra challenge questions. He's also been ambitious in being the best version of himself and believing in himself to win star of the week, which he has now done, and it is well deserved!
Shonibare	Aliyanne	This week I have been so impressed by the work ethic shown by Aliyanne. She has put in a lot of effort. Her presentation in books and commitment to complete assigned tasks to the best of her ability shows real ambition.
Riley	Kai	It has been such a joy to teach Kai so far this year. Kai is showing such ambition in his learning - especially his maths - where his hand is often up to answer a range of tricky questions. His explanations in maths have really impressed me! I also want to recognise Kai's kindness and his ability to make everyone feel welcome. He is a ray of sunshine on a cloudy Monday morning - Thank you Kai

Meet the house captains

Pegasus House Captain

Oliver

PEGASUS HOUSE CAPTAIN

Hi everyone. My name is Ollie and I am running for house captain today. I hope you vote for me to be the house captain of Pegasus. As throughout the 6 years I have been at this school I have helped others, listened and tried my hardest. I

think I would fit the role as I have done leadership roles before like being a play leader and being a school council. In these roles I have helped the school become a better place and I have lead games for people to play. I will try and lead Pegasus to win the house points this year. I will inspire others to follow their dreams, show kindness, generosity, resilience and more!

I will inspire you to always get back up with a smile on your face. This year I will push Pegasus to be the best that they can be. I will be there for you throughout the whole year and I treat everyone with respect and I want to make Pegasus not just the winner in house points but also in their behaviour and their actions. If you ever need to talk about something you can talk to me. I

hope I can be a role model for you throughout the year. I will try to make Pegasus thrive and be the best house! Thank you for your time and for listening to my speech.

Dominic

PHOENIX HOUSE CAPTAIN

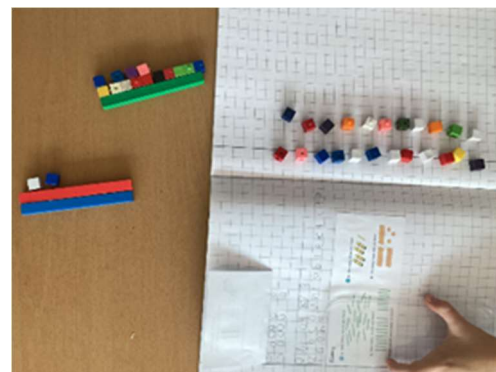

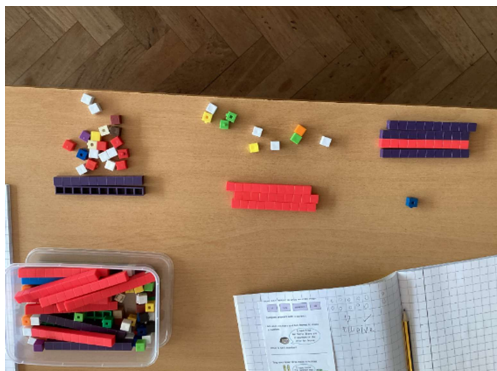

Bruke

UNICORN HOUSE CAPTAIN

This week in Year 2

Matisse Class have been incredibly busy since the beginning of the new school year! We have been to Hogarth House to consolidate our History learning, taken part in workshops with The Institute of Imagination, cooking up a healthy storm and been completing our school work. We have loved every minute of each of these events too. We hope you enjoy some of our photographs!

First aid training – by Katie Y5

This week we received some First aid training from Red cross.

They taught us how to deal with the different medical situations with limited items.

We were split into four groups and each group had to identify the best way to deal with a medical scenario.

It was really interesting because someone from one of the other groups has actually experienced the scenario his group had.

I had so much fun and I learnt a lot.

By Katie

The Upper Room Charity – by Suheyla Y6

On Tuesday 3rd October, we had a visit from The Upper Room Charity. The Upper Room Charity is a charity that helps homeless people with shelter, food and supplies. For example, sleeping bags, tents, shampoo, blankets, pillows and tissues. Some of the people working at the charity volunteer but the Chef is a professional so they earn money. The Upper Room is located in Welling Church and it is called the Upper Room because it is in the upper room of the church. The Upper Room charity collects goods from schools, churches and charities.

So, please make sure you need to donate goods to the church or if you are a student then donate to your school because they are collecting for a really good cause.

By Suheyla

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax-Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!
This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.

Hounslow School Nursing Service

World Mental Health Day
10th October 2023
"Mental health is a universal human right"

World Mental Health Day is about raising awareness of mental health and driving positive change for everyone's mental health.

Good mental health allows us to cope with challenges, connect with others and thrive throughout our lives. It's vital and deserves to be recognised and respected.

Talking is good for your mental health. And talking *about* mental health is important. But starting a conversation isn't always easy.

Top Tips on talking about your mental health – Choose someone you trust to talk to; Think about the best place; Prepare yourself for their reaction.

Top Tips on talking to someone about their mental health – Find a good place to talk without distractions; Listen & ask questions; Ask how you can help.
