

## ***The Small School With The Big Heart***

*We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential*

### **Message from the Headteacher**

Dear Families,

***“You must be the change you wish to see in the world.”***

attd Mahatma Gandhi, 1930

It would be disingenuous to write the newsletter this week without some acknowledgement of the humanitarian crisis that is developing in the Middle East. I know that you will share my hope for peace and compassion around the world so that ***all children***, regardless of where they live, can thrive in harmony under an umbrella of safety.

Next week, we are on the gallop to half term! There is an awful lot in the diary, so I have summarised some of the key events here for you for easy reference:

Monday 16<sup>th</sup>:

- Parent-Teacher consultations
- Years 1, 3 and 5, Chiswick House and Gardens workshops

Tuesday 17<sup>th</sup>:

- Years 4, 5 and 6, Albert Hall, Future Makers concert
- Year 3, intergenerational music project, St Mary’s Convent Care Home

Wednesday 18<sup>th</sup>:

- Black History Month events (wear yellow, Board-Gameathon, cake sale)

Weds 18<sup>th</sup> - Fri 20<sup>th</sup>:

- Celebration of Learning events, Years 2-6

Thank you to all the parents who attended the ‘Welcome!’ drinks party for Nursery, Reception and Year 1 parents last night. Myself and the team had an absolutely terrific evening - it was a lovely opportunity to spend some time chatting with you all and hearing your suggestions and feedback. What a great way to celebrate a successful first half term.

Have a good weekend.

Miss Stockley

## **Messages and Updates**

**Parent Teacher Consultations** - Our Autumn Term Parent Teacher Consultations will be held on Monday 16th October 2023. The meetings will be face to face for 10 minutes with your child's class teacher. The first appointment slot will be at 8am and the last appointment is at 6.50pm. Please copy the link below in your web browser to confirm an appointment. <https://www.schoolinterviews.co.uk/code/4qmb5>

### **On Behalf of the Children's Commissioner**

You may have seen that the Children's Commissioner recently launched the **The Big Ambition**, a new campaign to hear directly from children, young people, and parents from across the country about what they need to make their lives better.

The reason for this project is that, as we approach the General Election, now is a crucial moment to take children and young people's voices, views and experiences so that they are understood by policy makers and decision takers. This will ensure our children are front and centre of the debate. This is something we all care about, I know, and, particularly as we continue to recover from the pandemic, now, more than ever, children need to be the priority.

This survey is for all children and young people aged 6-18 and for parents/carers who can complete the survey on behalf of children aged 0-5. This will ensure we hear from early years settings.

Click/copy the link to complete the survey - <https://www.childrenscommissioner.gov.uk/the-big-ambition>

**World Mental Health Day** - Thank you to all those who baked cakes, brought cakes and donated to our World Mental Health Day event – we raised a grand total of **£139.84!**

**Halloween** - Our Halloween 🎃 event will take place on Tuesday, October 31st, after school, from 3:30 pm until 5:00 pm in the ball park area and dining hall. There will be spooky 😱 games, yummy 😊 food and drinks 🍷, and lots of fun for both our children and our families. Everyone is welcome to dress up (children can bring their costumes to school and dress up before the event starts).

Please note: While our school staff provides a safe environment for our children during school hours, they cannot take on the responsibility of accompanying them in activities after 3:30 pm. Therefore, please ensure that a responsible adult picks up your child and stays with them until the end of the event. If your child attends the after-school club and wishes to stay for the event until it finishes, please make sure they are chaperoned by an appointed family member or a fellow parent friend at 4:30 pm. 😊

**Fundraising** - Over the years, the PTA (Friends of the William Hogarth School, Charity 1104367) has been fundraising furiously to refurbish the playgrounds.

### **We need an extra push to make it happen!**

Please copy/type in the link below on your internet browser to make a donation and please also share with your friends and family and those you know in the local community.

### **Mathnasium Month Membership - Unwanted Raffle Prize**

An extremely exciting raffle prize was won at the summer fair: one month membership to Mathnasium Chiswick. Unfortunately, the winner is unable to use it for a variety of reasons. It has an expiry date of 31/12/23 and can only be used for new students. There is a maximum number of 13 hours tuition available and has a value of £335. If you are interested and would like to make a sensible offer, please contact the school office ([admin@hogarth.hounslow.sch.uk](mailto:admin@hogarth.hounslow.sch.uk) or 0208 994 4782).

## Stars of the week - WB 09.10.23

### Resilient

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Alba	Alba has a positive attitude and does not let her mistakes define her. She is always determined to try again and has been putting in a lot more effort this week. Well done, Alba, and keep it up!
Matisse	Anastasia	Anastasia has been very resilient this week. When she is finding a task difficult rather than just giving up, Anastasia has tried different ways to figure out the answer and has asked for help and support so that she can figure out the answer.
Picasso	Scarlet	When Scarlet finds a task difficult she keeps on trying. With a smile on her face, she tries different ways to solve problems. She is not afraid to seek the support of others.
Blake	Artem	I am really impressed with Artem's progression this week. He has now really settled into year 4 and this has been shown in his work, especially in English and maths. He is now asking for help and challenging himself to go the extra mile! Artem is a pleasure to teach.
Shonibare	Rocky	I am really proud of Rocky this week. There have been times when he found something tricky or overwhelming but has shown great determination. A real can do attitude! It's fantastic to see his expression when he accomplishes something. Well done Rocky!
Riley	Emile	This week in maths, we have been working on some really tricky long multiplication. Emile showed great resilience to keep trying and focussing on revising the method until he had it correct. He asked for help when he needed it and was able to be successful in his learning because of it. Well done!

Meet the house captains  
Dragon House Captain

## DRAGON HOUSE CAPTAIN

Hi everyone my name is Lucas and I hope you vote for me for red house captain. I'm a good pupil and if you vote for me as a house captain I would like to give you something back in return such as: I can help you and when you feel lonely I'll be right there. I'm always a good friend and I'm great at listening.

When I started in year 1 I saw all the people up there reading a speech and while they were reading out the speech I was thinking that this can be me in 6 years and here I am reading a perfect speech. Anyways, even if you don't vote for me I'll be happy because at least I tried. You can't do anything more. You will not regret this. You will never think that I'm not a good leader- I promise.

Remember the last sports day that we won? Well, this year we will win the house points competition.  
Dragon house is the best!

This week in Reception class

Nursery children having fun printing fruits and vegetables for our learning about 'Harvest festival'.

Children exploring our outdoor provision areas, building on their language, relationships and problem solving skills.

Reception children developing their counting skills, with a clipboard challenge outside. Counting the different objects in the garden and linking a number to the numeral.

Reception children building their own crocodile habitat. They are developing their team working skills and role play skills with the different jungle animals.

## Financial Help

### Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

**Tax -Free Childcare** which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.
