

The Small School With The Big Heart

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

Dear Parents,

Only a very short piece from me this week as there is a more detailed update from governors about some of the monitoring work they have been doing this term. I have also included the operational School Development Plan for you so that you are aware of our key priorities for this academic year. Our Five-Year Strategic Vision will be uploaded to the website shortly – the operational plan sits under this and outlines the work we will be doing to achieve our longer term goals.

Enjoy your half term holidays and I look forward to seeing you all back on Monday 30th October.

Miss Stockley

Governor Letter

Dear Parents ,

This governor newsletter/memo gives a quick summary of our work this term and is intended to keep you informed of what the GB has been doing.

Our first meeting of the academic year took place earlier this month and we welcomed Yasmee Cappuccini as our new parent governor. We look forward to welcoming David Andrews at our next meeting as our new co-opted governor. This means that we now have a full complement of members.

We received the final version of the Ofsted Report and are delighted that the high quality and innovative work that is being done at The William Hogarth School has been recognised and commended externally. Whilst the report itself is quite short, inspectors provided a very detailed verbal report to the leadership team and governors which was full of praise for the work of the school, the pupils and staff team. We are a good school with outstanding practice in personal development of children. Hogarth pupils are inquisitive, eager to learn and responsible.

The school leadership has a robust system of monitoring and evaluating the work of the school. Part of our role as governors is to check different aspects of this work throughout the year. Our focus today was on setting strategic targets, receiving the headteacher's report and reviewing the school development plan, safeguarding arrangements and finance reporting.

Our Deputy Head, Miss Rees, presented the initial analysis of pupil achievement data at the end of KS 1 and 2 which was very pleasing and above national averages. Further interrogation of this data will take place and final feedback will be shared with you later in the term once it is published by the Department for Education in December.

There has been a fall in pupil numbers from the summer term due to movement of asylum seekers out of the area. This will likely have a negative impact on school finances as these are largely based on pupil roll. However, this is an area that the governing board will continue to monitor robustly and we will keep you updated as we meet throughout the year.

Governors monitor attendance half-termly - it is good to see the high numbers of children achieving 96% + attendance. Well done to all of those pupils and to their parents. The Ofsted report praised the school team for doing everything within their power to improve attendance as this is a national issue which you may have seen discussed in the press.

Attendance targets set by the government are high and the school is working within the system in the best way to support children and their families in achieving this.

Our safeguarding lead governor has visited school to monitor school processes and compliance. He reported back that everything was in order and that the record keeping procedures were a strength.

I look forward to updating you with further information about the governing board's work and monitoring activities following our meeting next half term.

Sincerely,

Debra Kane

Chair of Governors

The William Hogarth School

SCHOOL DEVELOPMENT PRIORITIES 2023 – 2024

<p>VISION</p> <p>The William Hogarth School prides itself on being a local school with a big heart which serves its community by ensuring every second counts, everyone is accountable and striving to deliver excellence for everyone, no excuses!</p> <p>We are an inspiring learning community rooted in inclusion, with the highest expectations, where all feel safe and happy and everyone is encouraged and supported to unlock and realise their potential.</p> <p>This short term operational plan aims to support the achievement of our longer term goals, as laid out in our 5-year strategic plan.</p>	<p>VALUES</p> <p>At The William Hogarth School we are:</p> <ul style="list-style-type: none">• Happy• Optimistic• Generous• Ambitious• Resilient• Together• Hard-working
<p>OFSTED 2023</p> <p>A section 5 Ofsted inspection was carried out 3-4 July 2023. Overall effectiveness was found to be GOOD, with provision for pupils' Personal Development found to be OUTSTANDING.</p>	

The William Hogarth School Key Priorities for improvement (2023/24):

Quality of Education:

Ensure consistently **high quality of education** for all pupils by:

- a. Implementing **Number Mastery** approach alongside teaching of mathematics in EYFS and KS1 so that children are well prepared for additive and multiplicative mastery in Key Stage 2, with associated positive impact in pupil outcomes.
- b. Further enhancing the coherence and sequencing of the curriculum (in line with our curriculum review schedule) to ensure that core strands support children's deeper understanding of key concepts, skills and ideas.

Behaviour & Attitudes:

- c. Ensure that attendance of all pupils, but particularly those who are vulnerable (including SEND & PPG) is at least in line with national. (Whole school target 97%)

Personal Development:

- d. Further secure outstanding **personal development** of pupils by developing pupils' financial literacy through a formal curriculum offer.

Leadership & Management:

Leadership and management drive continuous and sustained school improvement by:

- e. developing teachers with improved pedagogy and subject knowledge
- f. engaging well with the local community, raising the positive profile of the school with associated positive increase in pupil numbers.

Messages and Updates

Charity - Thank you for all your support in helping us raise money for the charities we have supported so far this term. All of your cake donations and end of day purchasing have been a huge success! We have raised the following:-

Black History Month - £132.50 raised for Wonder Foundation Charity

World Mental Health Day - £139.84 raised for Young Minds Charity

Macmillan Coffee Morning - £172.87 raised for Macmillan Cancer Support

Wraparound childcare survey - Your child's school seeks your views on wraparound childcare to establish demand. The Government intends to make available 'wraparound care' outside of normal school hours, so that parents of primary school-aged children can access childcare in their local area from 8am-6pm. This will include term time breakfast clubs and after-school clubs. It is intended that by September 2026, most primary schools or their partner organisations will be able to provide before and after school care. The wraparound care will be fee paying, but some parents will be able to get help with costs through tax free childcare or universal credit.

We therefore ask if you could please complete the short survey which should only take 5 minutes of your time. The deadline for completion is 4 November 2023.

Fundraising - Over the years, the PTA (Friends of the William Hogarth School, Charity 1104367) has been fundraising furiously to refurbish the playgrounds.

We need an extra push to make it happen!

Please copy/type in the link below on your internet browser to make a donation and please also share with your friends and family and those you know in the local community.

Stars of the week - WB 16.10.23

Together

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Andrii	Andrii does an amazing job of making sure everyone is together. He not only spots someone who is alone or not doing the right thing but also acts on it by talking to them. He always puts in a lot of effort into his work and has been a joy to teach. Well done Andrii!
Matisse	Aniyah	It has been so lovely to watch how Aniyah supports and comforts her peers when they have hurt themselves or when they are simply having a bad day. Her kind words and her warm, contagious smile has really helped others. Well done for being such a warm and positive role model.
Picasso	Vlad	Vlad has made large improvements in his social skills. He has been trying hard to make new friends and say kind words to others. Well done on your positive effort!
Blake	Elia	Elia always shows a great display of togetherness in class and in the playground. She works well with others in the classroom and she is very open to include everyone to play with her at break time. She is an effective role model for everyone!
Shonibare	Blake	Blake has made efforts to improve focus during learning. His consistent contributions to class discussions are valued. These changes have led to better outcomes and I am hopeful that he will continue to get better !
Riley	Lorenzo	This week, I have noticed a huge surge in Lorenzo's confidence. He has worked so hard in all of his lessons and has shown what a star he is! It has been lovely to see him sharing ideas and sharing his skillset with his classmates. He has been so generous with his time and learning. Thank you!

Entertainment newsletter piece

The Royal Albert Hall by Tiannahmai – year 5

The Royal Albert Hall was great fun! To get there we had to take two buses but it wasn't too long. It took about 1hour, which wasn't too bad seeing as it was in Kensington.

When we arrived all the children from different schools decided to create a Mexican wave - this was my favourite part. Then the camera crew started filming different schools and showing them on the screen - everyone went wild! Finally, the show started. The hosts did A LOT of talking! One of them was wearing a sequenced sparkly suit, you couldn't miss her. Anyway, we watched seven performances and then they decided on the winner. When they announced the winner, confetti popped out everywhere. I felt like I was in a cartoon. My favourite act didn't win but she did wave at me from the stage.

By Tiannahmai

The Royal Albert Hall by Lorenzo - year 6

As we hopped off the bus, the first thing I saw was a statue of Albert made out of gold. We sat down on some steps and had our lunch. There were a lot of other schools. I took a look at the Royal Albert hall, it was immense in a shape that was never ending.

We went towards the grand building and came across a fancy and wealthy bar full of rare pieces of art. We met a nice lady who took us to our seats. We looked around and saw a circular arc of seats that went three stories high! There was an enormous stage at the front. Above that, there was a gigantic screen hooked up to cameras that pointed to crowds of people. Even us- we felt famous!

After a while, we were introduced to two lovely hosts. A female musician and a male musician- both with stunning outfits. They made the crowd so excited and brought us the first act- Single Workers. They were a band of two singers and an electric guitar and drums. They were very energetic. Definitely my favourite!

Then, there was a singer-called Mia- that plays the guitar at the same time! I think it would be quite hard remembering the lyrics and remembering the chords. She was a blast, but she was singing quite gently, which wasn't my favourite.

Next up, was a dynamic duo. They were two girls. One of them played bass and the other was singing. They didn't have much chemistry because after the performance they said they weren't friends at first. Their music teacher put them together and then became friends.

After that, a very big choir of a lot of girls came on stage. I was surprised how good they were. It would be hard to write the lyrics for each person. I think they had fantastic chemistry and we all stood up to dance.

Then, there was a piano player (who was a girl) named Amity with very funky purple hair. I thought her performance had very little energy but as the performance went on I enjoyed it more.

Fifth, was a band named Ramfunk and I really liked their performance. It was a mixture of jazz, rock and harmony. I am sure many people liked it and it was very popular.

Last but not least, was Mile End, which was a super heavy metal band. Everyone was jumping and screaming.

At the end, they brought in the last year's winners band and performed. Obviously, it was good. They announced the winner who was Amity, the piano player. And confetti shot. We all went home happy.

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax -Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.

Hounslow School Nursing Service

National Bug Busting Day UK

31st October 2023

National Bug Busting Day serves as a reminder that early detection and prompt action are essential in managing head lice.

Top Tips for managing head lice:

- Children who are being treated for head lice can still attend school.
- There is no evidence that head lice prefer either clean or dirty hair.
- There is no need to treat clothing or bedding that has been in contact with head lice, as the lifespan of a head louse is very short (1–2 days) once it is away from a human head.
- A person should only be treated if a live head louse is found. Everyone in the home should be checked and everyone with live head lice should be treated on the same day.
- Essential oil-based treatments and herbal treatments are not recommended due to the lack of good-quality evidence on their safety and efficacy.
- It is not possible to prevent head lice infestation. Children of primary school age should be checked regularly at home (using a fine-toothed head lice comb) to identify any live head lice as early as possible.

The main ways to treat live headlice is (as recommended by NICE guidelines):

- Wet combing with a fine-toothed head lice comb (such as the Bug Buster® comb) to remove the lice.
 - Using a medicated lotion or spray to kill the lice.

Wet Combing:

Wash hair with shampoo, apply lots of conditioner, comb the whole head of hair from the roots to the ends. Wipe the comb on some tissue to remove any collected lice / eggs and repeat – taking 10-30 minutes to cover all the hair. Repeat wet combing again on days 1, 5, 9 and 13 to catch any newly hatched head lice. Check again that everyone's hair is free of lice on day 17.
