

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

Welcome back everyone; I hope you all enjoyed a wonderful half term (and a lovely lie in with the clocks going back). The weather is definitely a lot colder now that November has arrived, so please make sure to send the children in with a coat every day. Don't forget that children can also wear plain black tracksuit bottoms and sweatshirts for outside PE lessons as well – these can be sourced from the school outfitters if you would prefer logo'd items.

Last term, our pupil Eco-Committee worked very hard behind the scenes to get their online business selling second hand uniform up and running. Although they haven't quite uploaded all of the items, there is now stock in the shop, ready for you to purchase. The Committee will be reviewing orders once a week, packing them and sending them to classes ready to go home. Please follow the link to the marketplace, type in the school name, have a browse and get ready to make a purchase:

<https://app.uniformd.co.uk/schools>

Not happy with your purchase? No worries - replacements and refunds available, no questions asked. The Eco-Committee are planning to allocate all funds raised from the online shop to improving the school playground.

It's certainly been a jam-packed start to the half term: assemblies, school photographers, clubs, visitors from Brentford Football Club to discuss diversity and racism; not to mention a full curriculum of learning! Year 2 kicked off our calendar of festival assemblies today with their delightful Guy Fawkes performance this morning. It feels like such a treat to be able to host more of these events after 18 months of lockdown. Next week we have Year 6's Remembrance Assembly – I look forward to seeing many of you there.

Thank you to the Friends association for relaunching the Friday Fun Days – I know the children have been really looking forward to today's event after school. Please do join in the fun.

The school newspaper club published a great report this week about the Taking The Knee initiative in football and why it is so important we all play our part in tackling racism. Please have a read of the full report which is on the school website: <https://www.williamhogarthschool.co.uk/william-hogarth-plus/clubs> .

Have a great weekend – stay warm and safe if you are enjoying the fireworks.

Miss Stockley

Stars of the week

To all our stars: It is lovely to see your happy faces light up the school.

Thank you!

Class	Star(s) of the week	Description
Rothko	Sonya	Sonya greets adults with a smile every morning. She enjoys coming to school and is always eager to learn. Thank you Sonya!
Mondrian	Amanda	Amanda starts her day with a smile as she comes into school. She always has a positive attitude and this helps her to approach her learning in a very productive and optimistic way.
Matisse	Lucio	Lucio has a great sense of humour and can easily make the whole class laugh with his jokes! His attitude spreads happiness.
Picasso	Blake	Blake is always making us happy with his jokes and funny stories. He loves to make us laugh and smile. We are so lucky to have such a happy and funny classmate.
Blake	Yousef	Since returning after half-term, Yousef has come in everyday with a smile on his face and shows his enjoyment for school. Also, his effort in developing his English is making me incredibly happy as his teacher!
Shonibare	Sophia	It is a pleasure to teach Sophia, she always comes into school with a smile on her face and greets me every morning in such a positive and happy way. Thank you Sophia, you brighten everyone's day.
Riley	David	I can honestly say, David is one of the happiest children I have ever taught. He is always around with a joke or a smile to cheer up his classmates on cloudy days.

Autumn 2 Week 1

November 1st-November 5th 2021

Year 3 Picasso Class, have returned from half term with a load of energy and enthusiasm!

We are so fortunate to have so many varied learning opportunities and take part in different activities, but they all connect to each other.

Our Hogarth Value is Happiness and we are blessed to have a class full of happy and kind children

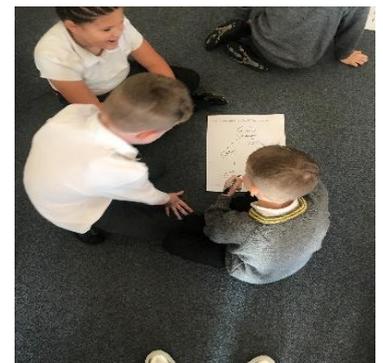

Please support us at home with daily home reading and weekly spelling and homework. Thank you

Our Storytime book is Oliver Seawigs. While we have just begun it, it promises to be very exciting! Oliver's family is very different to many of ours!

We are learning to improve and extend our Narrative Writing. We are using The Iron Man to help stimulate ideas! On Tuesday, we had to imagine taking on the Iron Man role and how would we portray that in drama! This is going to help us write an outstanding character description.

This week in Science we were exploring changes in states of matter! Sounds complicated! But we made cream (liquid) into delicious butter (solid). Then we sampled it on crackers! We did a great job and even shared it with some of our Year 6 friends who were very impressed!

Year 6

This week, year 6 have had many exciting visitors. Firstly, we were visited by Brentford FC, accompanied by their glorious trophy. We had a very inspiring talk from Marcus Gayle (former player) and Salma Mahamud (current player). They shared their experiences of racism and talked to us about how to try and stop discrimination in football. We also got our hands on the playoff trophy!

The other important visit this week was from the Metropolitan Police. They visited us to talk about knife crime and gang violence. This is a very serious issue and we were shocked to find out some harrowing statistics.

A BETTER WAY TO BUY SCHOOL UNIFORMS

AFFORDABLE UNIFORMS FOR PARENTS. ESSENTIAL FUNDS FOR SCHOOLS

With Uniformd, parents can rest easy, knowing that they can access affordable uniform year-round while schools can efficiently sell donated second-hand uniforms, raising essential funds for their own initiatives. Meanwhile, we collectively cut our environmental impact - It's a win-win.

How It Started

As part of his work experience, 15-year-old Sam took part in Elemental Concept's Student Entrepreneur Programme, giving students the opportunity to identify real issues facing society and find a way to solve them using technology.

Sam saw the burden his parents were under having to pay over £250 a head per for him and his siblings on school uniforms and wanted to create a workable solution that focused on sustainability. Elemental Concept worked with Sam to bring his uniform resale market to life: Uniformd is the result.

For Parents

We are living in uncertain times, where every penny counts when livelihoods are actively at risk. We wanted to take the financial burden off parents by creating a way to easily access affordable gently used school uniform, with all sale proceeds going straight back into the school.

Parents simply browse for what they need, purchase and receive their pickup information - no sign up required, no banks broken. In turn, when parents are ready to donate, they'll be adding to a wonderful ecosystem that keeps funds coming in for the school and making it a little greener too.

“

The Uniformd app is a sustainable way to access great quality school uniforms at a fraction of the price. The app is very easy to use, allowing you to filter specifically what you are looking for. Good quality photos also help with selecting items. It is an excellent resource to have, supporting the school & reducing costs for families. Thank you.

Our Aim: To offer telephone support, basic counselling and problem-solving to young people and their families to help prevent difficult periods from becoming a mental health crisis.

Who We Are: A multidisciplinary team of CAMHS professionals, who are familiar with local services and have a range of specialist knowledge, to help support and advise young people and their families.

Who Can Call?

What We Do:

- Provide immediate talking support to children, young people and their families who are distressed, by listening, offering a friendly, supportive voice and thinking through helpful options.
- To support children and young people to utilise their safety plan they have made with their community or other specialist care teams, in order to minimise any potential risk issues.
- Provide CAMHS expertise and advice in relation to a parent or carers child or young person, reminding them of any plans put in place by CAMHS.
- Provide feedback to mental health or other professionals involved, regarding children and young people who have received support from the helpline.
- You can speak with someone who works in West London and has knowledge of local services in the area who will do their best to assist you.
