Black History Month

As part of Black History Month the Anti-bullying Ambassadors have been creating posters about influential black figures. They conducted some research and wanted to share some of their posters with you!

Why is Saka inspirational?

Saka is inspirational because he is an excellent team player!

Saka faced extreme racism after missing an important penalty. He was resilient and showed that he was a great player! He shouldn't have to prove those people wrong - but he did.

Facts

Saka plays for Arsenal
He was born in 2001
His full name is Bukayo Ayoyinka Saka.

LET'S CELEBRATE MARY SEACOLE

STARS OF THE WEEK

Stars of the week - WB 21.10.24

Hard-working

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Laura	You'll always find Laura with a smile on her face! Her joy and excitement for learning sets a wonderful example for her classmates. This week, she's shown great creativity in her writing and superb teamwork skills during the science workshop. Well done, Laura!
Matisse	Anthony	Anthony has a wonderful bundle of happy energy. He always remains positive even when he comes across a problem. Teachers have spotted the great progress he has made in maths this week. Well done Anthony!
Monet	Lucia	This week I have noticed a real positive change in Lucia's attitude. She has been so positive it has been contagious! Lucia has really worked hard this week and has shown a maturity in the way she has handled all eventualities in school. Well done Lucia!
Shonibare	Jennifer	Jennifer more often than not has a huge smile on her face. Her positivity is admirable and she spreads this across the class with her wit and bubbly nature. She is an amazing team player and always maintains a positive outlook even when she finds something difficult. Her perseverance is commendable and I'm delighted to award her an overdue star of the week!
Riley	Nils	Nils is working very hard in class and is always takes part in the lesson by asking questions and engaging in the tasks set. Nils asks questions when he doesn't understand and works well in a group. His cooking group have shown great improvement over the half term as they have supported each other to produce tasty results. Nils is a good friend and is a valued member of Year 6. Well done this half term. Keep working hard and enjoy the break!

Medical Mavericks – Science Workshop

This week at the William Hogarth School, years 1-6 took part in a brilliant science workshop.

The workshop, run by Medical Mavericks, enabled children to get up close and personal with a variety of medical equipment. The equipment linked to a range of NHS careers from phlebotomists to surgeons to general practitioners. The specialists running the workshop talked us through the different equipment, how it is used to save lives and which professional may use this on their job on a day-to-day basis.

The children had the chance to measure their own heart rate using an ECG machine; to use a stethoscope to listen to their lungs and tummies and to even attempt to draw blood by finding the vein in a medical practice arm.

We were all inspired by the workshop and really enjoyed learning about the body and various machines that the professionals use at work daily.

Thank you for your contributions towards the very exciting, extracurricular, activity. It was a real success!
