STARS OF THE WEEK

Stars of the week - WB 04.11.24

Optimistic

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Jibril	Jibril has returned to school with an amazing 'can-do' attitude! He's been giving more of his best effort, and staying optimistic about what he can achieve. I'm really proud of Jibril's dedication to his learning, and it's great to see him expanding his circle of friends across the school. Well done, Jibril – keep up the fantastic work!
Matisse	Yahya	Yahya comes to school every morning with hope and enthusiasm. His amazing smile and positive outlook makes everybody's day feel better. Even in challenging situations Yahya remains optimistic.
Monet	Edward	This week, we have had a reshuffle in our groups for maths and reading. Edward was so positive about his groups and has really shown that he has embraced Year 4. He is consistently improving in his learning and he showing me - everyday – that he can tackle any challenge when he puts his mind to it! Well done.
Shonibare	Mumtas	Mumtas has shown wonderful optimism this past week. Although she's not been feeling well, she's managed to come in every day and work as hard as she possibly can, staying positive and focused. She also voiced her belief in herself that she can write a story worthy of the top 50 in the UK in the writing competition that we entered this week and worked diligently to complete an exciting story within a short time frame.
Riley	Arya	Arya has worked really hard this week on her WW1 poem and on her performance for the assembly. Arya has been optimistic with her language and pushed herself to create a piece that creates atmosphere relevant to the genre. Well done on your editing, choice of language and I can't wait to hear your piece during the assembly. Keep working hard and well done!

Letting The Light In

We visited Chiswick House and Gardens to take part in the Letting The Light In project. Monet Class were incredibly helpful and we planted over 200 daffodil bulbs ready for spring!

Thames Explorers

CHISWICK RIVERSIDE

We were also fortunate enough to visit Chiswick Riverside with the Thames Explorers. We took part in a range of exciting scientific experiments to check the pollution levels of the River Thames. We also took part in river dipping where we took samples from the river and checked them for life. One group even found a Chinese Mitten Crab!

USEFUL INFORMATION

ROAD SAFETY FOR CHILDREN

Dear Parents and Guardians,

As we all know, the clocks have gone back, and the evenings have become darker. With limited daylight hours, it's more important than ever to take extra precautions on journeys to and from school. So, we want to ensure that our pupils stay safe on the roads. Here are a few safety reminders to help keep everyone safe:

Be Visible:

Wearing reflective accessories can make a big difference. Encourage children to wear bright or reflective items on coats, backpacks, or shoes to be seen more easily in low-light conditions.

Use Designated Crossings:

Remind your children to cross only at pedestrian crossings and to always check in all directions before crossing.

Say No To Distractions:

Teach them to avoid distractions like mobile phones when crossing roads.

Cycle Safely:

For those children who cycle to school, please ensure they wear helmets and that the bikes are equipped with lights and reflectors.

Plan Safe Routes:

Use well-lit routes where possible and remind your children to stay alert, especially around busy roads or crossings.

Walk Together:

Where possible, children should walk to and from school in pairs or small groups for added safety and visibility, or with their parents/guardians.
