Message from the Headteacher

“A champion is someone who gets up when he can’t”

attd. Jack Dempsey, 1970

Dear Families,

Firstly, apologies for my mistake in last week’s newsletter. The Year 3 & Year 4 Badminton Festival is actually being held this coming Tuesday rather than today, as I previously stated. The children have continued to enjoy their lunchtime badminton sessions with Miss Trickey and I know you will join me in wishing them the best of luck for Tuesday.

On a sporting note, congratulations to our Key Stage 2 runners who attended the Inter-School Cross Country competition this week. This is the first time that we have taken part in the cross-country event – there were more than 100 children competing in each race. Our children did themselves proud and were delighted to see parents cheering them on from the sidelines. Particular congratulations go to Nils and Ollie who ran in the top 20 for their age groups.

Year 2 enjoyed their visit to Vue Cinema in Fulham this week where they watched “Superworm” and “The Smeds and The Smoos”. The children absolutely loved the second film in particular and have been trying to link its lovely message about respect and tolerance to their everyday lives. I am looking forward to reading their ‘*film critic*’ reviews when they are published.

Next week, our under-pinning theme for the whole school is Anti-Bullying. Miss Cowell and the Anti-Bullying Ambassadors are leading on our school activities. Some particular highlights to look out for are ‘Odd Socks Day’ on Monday, the Positive Postbox where children will be able to share kindness and compliments and the ‘Spotacular’ events on Friday for BBC Children in Need (the Play Leaders are busy organising some fun games for children to join in with after school). We also have three more Design & Technology workshops to look forward to, all linked to the theme of self-regulation, positive self-image and mental well-being.

I have included some photos of the wonderful outcomes from the Design & Technology ‘biomimicry’ workshops that took place this week. The children learned a range of skills from quilling, strengthening structures, as well as refining their use of a range of joining and folding techniques – that was just in one of the workshops!

Have a great weekend.

Miss Stockley

A selection of Remembrance Day artwork by Year 6 is on display in the school hall.

Stars of the week - WB 06.11.23

Hard-working

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Antoni	You will always find Antoni with a smile on his face. Antoni's joy and excitement towards learning set a perfect example for his classmates. This week, he has shown creativity and teamwork towards his DT projects. Well done, Antoni!
	Laurence	Laurence has been working hard to achieve his best and has been helping his peers. Every day, he comes in with a wonderful smile and keeps it throughout the day. This week, he has been sharing his joy for phonics in class, and it's lovely to see. Well done, Laurence!
Matisse	Aniyah	I am always looking forward to Aniyah coming into class every morning. Her happy and positive way she comes into the class has an amazing effect on everyone else. Your smile and happy attitude towards everyone brightens my day. I am so proud of you.
Picasso	Amir	Amir has returned from half term with a wonderful attitude towards his learning. He has been super happy and smiley. Amir is polite and kind to everyone he talks to.
Blake	Ishana	Ishana is someone who constantly has a smile on her face. She is very helpful and has made some very kind gestures this week. Her happiness is infectious and this makes a very positive impact on everyone in the classroom, including me!
Shonibare	Haarun	Haarun is always smiling, and loves to make others laugh. This week I have been impressed by his positive attitude towards his maths work and enthusiasm during our geography lessons!
Riley	Kai, Harrison, Bruke, Mu'aahd and Ibrahim	This week we have had a strong focus on our World War 1 poetry. We worked in groups to write a poem that discussed the destruction and chaos of war. These boys worked together in a tremendous show of teamwork that I found inspiring. They helped the members of their group - who struggled to learn their lines - in such a supportive way. They gave advice and kindness in a way that was admirable. Thank you for making me so happy!

Newsletter piece – Anti-bullying Ambassadors

As part of Anti-bullying week, the Anti-bullying Ambassadors have written stories to help children understand what to do if they are victims of bullying behaviour and to recognise that bullying behaviour is repeated, intentional and makes you feel upset, uncomfortable or unsafe.

Tiannah's Story

My name is Emma and I like school personally but some things have been making it impossible to even want to go to school anymore. I just can't enjoy it anymore. Break times aren't fun nor lunchtimes. I just want school to go back to the way it was.

My bully is Jamal, the school's biggest bully ever- if you even look at him wrong.... BAM! You're his new victim. So, everyone avoids eye contact with him - just in case . Anyways, back to my story, first he tripped me in the hallway and I thought it was my fault. Next, he cornered me in the playground and hit me in the face. He said, " if you tell the teachers I will make it my sole mission to make your life a living nightmare!" So, I suffered silently for a while. One day, Jamal was feeling more vicious than ever. He told me, "Go in the caretaker's closet and mop the floor," so I did. Then, he locked me in there until someone heard my banging.

I tried to stop him in many ways but nothing was working. Finally, I asked him, "Why do you do this? How would you like it if I did this to you?"

Jamal replied, " You would never be able to bully me!" I stayed silent. After a while, Jamal and I talked through things. I think he was lonely. Next time, I will speak up and not let myself get into that situation.

Bruke's Story

There is this boy called Bobby, who is the smartest person in the school. In school, when he would do tests or schoolwork, he would finish it in a heartbeat. Even when the teacher gave him extra homework. He was practically like Young Sheldon- maybe even smarter! Life was going great for him. Although it was great, there was one thing that he really hated. There were these bullies in school called Jack, Joshua and the ringleader, Jeff. They were the 3 J's.

Everytime Bobby was walking through the hallway, the J's were always so mean and rude to him. They would laugh at him, torture him, and they would ask him to do their homework for them. Bobby would always come home feeling so miserable and depressed. He would never tell anyone about this, even his parents because the bullies would get so mad if he did.

"This had to stop. No one should be treated like this," Bobby said to himself one day. Bobby knew that if he had told the teacher or any other adult, he would be in big trouble with the bullies... but he knew that he had to be brave in order for this to stop. The next day, he was finally going to tell the teacher, or better, the principal. The next day, the J's started bullying him, as usual. As soon as they walked away, he told the teacher and Principal Stevens about how The J's were bullying him for all these years. Then, Principal Stevens suspended the bullies. The bullying was finally over for Bobby.

Ever since the bullies were suspended, Bobby's life has been amazing. He graduated from University after a few years and got a full-time job as a lawyer. He was really happy with the life that he had. As for the bullies, they had to repeat the same class for years. Now the bullies have learnt their lesson by the punishments that they have received. This is why you should always tell a teacher if you are being bullied.

Newsletter piece – Cross Country Event – Miss Trickey

A huge congratulation to the children who took part in cross country on Thursday 9th November. Their motivation and enthusiasm was outstanding! They had a great time and cheered each other on through the races! They all tried their absolute best even in the freezing cold, we are so proud of them!

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax -Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!
This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.
