

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

Today marks our annual fund-raising event for Children in Need – the children have been very enthusiastic about showing me all their spots! Thank you for all your kind donations which will be put to great use by the charity, supporting children through these difficult times.

Last week I wrote to you about changes to our COVID-19 Remote Learning Package and what this would look like in the situation where a child is isolating at home whilst their classmates continued to come to school for lessons. This week, I am going to give you information on what will happen if your child's class bubble is sent home for remote learning, or in the unlikely event that the whole school is learning from home.

As a school, our expectation is that all children will engage actively and significantly in the remote learning provided. We anticipate that children will be actively engaged in their learning for at least 3 hours a day. Whilst we understand that we cannot recreate a school classroom in families' homes, the learning material we provide will cover new knowledge and understanding so that we can ensure the children continue to make secure progress. We have reflected on whether it will be possible to livestream lessons in this eventuality and have decided to follow government guidance not to do so. There are several reasons for this but they include:

Competing needs for technology

Insufficient internet bandwidth

Instead, class teachers will provide a single daily document that includes all the learning for the day. Embedded in this will be a celebration of work that has been completed by children at home, new learning with video demonstrations that can be paused and reviewed, accompanying audio tracks to explain instructions and differentiated independent learning activities. The aim behind this is to support children, as far as possible, with learning from home with minimal adult support required from parents and care-givers. Once a week, there will be a live celebration assembly which will help to maintain the strong links we enjoy as a community.

If you have any questions about the remote learning package, do please contact the school office. We will be producing a parent handbook to accompany our remote learning package, so that you know clearly what to expect and to guide you through the process.

We have been able to get an after school club up and running this week for families who need childcare whilst working. If you need to book your child into after school care, please contact the school office who will be able to help. The club will be open from 3.30 – 6pm daily.

Next week we will be counting the parent governor election votes. I look forward to letting you know the outcome of the count in next week's newsletter.

Enjoy your weekends.

Stars of the Week

The children below have demonstrated the Hogarth attributes and values throughout the week. All of the children below have been spotted for being this week for their tremendous hard work and having a great attitude towards their work.

H–Happiness **O**–Optimistic **G**–Generous **A**–Ambitious **R**–Resilience **T**–Togetherness **H**–Hard – Working

Rothko	Violet	For eagerly participating in all activities, especially in phonics. Well done, Violet!
Mondrian	Ishana	For working hard at all activities in class and always giving her best efforts to her work and play.
Matisse	Idris	Idris has shown incredible hard work in each lesson this week. Idris has been able to concentrate and ignore distractions. Congratulations, I am seeing great progress as a result of your hard work!
Picasso	Dominic	Your levels of concentration and focus have been superb this week – you listen closely to instructions and complete your work to the best of your ability in all subjects. Keep it up! Very well done.
Blake	Jonathan	Jonathan has started to work extremely hard and the dividends are now beginning to pay off, as he recognises the value of hard work.
Shonibare	Geronimo	The commitment to your learning and the effort that you make, means that your hard work is an example to the class.
Riley	Ergis	Ergis has volunteered both home and break time to push his learning forward. He has been striving to improve his presentation standards in English and his accuracy in Maths. If he keeps this effort up, he'll make exceptional progress in Year 6.

Pupil Safety and Dark Nights

Now that the clocks have gone back, the evenings are really dark. Did you know that road traffic collisions increase by 20% in the fortnight after the time change. Sadly, some of those collisions will involve child pedestrians and cyclists. Children under-16 are one of the most vulnerable groups of road users.

The latest available government statistics (2015)* show that 58% of children who die or are seriously injured in a road collision are involved in incidents between 3 and 7pm. From next Sunday, much of those will happen in darkness.

Whilst younger children are at risk, the data shows that 11 - 15 year olds are actually at more at risk from accidents that kill or result in serious injury.

The resources below will help remind children about road safety and safe cycling.

StreetTag Launches in Hounslow

Street Tag is a family friendly initiative that rewards families and individuals for their physical activities such as walking, running and cycling. Street Tag encourages greater participation in outdoor physical activities, by turning our local area into a giant virtual playground, and enhancing outdoor experiences.

How does Street Tag work?

1. Install the app, create a team and join the Hounslow Leaderboard
2. Earn points by collecting virtual tags and converting physical activity into Street Tag Points.
3. Get rewards and win prizes, such as vouchers for sports equipment and more!

Download the app now on [ios](#) and [android](#) or [visit](#) for more information.

Move More – OneYou Hounslow

The OneYou Hounslow website has been updated and now includes over 50 activities for various groups including children and families. Visit [here](#) and [here](#) for more information.

Parent/Guardian: What to do if your child or someone in your household has symptoms of COVID-19

COVID-19 SYMPTOMS

As children return to schools after a prolonged break, we expect colds and similar viral infections to circulate. To be clear the symptoms for COVID-19 are: Raised temperature (≥37.8), a new continuous dry cough (coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours, a loss of taste or smell (cannot taste or smell anything, or things taste or smell different to normal). Your child only needs to have one symptom to stay home and seek a COVID-19 test. If you child has a runny nose and sore throat (without any of the COVID symptoms) they do not need a COVID-19 test.

School Uniform at The William Hogarth School

Our school uniform colours are grey, white, yellow and black. Our official uniform can be purchased on-line at www.stevenson.co.uk where we have a school page set up showing our school uniform. All non-logo'd items are cheaply available at many high street stores and supermarkets. We expect every child to wear school uniform when attending school and when participating in school organised events outside normal school hours. We expect children to be wearing the correct footwear for sports and games and for all items of uniform to be labelled clearly with your child's name.
