

## Child Friendly Safeguarding Policy The William Hogarth School

All children have....

The right to a childhood

The right to be educated

The right to be treated fairly

The right to be heard

The right to be healthy

The right to feel safe at home, at school  
and on-line

Our school has a safeguarding policy for staff, families and governors. This child friendly safeguarding policy has been created for you, to help you know your rights and what to do if you are worried or upset about something at school or at home.

If something is upsetting you or you have a problem or difficulty that you'd like to talk about, people at school have been especially trained to help and to listen.

A blue poster with a dark blue arrow-shaped header containing the text 'Safeguarding Concerns'. Below the header, the text 'If you want to talk to someone' is written in white. Three portrait photos of women are arranged horizontally. Below each photo is their name and role. The first woman is Miss Stockley, Designated Safeguarding Lead and Headteacher. The second is Miss Rees, Deputy Safeguarding Lead and Deputy Head. The third is Miss Luciani, Deputy Safeguarding SENDCo.

Name	Role
Miss Stockley	Designated Safeguarding Lead Headteacher
Miss Rees	Deputy Safeguarding Lead Deputy Head
Miss Luciani	Deputy Safeguarding SENDCo

All of the adults around you think that your health, safety and welfare are very important. In our school, we respect children and help to protect your rights. We do our best to help you make the best progress you can at school. We also teach you to recognise risks in different situations and how to protect yourselves and stay safe.

Safeguarding means that all staff will:

- Protect you from harm
- Make sure nothing stops you from being happy
- Make sure you are safely looked after
- Make sure you have the best life chances

**Do not be scared to tell someone.** We will listen and keep you safe.

- Has someone hit, punched, smacked or hurt you in any way?

**TELL**

- Has someone said something to you that upsets you?

**TELL**
