Get in touch with us to let us know if you are struggling with your finances

We know everyone is feeling the pinch this winter and we want to support those families in our school community who are impacted the most. If you are struggling with your finances, please do get in touch to let us know, as there may be things we can suggest which will help. We want to do everything we can to help you and your child through this difficult winter.

If you think you are due a payment, but have not received one – [report a missing payment to the government](#).

Be aware of scams!

If you receive any emails, texts or phone calls asking you to fill in an application form or asking for your bank details to receive a cost of living payment, **do not talk to them or send a reply**. Get more information from the Money Saving Expert on [cost of living scams](#).
