

We're pleased to let you know that we're now using Doodle, the award-winning home learning programme, with your child's class!

### A little bit about Doodle

Doodle builds confidence and ability in maths and English by creating every child a personalised work programme tailored to their strengths and weaknesses. Using Doodle for just 10 minutes a day is proven to help children make three months of progress in just one month!

### How to get started

1. Watch the following video with your child/ren: <https://vimeo.com/398785961>.
2. Download the **DoodleMaths** app onto an Apple, Android or Amazon device. You can also log in to the Doodle programmes through Doodle's website ([doodlemaths.com](https://doodlemaths.com)) on laptops and desktops by clicking 'log in' and choosing the correct programme. Follow the instructions in the video above for more information on how to log in.
3. Use the **maths class code** that matches your child's class provided by their teacher. You can use the same login details to access **DoodleTables**.
4. If your child's teacher has also given you an **English class code**, repeat steps 2 and 3 for **DoodleEnglish**, but **make sure you choose 'my child already has a Doodle account' and enter the username and password you have just set up in DoodleMaths**. Use these same login details to access DoodleSpell.

### Support for parent and carers

- Link your email to your child's account by asking your child to log in to DoodleMaths and tap on **Grown Ups**, or visit [parents.doodlemaths.com](https://parents.doodlemaths.com) and follow the instruction in this link: [help.doodlehq.com/en/articles/2892158-how-to-link-a-parent-account-to-a-child-s-school-account](https://help.doodlehq.com/en/articles/2892158-how-to-link-a-parent-account-to-a-child-s-school-account)
- You'll then be able to view your child's progress by visiting [parents.doodlemaths.com](https://parents.doodlemaths.com) or by downloading the free **DoodleConnect** app on an Apple or Android device.
- Doodle are running free parent webinars to help parents get started with the programme. You can find out more here: [doodlemaths.com/free-parent-webinar/](https://doodlemaths.com/free-parent-webinar/).

If you have any questions about Doodle, please visit [help.doodlehq.com](https://help.doodlehq.com) or speak to the Doodle Team by clicking on the green chat icon on [www.doodlemaths.com](https://www.doodlemaths.com)

Happy Doodling!
