### **Our Fundraising Provides Grants to our School**

We raised a smashing £7,000 last term for the benefit of our children's school. A simple amazing amount that we could not have achieved without all of you! A big thank you to all those that contributed and supported in big and small ways.

While we've exceeded all expectations, let's build on the momentum and make it our best year yet in supporting our children's educational needs. Each event – like our Christmas Fair, Friday Fun and International Food Festival - helps to provide additional equipment and resources for the children.

At our General Meeting on Friday 31 January, we will discuss the allocation of these funds in line with the school's needs and priorities. We are consulting with all parents and carers to allocate our Autumn term grant to support for:

Information Communication Technology (ICT) equipment including Chromebooks  
“Learning Kitchen” with specialised cooking equipment including mini ovens

### **Summer Fair starts now!**

Our Summer Fair typically takes place in June / July on Chiswick Back Common and raises a significant sum for our school, not to mention, an amazing day of family fun that the children look forward to so much. We will be discussing first planning steps at the meeting next Friday but the real key to making the event happen is having volunteers to help set-up (from 8am) and then pack-up (till 7pm) on the day itself. In the past a small group of people have been taken part in set-up, and an even smaller group helping get equipment back to the school.

We will only be able to run the fair this year if we get sufficient commitment from parents in these key areas. We're sure your children enjoy the fair as much as ours do, so please think about whether you would be able to help make the fair as successful as it has been in previous years by offering your help.
