

# Spring Term 1 Newsletter – Reception

## Communication Language & Literacy

This term the children will focus on listening and responding in class. We will be further developing speaking skills by sticking to a theme or intention when sharing our ideas. We will share farm stories and poems.

## Understanding the World

We begin talking about the lifecycles of animals and plants. We will discuss what living things need to survive. We will talk about the benefits of having a healthy lifestyle. We will discuss oral hygiene.

## PSED

The children will continue to learn about being kind, respectful, listen to others and manage their feelings.

The children will express their likes and dislikes in different contexts.

# The Farm

## Mathematics

We will continue to add and subtract in our role play areas in the classroom. We will sequence number and start to discuss time. We will start to think about doubling and halving.

## Expressive Arts and Design

The children will have the opportunity to listen to music from around the world and discuss their likes and dislikes. The children will also explore primary and secondary colours. The children will construct for a purpose and continue to manipulate materials to produce a desired effect.

## Physical Development

This term we will focus on clear letter formation. The children will practice ball skills, jumping and landing appropriately.
