

Year 1 Summer 1

Maths

We will be covering multiplication and division, fractions and position and direction. Children will apply their mathematical knowledge and use manipulatives and resources to demonstrate their understanding, deepen thinking and develop mastery.

PSHE

Our PSHE this term will continue 'Think Equal' and are reading books that reflect the changing topics of each week. Such as celebrating the similarities and differences of people, building self-confidence, kindness and mindfulness.

RE

This term children will be thinking about the big question *How do we know that new babies are special?* They will be looking at the significance of babies in Christianity, Islam, Hinduism and Humanist approach.

Phonics

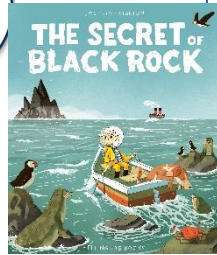

We will be learning about a range of text types this term. These include: Recounts, Instructions, Letter writing, Descriptions and Information books

These text types will be used in a cross curricular manner across all subjects. We will also be following the **Read Write Inc. Scheme in Phonics.**

English

Our English book this half term is 'The Secret of Black Rock'. From this text we will write a return narrative and a postcard.

Computing

This term children are looking at digital writing. They will learn how to manipulate texts, become more familiar with using a keyboard and mouse to remove texts and will be able to justify their reasoning in making these changes.

Science

Children will be looking at how to plant a bean and will observe the changed over time. They will also investigate what plants grow in the wild, the types of trees and the parts of a plant and tree.

Art

This term children will continue to develop their understanding of sculpture and build their making skills. They will explore how they can manipulate their drawing to make 3D forms.

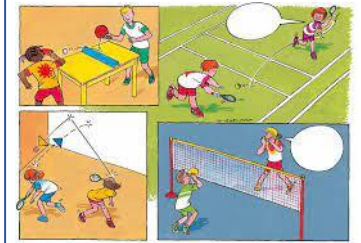

Music

In music children are with a specialist music teacher every Thursday afternoon. These lessons cover rhythm and pulse, pitch, singing games and instrumental activities.

P.E.

This term we will learn about and net and wall games. We will also revisit athletics!

Topic

Our topic this term is 'Travel and Transport'. The children will be looking how the wheel changed lives, the invention of railways, car and assessing if everyone benefitted from their inventions then and now.
