

Maths

We will learn about mass, capacity and temperature by completing a range of activities and experiments. We will also consolidate our learning to prepare for transitioning to Year 3.

English

Our English book this half term is 'The Bog Baby'. From this text we will write a discovery narrative and a set of instructions.

Science

Our topic this half term is all about different habitats. We will look at garden, woodland, desert, rainforest and polar habitats.

P.E.

We will learn about striking & field games. We will also learn about spinning, twisting and turning in gymnastics.

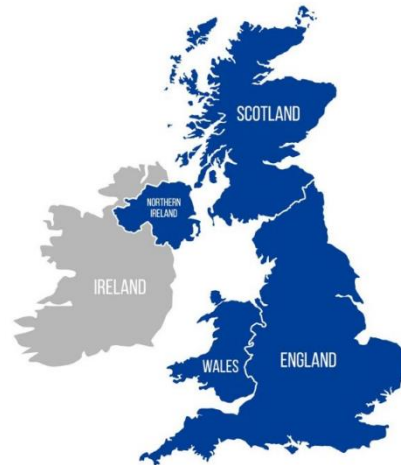

PSHE

We will be explaining how we have changed over time and will be able to use correct terms to label body parts. Children will be encouraged to express

their likes/dislikes about changes.

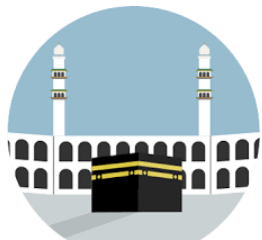

Humanities

Our Geography topic this half term will be 'Comparing countries of the UK'. We will learn about the flags, capital cities and what it is like to live in each country. At the end we will write postcards from the capital cities in the UK.

RE

We are focusing on Islam this half-term. Our key theme will be Hajj.

Computing

We will explore what information technology is and where we have seen it before. We will also explore programming & coding through Lego

WeDo 2.0 resources

Music

Our music topic is 'Playing Together'. This unit brings together the musicianship skills learnt throughout the year.

Art and D&T

In art we will be working towards a project: making boats that float out of everyday materials.
