

Maths

We will continue our learning on place value. We will also learn about position and direction, money and time.

English

Our English book this half term is 'The Secret of Black Rock'. From this text we will write a return narrative and a postcard.

Science

Our topic this half term links nicely with our Humanities focus, and is all about seasons and weather. We will look at how the weather, trees and animals change across seasons.

P.E.

We will learn about and striking & field games. We will also be creating an underwater dance!

PSHE

We will be explaining how we have changed over time. We will discuss changes that have happened in

Year 1 Summer 2

Weather and Fieldwork

Humanities

Our Geography topic this half term is 'Weather and Fieldwork Skills'. We will learn about different types of weather and the fieldwork skills we need to plant and look after an apple tree.

RE

We are focusing on Judaism this half-term. Our key theme is Rosh Hashanah and Yom Kippur.

Computing

We will explore the technology around us and how it helps us. We will develop our keyboard and mouse skills.

Music

Our music topic is 'Playing Together'. This unit brings together the musicianship skills learnt throughout the year.

Art and D&T

Our focus is magic spells! We will be making still drawings then turning them into a shared magic spell
