

Home learning- Slums

Create a model of a slum village

What does each house look like? How are they laid out in the village? Also, give us some facts about slums

Documentary

Create your own documentary on a particular slum or a number of slums. You can include interviews, pictures and clips!

Create a rap/ poem/song

Create a rap/poem/song on the struggles of living in a slum and what we can do to help.

Personal Story

Find stories or interviews of people living in slums (you can find these in documentaries or books). Share their experiences and dreams, emphasising the human aspect of your project.

Create a presentation

Research and produce a presentation about slums from around the world. You need to think about statistics and interesting facts about slums located in 1 or more locations. Add photos to go with your presentation!

Interview

Interview someone who has lived in a slum (or have a family member or friend interview you as a person living in a slum')
