Pupil Premium Funding

- Pupil premium funding is additional funding paid to schools in respect of their students who have been registered for free school meals ***at any point in the last six years***. Schools receive this funding to support their eligible pupils.
- The school will get the information about pupil premium students from the Department of Education. *Parents/Guardians need to make the application for free school meals through the Council of the borough they live in.*
- Head teachers are free to decide the best use of the premium to support these students, but have to be accountable for the decisions made.
- At William Perkin CoE High School all students who are eligible for Free School Meals receive a 20% Concessionary Discount off all Trips and Music Lessons. **All** pupil premium students are entitled to £100 credit each year which the parents/guardians can then allocate towards any activity or music lesson. The money cannot be transferred from one academic year to another. When you wish to allocate your £100 (or part of it) towards any activity or music lesson, you must email student.services@williamperkin.org.uk with the Item Name, amount and full student name. A telephone call is not enough as we need a written record for our auditing purposes.
- Below there is a list of eligibility for Free School Meals. Please take time to have a look and see if your child is eligible. If you feel that your child might be eligible then please contact your local council and make the application – it will benefit your child and the school.
